Evan Quick has spent his whole life dreaming of becoming a hero. Every morning he wakes up and runs through a checklist of test to see if he's developed powers over night, and every day it is the same thing - nothing. Not even the ability to light a light bulb without flipping a switch. And now, he's finally ready to give up. But then, the class field trip to the Mask Museum is interrupted by a super villain attack, and Evan somehow manages to survive a death ray. Deadline John Sandford. 2014-10-09 From the Pulitzer Prize-winning author comes a brand new Virgil Flowers thriller that will keep you gripped until the very last page. Barns, the chairman, looked around the room and said, 'Okay. We can do this. Let's see a show of hands. It's unanimous, or it's prison. Do we kill Clancy Conley?' They all looked around at each other, each of them reluctant to go first. Then the fat man raised his hand, and then Kerns, and then the rest of them. 'It's unanimous,' Barns said. In southeast Minnesota, down on the Mississippi, a school board meeting is coming to an end. The board chairman announces that the rest of the meeting will be closed, due to personnel issues. Issues is correct. The proposal up for a vote before them is whether to authorize the killing of a local reporter. There are no votes against. Meanwhile, not

far away, Virgil Flowers is helping out a friend by looking into a dognapping, which seems to be turning into something much bigger and uglier -- a team of dognappers supplying medical labs -- when he gets a call from Lucas Davenport. A murdered body has been found -- and the victim is a local reporter...

Super Adjacent Crystal Cestari.2020-03-17 In this fresh new take on the world of superheroes, explore what it's like to be the non-super half of a dynamic duo. Spoiler alert: it's not easy being super-adjacent. Claire has always wanted to work with superheroes, from collecting Warrior Nation cards as a kid to drafting What to Say to a Hero speeches in her diary. Now that she's landed a coveted internship with the Chicago branch of Warrior Nation, Claire is ready to prove she belongs, super or not. But complicating plans is the newest WarNat hero, Girl Power (aka Joy), who happens to be egotistical and self-important . . . and pretty adorable. Bridgette, meanwhile, wants out of WarNat. After years of dating the famous Vaporizer (aka Matt), she's sick of playing second, or third, or five-hundredth fiddle to all the people-in-peril in the city of Chicago. Of

course, once Bridgette meets Claire—who's clearly in need of a mentor and wingman—giving up WarNat becomes slightly more complicated. It becomes a lot more complicated when Joy, Matt, and the rest of the heroes go missing, leaving only Claire and Bridgette to save the day. In this fresh and funny take on the world of supers, author Crystal Cestari spotlights what it's like to be the seemingly non-super half of a dynamic duo with banter-filled romance and bold rescues perfect for readers seeking a great escape.

Fortune Favors the Dead Stephen Spotswood.2021-08-03 A wildly charming and fast-paced mystery written with all the panache of the hardboiled classics, *Fortune Favors the Dead* introduces Pentecost and Parker, an audacious new detective duo for the ages. “Razor-sharp style, tons of flair, a snappy sense of humor, and all the most satisfying elements of a really good noir novel, plus plenty of original twists of its own.”—Tana French, bestselling author of *The Searcher* It's 1942 and Willowjean Will Parker is a scrappy circus runaway whose knife-throwing skills have just saved the life of New York's best, and most unorthodox, private investigator, Lillian Pentecost. When the dapper detective summons Will a few days later, she doesn't expect to be offered a life-changing proposition: Lillian's multiple sclerosis means she can't keep up with her old case load alone, so she wants to hire Will to be her right-hand woman. In return, Will is to receive a salary, room and board, and training in Lillian's very particular art of investigation. Three years later, Will and Lillian are on the Collins case: Abigail Collins was found bludgeoned to death with a crystal ball following a big, boozy Halloween party at her home—her body slumped in the same chair where her steel magnate husband shot himself the year before. With rumors flying that Abigail was bumped off by the vengeful spirit of her husband (who else could have gotten inside the locked room?), the family has tasked the detectives with finding answers where the police have failed. But that's easier said than done in a case that involves messages from the dead, a seductive spiritualist, and Becca Collins—the beautiful daughter of the deceased, who Will quickly starts falling for. When Will and Becca's relationship dances beyond the professional, Will finds herself in dangerous territory, and discovers she may have become the murderer's next target.

