**The Seven Spiritual Laws for Parents** Deepak Chopra, M.D.,2007-12-18 The Seven Spiritual Laws of Success was a phenomenally successful book--more than 1,600,000 copies were sold--and as copies were passed between friends and loved ones, it touched millions more lives. Its author, Deepak Chopra, received thousands of letters from readers, many of whom expressed the desire to convey those same principles to their children, along with questions about how to do so. This book, *The Seven Spiritual Laws for Parents*, is Dr. Chopra's answer to those letters and to parents around the world who wish to raise children with values that satisfy spiritual needs as well as create the experience of abundance. After a general discussion of parenting and the gift of spirit, this book explores specific ways to practice the Seven Spiritual Laws as a family, how to convey these laws to children depending on their ages, and how to embody them in age-specific activities each day, beginning on Sundays with the Law of Pure Potentiality. *The Seven Spiritual Laws for Parents* moves us beyond private triumphs and failures to experience the spiritual nature of communion with family, to share with those closest to us the infinite riches of innocence and love.

*The Seven Spiritual Laws Of Success For Parents* Deepak Chopra,2008-09-04 `Deepak Chopra`s thoughts on spirituality and child rearing are original, profound and fascinating' BENJAMIN SPOCK, MD Deepak Chopra`s Seven Spiritual Laws of Success have touched a chord around the globe because of their simplicity and trust. This parenting book takes those laws one by one and explores the many ways parents can bring them into the lives of their children. Explaining that success depends on who you are rather than what you do, this world-renowned physician and author shows that spirituality lies at the source of all achievement in life. Suggesting ways that parents can help their children absorb this timeless wisdom from an early age, Deepak Chopra offers a daily programme of practical, thought-provoking ideas for the whole family to follow. In this way, parents can teach their children how to live in the most effortless, harmonious and creative way - and thus know true abundance throughout their lives.

**The Seven Spiritual Laws of Success** Deepak Chopra,2010-03-29 In *The Seven Spiritual Laws of Success*, Deepak Chopra distills the essence of his teachings into seven simple, yet powerful principles that can easily be applied to create success in all areas of your life. Based on natural laws that govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. Instead, Chopra offers a life-altering perspective on the

attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will cherish for a lifetime, for within its pages are the secrets to making all your dreams come true. A must-read for anyone who missed *The Prophet*, by Kahlil Gibran. — *The New York Times*

Parents & Grandparents as Spiritual Guides Betty Shannon Cloyd, 2000-07-01 Today, we're increasingly disconnected from one another. Our mobile society, with its incessant busyness, creates a tragic break in relationships and diminishes the sense of community — even within families. Some parents communicate with their children by texting or calling them — inside their home! With all of the activities children are involved in — school, sports, music, camp, and others — spiritual nurture often gets neglected. Spirituality makes persons look beyond themselves to the well-being of those around them, writes Cloyd. How we care for the spirituality of our children, then, is not only crucial for their own well-being; it is crucial for the well-being of our society as well. Spiritual training is a primary role for parents and other family members. It cannot, must not, be neglected or relegated to some other person or agency. Cloyd explores simple ways parents and grandparents can introduce children to the presence of God and nurture them spiritually — even through daily, routine activities as well as planned devotional times. This must-have book includes biblical models of spiritual guides along with insightful stories from children, Christian educators and the author's own experiences as a parent and grandparent. Attentiveness to God's daily presence gives the family (and society) the root system that is necessary to live with whatever events life brings. In parenting and grandparenting, we want to give our children wings, but we must start by providing them with healthy roots. *Parents & Grandparents as Spiritual Guides* will help you with that critical task.

The Laws of the Spirit World Khorshed Bhavnagri, 2009-01-01 WITH A BRAND NEW LOOK! ON FEBRUARY 22, 1980, KHORSHED AND RUMI BHAVNAGRI'S WORLD WAS SHATTERED. ONE MONTH LATER, A NEW ONE OPENED. Khorshed and Rumi Bhavnagri lost their sons, Vispi and Rato, in a tragic car crash. With both their sons gone, the couple felt they would not survive for long. They had lost all faith in God until a miraculous message from the Spirit World gave them hope and sent them on an incredible journey.

