The Life of Milarepa ,1992-02-01 The Life of Milarepa is the most beloved story of the Tibetan people and one of the greatest source books for the contemplative life in all world literature. This biography, a true folk tale from a culture now in crisis, can be read on several levels: a personal and moving introduction to Tibetan Buddhism, it is also a profoundly detailed guidebook in the search for consciousness. It presents the quest for spiritual perfection, tracing the path of a great sinner who became a great saint. But it is also a powerful and graphic folk tale, full of magic, disaster, feuds, deceptions, and humor. This definitive translation, originally published in 1977, was the first to appear in any Western language in half a century and renders this classic of spiritual literature into a simple modern English that reflects the direct power of the original.

Index translationum Unesco,1991 Philosophy, Religion, Social sciences, Law, Education, Economy, Exact and natural sciences, Medicine, Science and technology, Agriculture, Management, Architecture, Art, History, Sport, Biography, Literature.

The Asiatics Frederic Prokosch,2005-02-02 Andreacut; Gide praised The Asiatics as an authentic masterpiece; Thomas

Mann called it brilliant.

Historical Dictionary of Italian Cinema Gino Moliterno, 2020-12-08 Italian cinema is now regarded as one of the great cinemas of the world. Historically, however, its fortunes have varied. Following a brief moment of glory in the early silent era, Italian cinema appeared to descend almost into irrelevance in the early 1920s. A strong revival of the industry which gathered pace during the 1930s was abruptly truncated by the advent of World War II. The end of the war, however, initiated a renewal as films such as *Roma città aperta* (Rome Open City), *Sciuscià* (Shoeshine, 1946), and *Ladri di biciclette* (Bicycle Thieves, 1948), flagbearers of what soon came to be known as Neorealism, attracted unprecedented international acclaim and a reputation that only continued to grow in the following years as Italian films were feted worldwide. Ironically, they were celebrated nowhere more than in the United States, where Italian films consistently garnered the lion's share of the Oscars, with Lina Wertmüller becoming the first woman to ever be nominated for the Best Director award. This second edition of *Historical Dictionary of Italian Cinema* contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on major movements, directors, actors, actresses, film genres, producers, industry organizations and key films. This book is an excellent resource for students, researchers, and anyone wanting to know more about Italian Cinema.

The Art of the Publisher Roberto Calasso, 2015-11-03 An interior look at Roberto Calasso's work as a publisher and his reflections on the art of book publishing In this fascinating memoir, the author and publisher Roberto Calasso meditates on the art of book publishing. Recalling the beginnings of Adelphi in the 1960s, he touches on the Italian house's defining qualities, including the considerations involved in designing the successful *Biblioteca* series and the strategy for publishing a wide range of authors of high literary quality, as well as the historic critical edition of the works of Nietzsche. With his signature erudition and polemical flair, Calasso transcends Adelphi to look at the publishing industry as a whole, from the essential importance of graphics, jackets, and cover flaps to the consequences of universal digitization. And he outlines what he describes as the most hazardous and ambitious profile of what a publishing house can be: a book comprising many books, a form in which all the books published by a certain publisher could be seen as links in a single chain—a conception akin to that of other twentieth-century publishers, from Giulio Einaudi to Roger Straus, of whom the book offers brief portraits. An essential book for writers, readers, and editors, *The Art of the Publisher* is a tribute to the elusive yet profoundly relevant art of making books.

Chiara Corbella Petrillo Simone Troisi, 2015 Chiara Petrillo was seated in a wheel chair looking lovingly toward Jesus in the tabernacle. Her husband, Enrico, found the courage to ask her a question that he had been holding back. Thinking of Jesus's phrase, "my yoke is sweet and my burden is light," he asked: "Is this yoke, this cross, really sweet, as Jesus said?" A

smile came across Chiara's face. She turned to her husband and said in a weak voice: "Yes, Enrico, it is very sweet." At 28 years old, Chiara passed away, her body ravaged by cancer. The emotional, physical, and spiritual trials of this young Italian mother are not uncommon. It was her joyful and loving response to each that led one cardinal to call her "a saint for our times." Chiara entrusted her first baby to the blessed Virgin, but felt as though this child was not hers to keep. Soon, it was revealed her daughter had life-threatening abnormalities. Despite universal pressure to abort, Chiara gave birth to a beautiful girl who died within the hour. A year later, the death of her second child came even more quickly. Yet God was preparing their hearts for more—more sorrow and more grace. While pregnant a third time, Chiara developed a malignant tumor. She refused to jeopardize the life of her unborn son by undergoing treatments during the pregnancy. Chiara waited until after Francesco was safely born, and then began the most intense treatments of radiation and chemotherapy, but it was soon clear that the cancer was terminal. Almost immediately after giving birth to Francesco, Chiara's tumor became terminal and caused her to lose the use of her right eye. Her body was tested, and so was her soul as she suffered through terrible dark nights. She said "yes" to everything God sent her way, becoming a true child of God. And as her days on earth came to an end, Enrico looked down on his wife and said, "If she is going to be with Someone who loves her more than I, why should I be upset?" Each saint has a special charisma, a particular facet of God that is reflected through her. Chiara's was to be a witness to joy in the face of great adversity, the kind which makes love overflow despite the sorrow from loss and death.

Benedict XVI: A Life Volume One Peter Seewald, 2020-12-10 By any reckoning, the papacy of Pope Benedict XVI was extraordinary, with moments of high drama. Not the least of these was his resignation from office in February 2013, the first papal resignation in 500 years. But who is Joseph Ratzinger? In this definitive biography, based on meticulous historical research and many hours of taped interviews with his subject, Peter Seewald shows the exceptional circumstances in which the exceptionally talented son of a Bavarian policeman became the first German pope for 950 years. In this first volume, covering the years 1927–1965, we witness Joseph Ratzinger's early days, living above his father's police station. Ratzinger came to adulthood through the years of National Socialism. Though hostile to the rise of Hitler, his family knew well about Dachau and Ratzinger himself was conscripted into the Hitler Youth. Joseph Ratzinger proved to be a man of exceptional intellectual gifts and by the time of the Second Vatican Council (1962–1965) he was already noted as one of the outstanding intellects present and was nominated a 'peritus' or theological expert. This was also the time of the start of his friendship with the Swiss theologian Hans Küng who was to become his nemesis. Of his predecessor, Pope Francis has said: 'Pope Benedict was a great Pope, great for the penetration of his intelligence, great for his important contribution to theology, great for his love of the Church and human beings, great for his virtues and faith'. Even in this first volume, we begin to understand how this came to be true.
