XIII Mystery - Volume 13 - Judith Warner O. GRENSON.2022-03-17T00:00:00+01:00 Judith Warner. Once the pharmacist in Green Falls, where XIII spent part of his childhood. Once his ally, and his lover of one night. The beautiful, independent Judith, having had her life turned upside down by hurricane Jason McLane like so many others, left for California and a new, quiet, routine existence. Until the day a woman she's never met before rings her door, and everything is thrown into chaos once more as the past resurfaces ...

Estimating Market Value and Establishing Market Rent at Small Airports Aviation Management Consulting Group, Inc,Aeroplex Group Partners,Decker Associates,DKMG Consulting,Hangar Network.2020 Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development.--Foreword.

The Rejection of Consequentialism Samuel Scheffler.1994-08-11 In contemporary philosophy, substantive moral theories are typically classified as either consequentialist or deontological. Standard consequentialist theories insist, roughly, that agents must always act so as to produce the best available outcomes overall. Standard deontological theories, by contrast, maintain that there are some circumstances where one is permitted but not required to produce the best overall results, and still other circumstances in which one is positively forbidden to do so. Classical utilitarianism is the most familiar consequentialist view, but it is widely regarded as an inadequate account of morality. Although Professor Scheffler agrees with this assessment, he also believes that consequentialism seems initially plausible, and that there is a persistent air of paradox surrounding typical deontological views. In this book, therefore, he undertakes to reconsider the rejection of consequentialism. He argues that it is possible to provide a rationale for the view that agents need not always produce the

best possible overall outcomes, and this motivates one departure from consequentialism; but he shows that it is surprisingly difficult to provide a satisfactory rationale for the view that there are times when agents must not produce the best possible overall outcomes. He goes on to argue for a hitherto neglected type of moral conception, according to which agents are always permitted, but not always required, to produce the best outcomes.

Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

"Borrowed Plumage" Eugene Chen Eoyang.2003 This eclectic collection of essays focuses on a number of intriguing issues in translation: some of these polemic essays challenge certain widespread beliefs and practices: for example, the belief that humor is untranslatable; the assumption that translations are always inferior to the originals; the spread of translations that are more impenetrable to the target audience than the originals ever were to the source language audience; above all, the notion that translation is a marginal rather than a major area of study: indeed, as one essay suggests, translation may represent a model of thought, and translating a mode of thinking. These essays also consider the international trade in translations, the ratio of translations out of the language and of translations into the language, as a possible index to historical development; analyze the humor that can be translated as well as the humor that cannot be translated; uncover the implicit indicators of time and place in traditional Chinese poetry (offering thereby a study in comparative deictics); examine the hermeneutics of Old Testament exegeses, which -- unlike the modern world -- privileged the oral over the written word; discuss the subtle but definable differences between translations that appropriate previous versions by way of allusion and quotation, and translations that merely plagiarize. In the final section, entitled *Divertissements*, Eugene Eoyang provides an exposition of his translation of a poem, first published in the *People's Daily* (and since banned), that contained a hidden -- and decidedly hostile -- acrostic, in which the challenge was not only to convey the original meaning but also to preserve the disguise of the original meaning in the Chinese text. (The translation appeared in *The New York Times*.) He also offers a wry typology of translators, comparing them -- metaphorically and paronomastically -- to different species of birds; in a concluding coda, he excavates the place-names in bicultural and multilingual Hong Kong, uncovering not only translations

and transliterations, but also heteronyms (different names for the same place) as well as, remarkably, phononyms (names where the pronunciation of a word in one language happens to coincide with a word in another language with the same meaning). The result is a provocative potpourri of fascinating insights into the cultural and semiotic complexities of translation that will surely interest students of translation, literature, linguistics, and history, as well as the informed general reader.

Rebel Music Hisham Aidi.2014-12-02 In this pioneering study, Hisham Aidi—an expert on globalization and social movements—takes us into the musical subcultures that have emerged among Muslim youth worldwide over the last decade. He shows how music—primarily hip-hop, but also rock, reggae, Gnawa and Andalusian—has come to express a shared Muslim consciousness in face of War on Terror policies. This remarkable phenomenon extends from the banlieues of Paris to the favelas of Rio de Janeiro, from the park jams of the South Bronx to the Sufi rock bands of Pakistan. The United States and other Western governments have even tapped into these trends, using hip hop and Sufi music to de-radicalize Muslim youth abroad. Aidi situates these developments in a broader historical context, tracing longstanding connections between Islam and African-American music. Thoroughly researched, beautifully written, *Rebel Music* takes the pulse of a revolutionary soundtrack that spans the globe.

