Kawaii Bento Boxes Joie Staff,2009 A bento box meal (single portions of different foods packed in one reusable container) is a Japanese tradition that lends itself well to today's busy lifestyle. Although bento boxes are available to take out from restaurants and food stands, they are most frequently prepared at home, very often by parents wishing to provide their children with delicious, healthy, fun--and environmentally-responsible--lunch and snack-time alternatives. *Kawaii Bento Boxes* offers dozens of recipes and menus. For each box, the authors include detailed instructions for cooking, seasoning, decorating and assembling the components as well as an icon indicating how long it will take to prepare. The meals are not just easy to make, they are tasty, nutritious and economical, with each portion carefully calculated so that there are no leftovers. There are also suggestions for the right container for each meal. Most of the ingredients used are familiar and available to American cooks. Here are whimsical creations like soccer balls and animal faces made from shaped rice, tulips cut from dyed hardboiled eggs, hearts and stars carved out of vegetables, and much more. Perfect for parents looking to liven up their children's school lunches or park snacks, or for busy people who want to fix a quick and cheerful meal to take to work, *Kawaii Bento Boxes* highlights the Japanese passion for making food a treat for the eyes as well as for the mouth. CONTENTS: ONIGIRI BENTO (16 variations including faces, soccer ball, animals, triangles, spheres) RICE BENTO (11 variations including bear, rabbit, ship, seasoned rice, teriyaki chicken over rice, etc.) SUSHI BENTO (12 variations) BREAD BENTO (12 variations including mini-sandwiches, rolls, etc.) NOODLE BENTO (9 variations including spaghetti, yakisoba

River Cottage Much More Veg Hugh Fearnley-Whittingstall, 2017-09-21 Hugh's River Cottage Veg Every Day! became the UK's best-selling vegetable cookbook, persuading us through sheer temptation to make vegetables the mainstay of our daily cooking. In this much-anticipated follow-up, Hugh delivers more irresistible recipes, and this time, takes things one step further. Fuelled by his passionate belief that plant foods should be the dominant force in our kitchens, Hugh has put cheese, butter, cream, eggs, and refined flour and sugar firmly to one side. Instead, he uses veg, fruit, wholegrains, nuts, seeds,

spices and cold-pressed oils to explore the length and breadth of what can be achieved with natural, unprocessed plant foods. River Cottage Much More Veg! makes it clear that unadulterated ingredients are the very best building blocks for delicious and healthy meals. In typical Hugh style, the recipes are easy, utterly foolproof and delicious. All but a handful are gluten-free, and at least half the dishes require 20 minutes (or less) hands-on work time. With recipes such as Roast squash and chickpeas with spicy apricot sauce, Blackened cauliflower with pecans and tahini, Spiced beetroot, radicchio and orange traybake, Celeriac and seaweed miso broth, Seared summer cabbage with rosemary, chilli and capers, and Baked celery agrodolce, River Cottage Much More Veg! demonstrates how easy it is to make versatile, plentiful and delicious vegetables the bedrock of your diet.

From Hobo Flats to the 5th Dimension LaMonte McLemore, Robert-Allan Arno, 2015-02-05 LaMonte McLemore, founder of vocal group legends The 5th Dimension, has been described as the music industry's bronze Clark Gable. The six-time Grammy award-winning visionary not only delivered The 5th's elegantly hip Champagne Soul as the quintet's smooth bass for over forty years, but is also known for his five decades with JET magazine, as the head-turning photographer for the enticing Beauty of the Week feature. LaMonte shares the secrets behind mega-hits like Up-Up and Away, Stoned Soul Picnic and Aquarius/Let The Sunshine In, anthems for a generation which uplifted our country during tumultuous times. He also goes deep for the fans and provides exclusive commentary on The 5th Dimension discography, spotlighting such favorites as Wedding Bell Blues, One Less Bell to Answer, A Love Like Ours, Love Hangover, Black Patch, plus albums like the iconic Magic Garden, the seminal Portrait, and the mysterious Earthbound. The journey to becoming one of the most popular singing groups of The Rock n' Roll era--one that crossed over racial, generational and record chart boundaries--came by way of Hobo Flats, where Mac and friends hung their resourceful hats and dreamed big. His Cherokee Grandma's feisty wisdom was a guiding force that weaves throughout the book, the catalyst for LaMonte's various trailblazing exploits. Mr. McLemore, who played baseball in the Dodgers Farm system, hits a home run presenting a memoir peppered with tasty anecdotes about countless celebrity colleagues from Frank Sinatra to Diana Ross, Ray Charles to Pharrell Williams. There's even a secret recipe! Mac's love of women is also explored, with sensitivity and a classy wink. The memoir's twelve chapters unfold authentically in LaMonte's voice; nobody presents a story like the well-known raconteur. Running the gamut from heartwarming slang to sophisticated savvy, the book's style easily reflects the celebrity's earliest humble roots yet wondrous trajectory to stardom on the world stage. With recommendations by Johnny Mathis, Nancy Sinatra, Neil Sedaka and Otis Williams of The Temptations, From Hobo Flats to The 5th Dimension is a literary work as told to Robert-Allan Arno, a New York-based media personality who is a trusted expert in all things 5th Dimension. The book contains an exhilarating 50-photo centerfold of rare and/or never-before-seen pictures from Mr. McLemore's personal collection, as well as a detailed album and singles Discography appendix of The 5th Dimension. An inspiring, historic tale of unbridled humor and touching pathos,

in *From Hobo Flats to The 5th Dimension: A Life Fulfilled in Baseball, Photography, and Music*, LaMonte McLemore doesn't quit until he makes you laugh...and think. *****Marilyn McCoo & Billy Davis, Jr. say, LaMonte's special brand of humor, which we've enjoyed through all the years we've known him, is truly on display in *FROM HOBO FLATS TO THE 5TH DIMENSION*. He has a way with storytelling, and we've particularly enjoyed re-living our successes and travels as seen through his eyes. But he also lets the reader in on his deeper thoughts...he always had definite opinions about what was happening. His co-author, Robert-Allan Arno, was the right person for this book. He knows LaMonte well. He has spent many years around all of us in *The Original 5th Dimension*, and has written articles and liner notes for the group's projects; he maintains a wonderful *FOREVER 5th DIMENSION* Blog. He and LaMonte spent years putting this project together. We found it to be a totally entertaining and informative read.
