**The Collected Short Stories** Satyajit Ray,2015-07-05 The mountain of the moon is a story about taking a chance dare which, with its wings of imagination, leads you to the silver lining after a storm. Shankar, an ordinary young boy from rural India, crosses many skies and seas to explore an altogether different world—africa. There, he joins a seasoned Portuguese Explorer, Diego alvarez on a daring mission. But is the destination worth the toil of the journey? Moreover, will Shankar get to the peak of his mountain of dreams? The Storyline, with a series of adventures, is a testimony to the eternal virtues of courage, curiosity and compassion. It gradually becomes a tantalizing tale of an unusual friendship that evolved in the spectacular but dangerous African forests and grasslands teeming with mysterious wildlife, people and their folklores. Experience this classic adventurous narrative in English that will lead you again to an era of picaresque, when one dared to dream. This book has also been adapted into a popular Bengali movie.

**3 Stories: Manik Bandopadhyay** Manik Bandopadhyay, 2020-05-28 Manik Bandopadhyay's stories are focussed on the daily existence of rural Bengal, especially the darkness and the wretchedness that surround the lives of the people. Unlike his contemporaries he does not focus on the serene, calm beauty of the landscape. The three short stories in this anthology, also written in the same vein, speak of rural uprising, exploitation of women and fickleness of the human mind.

**Signs** Manik Bandyopadhyay, 2021 Signs (Chinha), written in 1946, was Manik Bandyopadhyay's fifteenth novel, and is something of a hidden gem of Bengali literature. The novel is set in the mass uprisings that Calcutta witnessed in protest against the trial and sentencing of Captain Rashid Ali of the Indian National Army. These outbursts of popular anger were initiated by students, and involved large sections of the working people. The author weaves together a number of episodes, meetings and partings happening simultaneously at different locations through a kind of narrative 'montage'. The narration represents this revolutionary moment witnessed through the eyes of myriads of people who make it, whether by participating in it or by being caught up in it, by remaining on the margin or by trying to use it to their own purpose, or even by resisting it. It is a rare attempt to catch the internal dynamics of the action by focussing on the fast-changing relationships among its speaking, thinking, acting human agents, when the singular motive force of the objective situation is manifested in the multiplicity of responses. Signs was such a departure from the writing of the time that the author noted, 'It is written in a new technique. I do not know whether it should be called a novel.' Manik Bandyopadhyay failed to interest his publisher into issuing a second print during his lifetime. It was published again after his death. This is the first English translation of this modernist masterpiece, introduced and annotated by scholar and activist Malini Bhattacharya.

Those Days Sunil Gangopadhyay, 2000-10-14 Winner of the Sahitya Akademi Award An award-winning novel that uses both vast panoramic views and lovingly reconstructed detail to provide an unforgettable picture of nineteenth-century Bengal. The Bengal Renaissance and the 1857 uprising form the backdrop to *Those Days*, a saga of human frailties and strength. The story revolves around the immensely wealthy Singha and Mukherjee families, and the intimacy that grows between them. Ganganarayan Singha's love for Bindubasini, the widowed daughter of the Mukherjees, flounders on the rocks of orthodoxy even as his zamindar father, Ramkamal, finds happiness in the arms of the courtesan, Kamala Sundari. Bimbabati, Ramkamal's wife, is left to cope with her loneliness. A central theme of the novel is the manner in which the feudal aristocracy, sunk in ritual and pleasure, slowly awakens to its social obligations. Historical personae interact with fictional protagonists to enrich the narrative. Ishwar Chandra Vidyasagar, the reformer; Michael Madhusudan Dutt, the poet; the father and son duo of Dwarkanath and Debendranath Tagore; Harish Mukherjee, the journalist; Keshab Chandra Sen, the Brahmo Samaj radical; David Hare and John Bethune, the English educationists—these and a host of others walk the streets of Calcutta again, to bring alive a momentous time.

Harbart Nabarun Bhattacharya, 2019-06-25 This beloved cult novel—about a young man who makes a business of relaying messages from the dead—is now in a sparkling English translation *Poor, poor, hard-luck Herbert Sarkar*: born into a fancy Calcutta family but cursed from birth (his philandering movie director father is killed in a car crash and his mother dies soon after, when he's still just a baby), he is taken as an orphan into his uncle's house, only to fall further and further down the family totem pole. Despite good looks ("Hollywood-ish, Leslie Howard-ish") and native talents, he is scorned by all but his kind aunt. *Poor Herbert*: so lovable but so little loved. Cheated of his inheritance, living on the roof in cast-off clothing, he pines for love, but all is woe: his own nephews beat him up. At twenty, however, he suddenly seems to possess the gift of speaking with the dead. Herbert is bathed in glory. From less than zero to starry heights—what an apotheosis. The wheel of fortune turns again, all too soon... Legendary, scathingly satiric, wildly energetic, deeply tender, Herbert is an Indian masterwork.