Both/And Huma Abedin.2021-11-02 In this beautifully written and propulsive memoir, Huma Abedin—Hillary Clinton’s famously private top aide and longtime adviser—emerges from the wings of American political history to take command of her own story. The daughter of Indian and Pakistani intellectuals and advocates who split their time between Saudi Arabia, the UK, and the United States, Abedin grew up in many worlds. Both/And grapples with family, legacy, identity, faith, marriage, and motherhood with wisdom and sophistication. Abedin launched full steam into a college internship in the office of the first lady in 1996, never imagining that her work at the White House would blossom into a career in public service, nor that the career would become an all-consuming way of life. Still in her twenties and thirties, she thrived in rooms with diplomats and sovereigns, entrepreneurs and artists, philanthropists and activists, and witnessed many crucial moments in 21st-century American history—Camp David for urgent efforts at Middle East peace in the waning months of the Clinton administration, Ground Zero in the days after the 9/11 attacks, the inauguration of the first African American president of the United States, the convention floor when America nominated its first female presidential candidate. Abedin’s relationship with Clinton has seen both women through extraordinary personal and professional highs, as well as unimaginable lows. Here, for the first time, is a deeply personal account of Hillary Clinton as mentor, confidante, and role model. Abedin cuts through caricature, rumor, and misinformation to reveal a crystal-clear portrait of Clinton as a brilliant and caring leader a steadfast friend, generous, funny, hardworking, and dedicated. Both/And is a candid and heartbreaking chronicle of Abedin’s marriage to Anthony Weiner, what drew her to him, how much she wanted to believe in him, the devastation wrought by his betrayals—and their shared love for their son. It is also a timeless story of a young woman with aspirations and ideals coming into her own in high-pressure jobs, and a testament to the potential for women in leadership to blaze a path forward while supporting those who follow in their footsteps. Both/And describes Abedin’s journey through the opportunities and obstacles, the trials and triumphs, of a full and complex life. Abedin’s compassion and courage, her resilience and grace, her work ethic and mission are an inspiration to people of all ages. “This journey has led me through exhilarating milestones and devastating setbacks,” said Abedin. “I have walked both with great pride and in overwhelming shame. It is a life I am—more than anything—enormously grateful for and a story I look forward to sharing.”

Are you with me? Being a superhero sidekick isn't as fun as you think. You do all the work, beat the bad guys and save the planet, only for your grown-up partner to get all the credit. Junior Justice is sick of it, so he and his sidekick pals, Flygirl, Dinomite and Goo, have decided to form their own super team. But before they can start saving the world they'll have to prove to the adult heroes that they're more than just sidekicks. And once the evil Dr Enok discovers his favourite pet Goo has left him to join a super team, the world might need saving sooner rather than later!

In his absence, Ryan, Harley and Miles discover things about one another they never saw before, and realize there may be more tying them together than just Isaac. Sidekicks J. Torres.2003-11-02 Terry Highland isn't like other kids. Or is she? Sure, Terry is the daughter of an ex-

superhero sidekick and, yeah, she has powers of her own, too, but when you're a new student at a school like Shuster Academy that's hardly out of the ordinary! Terry has a pyromaniac firestarter in homeroom, a werewolf in Geometry, killer robots in gym—and that's just before lunch! Sounds like a superteen's dream come true, doesn't it? There's just one catch: In order to make the grade at this school, you can't use your powers. So when three new vigilantes burst on to the scene calling themselves “Biff,” “Bam,” and “Pow,” it has the whole student body buzzing and the administration on the lookout for the kids that would dare to break the Academy's most essential rule. Can Terry and her friends solve the mystery without getting caught in the middle? *SIDEKICKS* turns the superhero genre on its head, following powered kids who would rather start food fights than fist fights and are more worried about what to do on a Friday night than the next contrived evil plot.
