**Extraits des préfaces de plusieurs éditions du N. T., d'après des versions catholiques, imprimées à Paris dans les années 1719, 1728, 1731, 1732 et 1735** ,1844

**The Art of the Lion King** Christopher Finch,1994-06-17 The lush array of artwork contained in this book shows the evolution of 'The lion king' including character development, animation, and final art. A poetic retelling of the story is woven throughout the visual gallery. The afterword focuses on both the inspirational sources, and the behind-the-scenes process.

**The Art and Making of The Lion King** Michael Goldman,2019-07-16 Stunning concept art, powerful behind-the-scenes photography, and fascinating interviews with the cast and crew pack *The Art and Making of The Lion King*, offering an inside perspective on how director Jon Favreau and his talented team used the most advanced virtual cinematography and computer graphics techniques to craft a film of both legend and hyperrealism. The story of *The Lion King* has entered the pantheon of cultural mythology, as has its iconic music. In revisiting this tale, the filmmaking team set off for an adventure of a lifetime: an expedition across the southern portion of Kenya in Africa. These seasoned filmmakers gathered reference photographs, scans, and other materials to apply to the digital moviemaking process and in turn were immersed in the nuances of the real environment. Once back at the studio, they utilized common filmmaking tools with state-of-the-art virtual reality (VR) technology and new, ultrafast rendering technologies to create a virtual production, a concept they pushed further than it had ever been before. *The Art and Making of The Lion King* documents this captivating journey and closes the circle with a discussion on a modern-day conservation program called the Lion Recovery Fund (LRF).

**Anybody Here Seen Frenchie?** Leslie Connor,2022-02-15 A big-hearted, beautiful, and funny novel told from multiple viewpoints about neurodiversity, friendship, and community from the award-winning author of *The Truth as Told by Mason Buttle*, Leslie Connor. Eleven-year-old Aurora Petrequin's best friend has never spoken a word to her. In fact, Frenchie Livernois doesn't talk. Aurora is bouncy, loud and impulsive—"a big old blurter." Making friends has never come easily. When Frenchie, who is autistic, silently chose Aurora as his person back in third grade, she chose him back. They make a good team, sharing their love of the natural world in coastal Maine. In the woods, Aurora and Frenchie encounter a piebald deer, a

rare creature with a coat like a patchwork quilt. Whenever it appears, Aurora feels compelled to follow. At school, Aurora looks out for Frenchie, who has been her classmate until this year. One morning, Frenchie doesn't make it to his classroom. Aurora feels she's to blame. The entire town begins to search, and everyone wonders: how is it possible that nobody has seen Frenchie? At the heart of this story is the friendship between hyper-talkative Aurora and nonvocal Frenchie. Conflict arises when Aurora is better able to expand her social abilities and finds new friends. When Frenchie goes missing, Aurora must figure out how to use her voice to help find him, and lift him up when he is found. Featuring a compelling mystery and a memorable voice, this is a natural next-read after Leslie Connor's *The Truth as Told by Mason Buttle*. \* Kids' Indie Next Pick \* New England Book Award Finalists 2022 \* "Leslie Connor brilliantly depicts a genuine and meaningful friendship between a dynamic girl and her nonvocal friend. By showing the ways Aurora and Frenchie communicate, Connor gives us a blueprint for seeing autistic children in a new light. I loved, loved, loved this book!" —Cammie McGovern, author of *Frankie and Amelia* and *Chester and Gus*

