**Hema Malini** Ram Kamal Mukherjee,2017-10-10 One of the most enduring divas of Hindi cinema, a producer and

director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

**Sex Ed** Robert T. Eberwein,1999 In a 1914 movie, *Damaged Goods*, a doctor shows a character the horrific effects of venereal disease. In contrast, many of today's sex ed videos encourage viewers to realize their sexuality more fully as a source of pleasure. In *Sex Ed*, Robert Eberwein demonstrates how films and videos used for sex education have provided a complex ideological framework in which questions of sexuality, gender, and race are compellingly foregrounded. Eberwein starts his investigation in the silent and early sound eras with educational films used both to warn audiences about venereal disease and to provide basic contraception information. World War II movies, he states, waged their own war against venereal disease-in the armed services and at home. Newer works deal with birth control and focus in particular on AIDS. *Sex Ed* also highlights the classroom. Eberwein draws connections between the earliest and most recent examples of educational films as he analyzes their ideological complexity. He concludes by examining marriage-manual films of the early 1970s and very recent videos for couples and individuals seeking instruction in sexual techniques to increase pleasure.

It details the big milestones in her life, her unconventional pregnancy and single parenthood, and a successful second innings in Bollywood. *High in the Clouds* Paul McCartney, Geoff Dunbar, Philip Ardagh, 2006 Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.' Independent

Women in Pakistan Farzana Bari, 2000 Though Pakistan has made progress toward achieving its education, gender equity, and health Millennium Goals, it is unlikely to reach 2015 targets. In general, achievements were lower in rural areas and in lower-income households. Pakistani girls still have lower enrollment in primary and secondary schools, and do not perform as well as boys on tests. Adult female literacy varies widely by province. Women continue to face many forms of gender-based violence, and often are restricted from leaving their homes. While employment rates among women have doubled in the last decade, women are more likely to be unemployed than men, and lack access to finance or assets.

**A Life Less Ordinary** Baby Halder, 2009-10-13 When she was very young, Baby Halder was abandoned by her mother and left with a cruel, abusive father. She was married off at twelve to a man twice her age who beat her. At fourteen, she was a mother herself. Her early life was marked by overwhelming challenges and heartbreak until, exhausted and desperate, she fled with her three children to Delhi, to work as a maid in some of the city's wealthiest homes. Expected to serve her employers' every demand, she faced a staggering workload that often left her no time to care for her own children. But she never complained, for such is the lot of the poor in modern-day India. Written without a trace of self-pity, *A Life Less Ordinary* is a shocking look deep inside a world of poverty and subjugation that few outsiders know about—and an inspiring true story of one remarkable woman's strength, courage, and determination to soar above her circumstances.