**AARP The Seven Spiritual Laws of Yoga** Deepak Chopra, M.D., 2012-04-17 AARP Digital Editions offer you practical tips, proven solutions, and expert guidance. The remarkable benefits of yoga, which include improved flexibility, balance, muscle tone, endurance, and vitality, only hint at the extraordinary power of this deeply spiritual practice. It shows how the Seven Spiritual Laws play a crucial role in yoga's path to enlightenment while providing readers with a wealth of meditation

techniques, mantras, breathing exercises, and yoga poses. Whether a newcomer to yoga or an experienced practitioner, *The Seven Spiritual Laws of Yoga* is a portal to yoga's deeper spiritual dimension and a beautiful step to a happier, more harmonious, and more abundant life.

*The Ultimate Happiness Prescription* Deepak Chopra, M.D., 2009-11-17 New York Times bestselling author Deepak Chopra shares the spiritual practices that will help us to uncover the true secrets of joy in the most difficult times. Happiness is something everyone desires. Yet how to find happiness—or even if we deserve to—remains a mystery. The goal of life is the expansion of happiness, but today's society reinforces the belief that fulfillment comes from achieving success, wealth, and good relationships. Chopra tells us that the opposite is true: All success in life is the by-product of happiness, not the cause. In this book, Chopra shows us seven keys for a life based on a sense of your "true self" lying beyond the ebb and flow of daily living. Simple daily exercises can lead to eliminating the root causes of unhappiness and help you to:

- Recognize real happiness and not settle for less
- Find true self-esteem, which doesn't depend on anything outside you
- Return to the state of joy, peace, and spontaneous fulfillment that is your natural birthright
- Focus on the present and learn to live it fully
- Experience enlightenment

After all avenues to happiness have been explored, only one path is left: the journey to enlightenment. In *The Ultimate Happiness Prescription*, we are taken on an inspiring journey to learn the secrets for living mindfully and with effortless spontaneity for the true self, the only place untouched by trouble and misfortune.

**Fire in the Heart** Deepak Chopra, 2008-06-23 A fifteen-year-old boy is walking through a swirling fog on his way to school when a voice calls out, Come here. We need to talk. Out of the mist emerges an old man with a white beard. He is a fantastic figure, as wizardly as Merlin, as wise as Socrates, as peaceful as Buddha. Whoever he is, the old man has appeared on that very day to change the boy's life. You are old enough to learn about things, he says mysteriously. And who is going to teach you but me? The old man gives the boy four days of soul training, a time of riddles, tricks, parables, and incredible twists that brings out surprising answers to each of four burning questions about spirituality: Do I have a soul? How do wishes come true? What is the supreme force in the universe? How can I change the world? The old man with the white beard showed me the spiritual side of life, writes Deepak Chopra, where real passion and excitement come from. So before you begin, take a deep breath. This story could turn out to be yours.

*Recovering from Emotionally Immature Parents* Lindsay C. Gibson, 2019-05-01 In this sequel to the New York Times bestseller, *Adult Children of Emotionally Immature Parents*, author Lindsay Gibson offers powerful tools to help you step back and protect yourself at the first sign of an emotional takeover, make sure your emotions and needs are respected, and break free from the coercive control of emotionally immature parents. Growing up with emotionally immature (EI) parents can leave you feeling lonely and neglected. You may have trouble setting limits and expressing your feelings. And you may even be more susceptible to other emotionally immature people as you establish adult relationships. In addition, as your

parents become older, they may still treat your emotions with mockery and contempt, be dismissive and discounting of your reality, and try to control and diminish your sense of emotional autonomy and freedom of thought. In short, EIs can be self-absorbed, inconsistent, and contradictory. So, how can you recover from their toxic behavior? Drawing on the success of her popular self-help book, *Adult Children of Emotionally Immature Parents*, author Lindsay Gibson offers yet another essential resource. With this follow-up guide, you'll learn practical skills to help you recognize the signs of an EI, protect yourself against an emotional takeover, reconnect with your own emotions and needs, and gain emotional autonomy in all your relationships. This is a how-to book, with doable exercises and active tips and suggestions for what to say and do to increase emotional autonomy and self-awareness. If you're ready to stop putting your own needs last, clear the clutter of self-doubt, and move beyond the fear of judgment and punishment that's been instilled in you by emotionally immature parents, this book will help you find the freedom to finally live your life your way.