**Shine On, Luz Véliz!** Rebecca Balcarcel, 2022-05-03 A beautiful coming-of-age story for fans of *Front Desk* and *Merci Suárez Changes Gears*, this book celebrates identity, language, heritage, family, and the determination to follow one's own inner light. Have you ever been the best at something . . . only to lose it all? Luz Véliz is a soccer star—or rather, she was a soccer star. With her serious knee injury, it's unlikely she'll be back on the field anytime soon. But without soccer, who is she? Even her dad treats her differently now—like he doesn't know her or, worse, like he doesn't even like her. When Luz discovers she has a knack for coding, it feels like a lifeline to a better self. If she can just ace the May Showcase, she'll not only skip a level in her coding courses and impress Ms. Freeman and intriguing, brilliant Trevor—she'll have her parents cheering her on from the sidelines, just the way she likes it. But something—someone—is about to enter the Vélizes' life. And when Solana arrives, nothing will be the same, ever again. Unforgettable characters, family drama, and dauntless determination illuminate Luz's journey as she summons her inner strength and learns to accept others and embrace the enduring connection of family. Through it all, Luz's light is a constant—a guide for others, a path forward through the dark, and an ineffable celebration of her own eternal self. This is the second novel by Pure Belpré Honor winner Rebecca Balcárcel! **FAST-PACED FAMILY DRAMA:** Fast-paced, deeply felt, and with all the high highs and low lows of adolescence, this story is downright fun—a page-turner even while it's dealing with serious issues. **WHO AM I?** This book grapples with a topic so many young people deal with daily: one's relationship to heritage and culture. Luz confronts her ties to her home country, the place of her father's birth, and her family itself in a thoughtful, emotional journey filled with humor, urgency, and grace. **CODING IS COOL!:** Coding is a language many kids enjoy learning and are encouraged to master. The way this book frames coding and computer programming as an opportunity for communication, bonding, and building fun, practical skills will speak loudly to kids already interested in the field while also resonating with those who aren't. **AN ALL-AMERICAN**

**EXPERIENCE:** This is an important book for its thought-provoking, empathetic look at immigration in the United States and at how the threat of deportation informs the experiences of some of our country's most vulnerable communities. With lyrical prose, deeply felt characters, and a relatable story, *Shine On, Luz V&eacacute;liz!* adds substantively to our fraught discussion about immigration and opens it to young readers. **AUTHOR ON THE RISE:** Rebecca Balcárcel won the Pura Belpré Author Honor, which recognizes literature for children or youth that best portrays the Latino cultural experience, for her first book, *The Other Half of Happy*. She is a beloved presence in the children's literature community and is making her mark as a writer to watch. Perfect for: • Kids who love reading about family and friend drama • Kids who love coding • Parents • Grandparents • Educators • Fans of Meg Medina, Rebecca Stead, and Kelly Yang

*Recovering Our Sanity* Michael Horton, 2022-02-15 How cultivating a healthy fear of God liberates us from our fear of others, our fear of the future, and even our fear of death itself. At times the world feels like it's losing its mind. From politics to the pandemic, we live with an ever-increasing uncertainty, and many of us have grown to fear the rapid disintegration of our society and our own lives. *Recovering Our Sanity* is not another self-help book about how to beat your daily fears for a better life. It's a book that will show you the gravity and glory of a God who's worthy of our fear. It's a book that will reveal how these two biblical phrases—Fear God and Do Not Be Afraid—are not contradictory but actually one coherent message. Michael Horton—Professor of Theology and Apologetics at Westminster Seminary—shows us that we cannot fight our fears by seeking the absence of fear altogether, but by living with a fear of God that drives out the fear of everything else. Horton will walk you through the case for the fear of God by: Developing what it means to fear God, biblically and theologically, and what this kind of fear looks like in practice. Categorizing different types of fears—from cultural anxiety to pain and hardship—and what they stem from. Focusing on how to confront our earthly fears with our hope in Christ, rooted in the gospel. Reminding us that God does not exist for us; we exist for God. Humbling, thought-provoking, and hope-igniting, *Recovering Our Sanity* delivers a timely message that will help you shift your focus from a human-centered obsession with self-preservation to a fixation on Christ and his salvation. Rather than clinging to false securities and promises of immediate gratification, you can gain the lasting joy of knowing the One who has given himself to save us and who says to us, Do not be afraid.