**Victory Colony, 1950** Bhaswati Ghosh, 2020-08 When she lands in Calcutta's Sealdah railway station on a humid day in

1949, Amala Manna has managed to flee from the communal violence in her village, but not from all her trials. Within moments of crossing over to India as a refugee from East Pakistan, she loses Kartik, her younger brother. Thanks to a group of young volunteers, Amala finds her way to a refugee camp in Gariahata where she meets Manas Dutta, who is the leader of the volunteer group. Despite the sordid camp life, Amala finds sustenance in her quest to find Kartik and the new familial bonds the camp allows her to forge with complete strangers. With dwindling official support, the situation in the camp deteriorates, and the refugees take things into their own hands. They establish Bijoy Nagar - literally meaning Victory Colony - by occupying a zamindar's vacant plot of land. This dramatic event is a harbinger of radical shifts in Amala's personal life. 'A compelling story, set against a Calcutta that's vividly depicted in the smallest of details.' - Madhulika Liddle 'Bengal comes alive in all its sensory immediacy.' - Neelum Saran Gour

*The First Promise* Āśāpūrṇā Debī, 2004 *The First Promise* is a translation of Ashapura Debi's novel, Pratham Pratisruti, originally published in Bengali in 1964. Celebrated as one of the most popular and path-breaking novels of its time, it has received continual critical acclaim: the Rabindra Puraskar (the Tagore Prize) in 1966 and the Bharitiya Jnanpith, India's highest literary award, in 1977. Spanning the late eighteenth and early twentieth centuries, Ashapura tells the story of the struggles and efforts of women in nineteenth-century, colonial Bengal in a deceptively easy and conversational style. The charming eight-year-old heroine, Satyabati is a child bride who leaves her husband's village for Calcutta, the capital of British India where she is caught in the social dynamics of women's education, social reform agendas, modern medicine and urban entertainment. As she makes her way through this complex maze, making sense of the rapidly changing world around her, Satyabati nurtures hopes and aspirations for her daughter. But the promises held out by modernity turn out to be empty, instigating Satyabati to break away from her inherited world and initiate a quest that takes her to the very heart of tradition.

**Men on Horseback** David A. Bell, 2020-05-19 An immersive examination of why the age of democratic revolutions was also a time of hero worship and strongmen In *Men on Horseback*, the Princeton University historian David A. Bell offers a dramatic new interpretation of modern politics, arguing that the history of democracy is inextricable from the history of charisma, its shadow self. Bell begins with Corsica's Pasquale Paoli, an icon of republican virtue whose exploits were once renowned throughout the Atlantic World. Paoli would become a signal influence in both George Washington's America and Napoleon Bonaparte's France. In turn, Bonaparte would exalt Washington even as he fashioned an entirely different form of leadership. In the same period, Toussaint Louverture sought to make French Revolutionary ideals of freedom and equality a reality for the formerly enslaved people of what would become Haiti, only to be betrayed by Napoleon himself. Simon Bolivar witnessed the coronation of Napoleon and later sought refuge in newly independent Haiti as he fought to liberate Latin America from Spanish rule. Tracing these stories and their interconnections, Bell weaves a spellbinding tale of power and its

ability to mesmerize. Ultimately, Bell tells the crucial and neglected story of how political leadership was reinvented for a revolutionary world that wanted to do without kings and queens. If leaders no longer rule by divine right, what underlies their authority? Military valor? The consent of the people? Their own Godlike qualities? Bell's subjects all struggled with this question, learning from each other's example as they did so. They were men on horseback who sought to be men of the people—as Bell shows, modern democracy, militarism, and the cult of the strongman all emerged together. Today, with democracy's appeal and durability under threat around the world, Bell's account of its dark twin is timely and revelatory. For all its dangers, charisma cannot be dispensed with; in the end, Bell offers a stirring injunction to reimagine it as an animating force for good in the politics of our time.

*Rajnar* Amiyabhūṣhaṇa Majumadāra, 1997 The Time And Location Of The Events Of Rajnar, A Complex Historical Novel, Is The Former French Colonised Farasdanga Area Of Chandannagar In The Years Preceding And Following The Sepoy Mutiny, 1857. The Novel, Its Heart And Interwoven Set Of Three Different And Exquisite Love Stories, Is A Sophisticated Account Of The Subterranean Power Politics Of Transition In Colonial Rule. Alongside, The Novel's Account Of The Cerebral Aspects Of That Period's Contending Cross-Currents Of Religious Beliefs Is Both Vivid And Perceptive.