*How Not to Move Back in With Your Parents* Rob Carrick, 2012-03-27 In this era of the Boomerang Generation, here at last is a full and frank guide to avoiding the need to move back in with your parents. Rob Carrick of *The Globe and Mail* is one of Canada's most trusted and widely read financial experts. His latest book is the first by anyone to target financial advice specifically at young adults graduating from university or college and moving into the workforce, into the housing market and into family life. Financial beginners, in other words. Carrick offers what can only be described as a wealth of information, on the full life cycle of financial challenges and opportunities young people face, including saving for a post-secondary education and paying off student debts, establishing a credit rating, basic banking and budgeting, car and home buying, marriage and raising children of their own, and insurance. The book is mindful throughout that parents have a big role to play in all this. It addresses young readers throughout but regularly asks them to see things from their parents' perspective. In that way, Rob Carrick is able to offer advice to both generations. He even recognizes that in these difficult times, moving back in with the folks is sometimes a short-term necessity. So there is a section devoted to such important questions as: Should your parents be charging you rent? For that and many thousands of dollars' worth of other reasons, this is a book that every parent needs to buy for each of their kids, plus one for themselves.

*The Seven Spiritual Laws of Success (EasyRead Large Bold Edition)* Deepak Chopra, 2018 Deepak Chopra's #1 bestselling audio offers life-altering guidance on the attainment of success, distilled into seven simple, powerful principles that you can easily apply to your life.

*The Third Jesus* Deepak Chopra, M.D., 2009-05-19 Who is Jesus? In *The Third Jesus*, Deepak Chopra provides an answer that is both uplifting and challenging to current beliefs. There is not one Jesus, Chopra writes, but three. The first is the historical Jesus, the man of flesh and blood who lived more than two thousand years ago. The second Jesus is a person who never lived but is a figure created by the Church to represent thousands of years of theology and Church teaching. Behind

these two images stands a third Jesus, the radical, mystical teacher who taught his followers how to change the world. In *The Third Jesus*, Chopra explores Jesus' original message, revealing a spiritual guide of profound depth and inspiration that speaks to anyone who believes in the importance of peace and love. By turning fresh eyes on the New Testament and returning to the essentials of Jesus' message, Chopra shows how the third Jesus can truly transform our lives—and humanity.

*Spiritual Parenting* Charles H. Spurgeon, 2003-09-01 Your child is worth all the time, money, heartaches, and effort. Charles H. Spurgeon shows how to: Impact the world one child at a time--your child can make a difference! Train your children to make good choices. Discipline with God's loving hand. Love them when you hate their behavior. Teach them to be givers, not takers. Build a compassionate heart in them. Help them discover their new best friend, Jesus. Encourage their leadership and ministry skills. Build strong, healthy, happy families. From the depths of his God-given wisdom, Spurgeon offers encouragement and advice to parents and teachers on guiding the spiritual development of children from infancy through young adulthood.

**The Everything Parent's Guide to Raising Mindful Children** Jeremy Wardle, Maureen Weinhardt, 2013-07-18 Mindful kids are less stressed, more focused, and much happier! Mindfulness means paying attention on purpose. This sounds simple, but it's not always easy, even for children. Kids face stress every day as they try to fit in with their peers, worry about grades, and struggle to sit still in a classroom. With *The Everything Parent's Guide to Raising Mindful Children*, you'll learn how practicing mindfulness can help your child refocus attention to reduce anxiety, control emotions and behavior, and even improve grades. Being mindful will help your child: Become more self-aware. Control emotions. Empathize with others. Achieve academic and social success. *The Everything Parent's Guide to Raising Mindful Children* uses techniques such as meditation and sensory awareness to help your child gain more self-control and be less stressed. You'll also learn how to use mindfulness in your own life! With repetition, these exercises will help your children to manage their own emotions and reach their full potential, now and for years to come.

