Nudo d'autore Miller R., 2014-02-13T00:00:00+01:00 IL PRIMO CAPITOLO DELLA SERIE HOT: «LE RELAZIONI BLACKSTONE» C'è uno scandalo nella vita di Brynne Bennet. Americana, laureata all'università di Londra e modella

fotografica part-time, Brynne si è rimessa sulla retta via e lavora duramente per diventare restauratrice. Ma quando l'uomo d'affari londinese Ethan Blackstone compra un suo nudo, decide che non gli basta una fotografia: vuole anche il soggetto. Vuole Brynne nel suo letto, a sua completa disposizione. All'inizio Brynne è attratta dalla natura dominatrice di Ethan, ma non capisce se l'intensità del suo desiderio risveglieranno o sopiranno i demoni che lei si porta dentro... «Nudo d'autore» è la storia indimenticabile di una donna forte che incontra un uomo così potente da toglierle ogni difesa e di metterla a nudo.

All In Raine Miller,2012-12-12 For fans of Sylvia Day and E.L. James, the second book in the New York Times bestselling Blackstone Affair series. Ethan Blackstone has a problem on his hands. He's broken Brynne's trust and she's left him. He's unwilling to live without her and isn't giving up—he's dead-set on getting his beautiful American girl back. The passion between them was explosive, but the secrets they hid from each other are dark and chilling and are powerful enough to destroy their shot at a life together. With political threats now directed at Brynne, Ethan is running out of time and he'll need to gather all his strength and agility to protect her from the dangers that could take her away from him forever. Will Ethan be able to save Brynne from a past that keeps her locked in fear? Will he ever feel the warmth of her touch, the solidity of her trust again? This is a love-struck man who is willing to do whatever it takes to possess the heart of the woman he loves. He'll go to any lengths to protect her. He'll go all in. Here is the fiery story of what happens when two people surrender to a love so great it can heal the scars of the past and give way to a life of pure, rapturous ecstasy.

Filthy Rich Raine Miller,2016 Billionaire Caleb Blackstone lives in the glamorous world of wealth and success, with every material luxury. But the moment he sees Brooke Casterley, none of that matters. Caleb is filled with a raw, undeniable need that he can't ignore-- for a girl who is so completely different from everyone he's ever known. Only Brooke isn't looking for love. She knows all too well just how much damage the wrong guy can do. Still, what sane, broke British girl can resist the charms of an incredibly sexy, chivalrous billionaire? Their whirlwind romance is the stuff of high-society fantasy-- but for every moment of pleasure, there is a cost. Past mistakes and tragedy shadow them both... and falling for him might be the kind of trouble she can't afford.--Page [4] of cover.

[The Spinster's Guide to Scandalous Behavior](#) Jennifer McQuiston,2015-11-24 In New York Times bestselling author Jennifer McQuiston's enticing new Seduction Diaries entry, a mysterious journal may provide a potential spinster with

instruction—or lead her to her heart's desire Free-spirited Lucy Westmore isn't yet a spinster, although she fully intends to be. Fortunately, an eccentric aunt has left her both a diary detailing the secrets to spinsterhood and a cottage in Cornwall. Unfortunately, an insufferable marquess is angling for her prize! Turning Lord Thomas Branston down flat should be easy. So why does this man who won't take no for an answer make Lucy's body and soul sigh yes? Thomas knows the real value of Heathmore Cottage, and he has no intention of letting some silly Society miss get her hands on it. He'll simply have to charm Lucy into selling. But the clever young woman he encounters, first in London, then en route to Cornwall, stands stubbornly on her own two (quite lovely) feet. And now, Thomas can think only of sweeping her off them.

The Poems of Henry Howard, Earl of Surrey Henry Howard Earl of Surrey, Frederick Morgan Padelford, 1920

Scanderbeide Margherita Sarrocchi, 2007-11-01 The first historical heroic epic authored by a woman, Scanderbeide recounts the exploits of fifteenth-century Albanian warrior-prince George Scanderbeg and his war of resistance against the Ottoman sultanate. Filled with scenes of intense and suspenseful battles contrasted with romantic episodes, Scanderbeide combines the action and fantasy characteristic of the genre with analysis of its characters' motivations. In selecting a military campaign as her material and epic poetry as her medium, Margherita Sarrocchi (1560?-1617) not only engages in the masculine subjects of political conflict and warfare but also tackles a genre that was, until that point, the sole purview of men. First published posthumously in 1623, Scanderbeide reemerges here in an adroit English prose translation that maintains the suspense of the original text and gives ample context to its rich cultural implications.

The Nuptial Mystery Angelo Scola, 2005-05-12 Translated by Michelle K. Borrás The idea of love pervades our society, yet it is nearly impossible to answer the question What is love? especially as we witness the divorce of love from sexuality and of sexuality from procreation. Aware that many people today are skeptical about marriage, Angelo Cardinal Scola nevertheless suggests that only in the category of nuptial mystery do we find a way to adequately describe the phenomenon of love. A bright new leader in the Catholic Church, Cardinal Scola argues that the male-female relationship lies near the heart of what it means to bear the image of God. Scola's book explores the essential sexual differences that both separate and unite men and women, and it shows how men and women can realize their purpose in marriage or celibacy. Conversant with papal teaching and Catholic writers from Aquinas to von Balthasar, Cardinal Scola writes with a deep regard for marriage and the family. His Nuptial Mystery will leave readers with a thoroughly Christian appreciation for incarnate love.

Fighting Redemption Kate McCarthy, 2013 Ryan Kendall is broken. He understands pain. He knows the hand of violence and the ache of loss. He knows what it means to fail those who need you. Being broken doesn't stop him wanting the one thing he can't have; Finlay Tanner. Her smile is sweet and her future bright. She's the girl he grew up with, the girl he loves, the girl he protects from the world, and from himself. At nineteen, Ryan leaves to join the Australian Army. After years of training he becomes an elite SAS soldier and deploys to the Afghanistan war. His patrol undertakes the most dangerous

missions a soldier can face. But no matter how far he runs, or how hard he fights, his need for Finlay won't let go. Returning home after six years, one look is all it takes to know he can't live without her. But sometimes love isn't enough to heal what hurts. Sometimes people like him can't be fixed, and sometimes people like Finlay deserve more than what's left. This is a story about war and the cost of sacrifice. Where bonds are formed, and friendships found. Where those who are strong, fall hard. Where love is let go, heartache is born, and heroes are made. Where one man learns that the hardest fight of all, is the fight to save himself. This book is recommended for 18+ due to adult language and themes. Please note: K McCarthy is an Australian author and Australian spelling, language and slang has been used in this book.

A Lite Too Bright Samuel Miller,2018-05-08 For fans of literary classics such as *The Catcher in the Rye* and *The Perks of Being a Wallflower* comes a stirring new thought-provoking novel from debut author Sam Miller about a loss shrouded in mystery with twists and turns down every railway. Arthur Louis Pullman the Third is on the verge of a breakdown. He's been stripped of his college scholarship, is losing his grip on reality, and has been sent away to live with his aunt and uncle. It's there that Arthur discovers a journal written by his grandfather, the first Arthur Louis Pullman, an iconic Salinger-esque author who went missing the last week of his life and died hundreds of miles away from their family home. What happened in that week—and how much his actions were influenced by his Alzheimer's—remains a mystery. But now Arthur has his grandfather's journal—and a final sentence containing a train route and a destination. So Arthur embarks on a cross-country train ride to relive his grandfather's last week, guided only by the clues left behind in the dementia-fueled journal. As Arthur gets closer to uncovering a sad and terrible truth, his journey is complicated by a shaky alliance with a girl who has secrets of her own and by escalating run-ins with a dangerous Pullman fan base. Arthur's not the only one chasing a legacy—and some feel there is no cost too high for the truth.