**The Four Spiritual Laws of Prosperity** Edwene Gaines, 2005-09-03 A guide on how to achieve material and spiritual success draws on the author's experiences as a motivational minister to explain the importance of accepting desires, casting aside limitations, and possessing directed faith.

*On My Way to a Happy Life* Deepak Chopra, MD, 2010-11-01 Now available in a new format and a fresh package: a children's book about how the world works from a spiritual perspective, by two New York Times best-selling authors. Newly repackaged with a fresh cover, this children's book by New York Times best-selling authors Deepak Chopra and Kristina Tracy offers a simple guide to a happy, successful future. When kids understand how the world works from a spiritual point of view, it makes it easier for them to navigate life with joy and love. Vibrant illustrations by Rosemary Woods and simple rhymes help readers of all ages engage with the seven lessons on happiness, love, karma, dharma, acceptance, and more.

**Kosher Money** Yo’el ben Aharon Shyarts,2004 Comprises aggadah and halachah of the prohibition of stealing, coveting, cheating and related issues. With pertinent examples that apply to our daily lives and personal stories of those who exemplified these halachos.

**The Ten Commitments** David Simon,2010-01-01 We all know the Ten Commandments—and unfortunately most of us try to use the philosophy of thou shalt not (eat too much, work too hard, etc.) to command ourselves to make changes. David Simon, noted researcher and co-founder with Deepak Chopra of The Chopra Center, suggests a different path: instead of dwelling on the negative, embrace the positive and make commitments to live a better life. In doing so, we will transform our intentions (losing weight, spending more time with family, etc.) into concrete actions that will make change happen. This short, precise book is not a lecture, but a practical primer on thoughtful change. There is a continuing hunger for Eastern philosophy and spirituality among Westerners—finally, one of the West's top experts, who has been writing on, lecturing, teaching, and practicing Eastern thought for over three decades, has melded these principles with our core Western beliefs, giving us a new perspective on the basic way we live our lives. Key Features Very warm and engaging tone, excellent writing, and numerous anecdotes make for a very compelling reading experience. No new thought jargon: just precise, easily accessible advice. This is a breakout book. Helps us focus on the simplest answers, much in the tradition of books like Don't Sweat the Small Stuff. The ten step approach is familiar and comfortable. Small, inexpensive and beautifully packaged hardcover makes this a perfect gift or daily reader.

**Creating Affluence** Deepak Chopra,2010-08-12 In this remarkable book lies the secret to fulfillment on all levels of our lives... With clear and simple wisdom, Deepak Chopra explores the full meaning of wealth consciousness and presents a step-by-step plan for creating affluence. According to Chopra, affluence is our natural state, and the entire physical universe with all its abundance is the offspring of an unbounded, limitless field of all possibilities. Through a series of A-to-Z steps and everyday actions, we can learn to tap into this field and create anything we desire. From becoming Aware of all possibilities to experiencing Zest and joy in life, these uncommon insights gently foster the wealth consciousness needed to create wealth effortlessly and joyfully.

**The Healing Self** Deepak Chopra,Rudolph E. Tanzi,2019-01-03 Heal yourself from the inside out Our immune systems can no longer be taken for granted. Current trends in public healthcare are disturbing- our increased air travel allows newly mutated bacteria and viruses to spread across the globe, antibiotic-resistant strains of bacteria outstrip the new drugs that are meant to fight them, deaths due to hospital-acquired infections are increasing, and the childhood vaccinations of our aging population are losing their effectiveness. Now more than ever, our well-being is at a dangerous crossroad. But there is hope, and the solution lies within ourselves. The Healing Self is the new breakthrough book in self-care by bestselling author and leader in integrative medicine Deepak Chopra and Harvard neuroscientist Rudolph E Tanzi. They argue that the brain

possesses its own lymphatic system, meaning it is also tied into the body's general immune system. Based on this brand new discovery, they offer new ways of increasing the body's immune system by stimulating the brain and our genes, and through this they help us fight off illness and disease. Combined with new facts about the gut microbiome and lifestyle changes, diet and stress reduction, there is no doubt that this ground-breaking work will have an important effect on your immune system.