Guy Laliberté Ian Halperin.2009 Laliberte means freedom in French, but Laliberte gives freedom new meaning. This title takes you inside Laliberte's world, followed by over-the-top partying by night. It lets you experience relentless drive of this visionary, his passion for life, the Cirque, and women.

Achtung-Panzer! Heinz Guderian.1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Moderato Cantabile Marguerite Duras.1960

Hollywood Highbrow Shyon Baumann.2018-06-05 Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few

Americans would have thought to call an American movie art. Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

Ulysses and Us Declan Kiberd.2010 Offering an audacious new take on Joyce's classic modern novel *Ulysses*, Kiberd argues the novel is not an esoteric tome for the scholarly few but rather a work written both about and for the common person, and explains how it can teach readers to live better lives.

Modernism and the Ordinary Liesl Olson.2014-04-03 This study overturns conventional accounts of the modernist period as primarily drawn toward the new, the transcendent, and the extraordinary. Liesl Olson shows how modernist writers were preoccupied, instead, with the unselfconscious actions of everyday life, even in times of political crisis and war.

Narratives Unfolding Martha Langford.2017-07-18 Somewhere between global and local, the nation still lingers as a concept. National art histories continue to be written - some for the first time - while innovative methods and practices redraw the boundaries of these imagined communities. *Narratives Unfolding* considers the mobility of ideas, transnationalism, and entangled histories in essays that define new ways to see national art in ever-changing nations. Examining works that were designed to reclaim or rethink issues of territory and dispossession, home and exile, contributors to this volume demonstrate that the writing of national art histories is a vital project for intergenerational exchange of knowledge and its visual formations. Essays showcase revealing moments of modern and contemporary art history in Canada, Egypt, Iceland, India, Ireland, Israel/Palestine, Romania, Scotland, Turkey, and the United Arab Emirates, paying particular attention to the agency of institutions such as archives, art galleries, milestone exhibitions, and artist retreats. Old and emergent art cities, including Cairo, Dubai, New York, and Vancouver, are also examined in light of avant-gardism, cosmopolitanism, and migration. *Narratives Unfolding* is both a survey of current art historical approaches and their connection to the source: art-making and art experience happening somewhere.

Moments of Grace Laurie Blefeld.2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear,

connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure.-Gunilla Norris, author of *Sheltered in the Heart* and *Companions on the Way: A Little Book of Heart-full Practices* Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. *Moments of Grace* is luminous, warm, comforting and filled with such good practices.- Dr. Joan Borysenko, from the Foreword

The History of Sexuality Michel Foucault.1990-04-14 Why we are so fascinated with sex and sexuality—from the preeminent philosopher of the 20th century. Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex, and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is.

Kumba Africa Sampson Ejike Odum.2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs.

Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

Lost Intimacies William J. Spurlin.2009 *Lost Intimacies: Rethinking Homosexuality under National Socialism* uses queer theory as a hermeneutic tool with which to read against the grain of heterotextual narratives of the Holocaust and as a way of locating alternative pathways of meaning in dominant Holocaust research. Specifically addressing the racialization of sexuality, the book asks how the politics of sexuality can be more explicitly and systematically theorized, along with state-sanctioned homophobia under Nazism, with a clear recognition that homophobia seldom operated alone, but worked in conjunction with other axes of power, including race, gender, eugenics, and population politics. In theorizing gender and sexuality as entangled axes of analysis, the book allows the specificity of lesbian difference to emerge and challenges the received wisdom that lesbians were not as systematically persecuted under National Socialism. William J. Spurlin questions the wisdom of received scholarship that reduces Nazi fascism to latent homosexuality, and examines the possible implications of Nazi homophobia, and its imbrication with other deployments of power, for the study of contemporary culture where the homophobic impulse continues to reverberate, thereby challenging understandings of history steeped in notions of progressive modernity.

Cuisinier Gascon Pascal Aussignac.2009-10-23 On moving to Britain in the late 1990's Pascal opened up his award winning restaurant Club Gascon in London's Smithfield Market. Rapidly acquiring a Michelin star, Club Gascon fast became the place to go to experience some of the best French food in the country - the food of his native South West of France, the very heart of the country's cuisine. Over 100 traditional recipes, some with modern twists and inflections, sit within a sumptuously designed and beautifully photographed book. Unashamedly sensuous food photography is accompanied by evocative images of Gascony, it's food and people, from fellow Frenchman Jean Cazals. Cuisinier Gascon is a food lover's delight and a cook's heaven - a worthy testament to the talents of both Pascal Aussignac and his native land of Gascony. 2009 World Gourmand Award: 'Best French Cookbook in UK' 2010 World Gourmand Award: 'Second Best French Cookbook in the World' Prix La Mazille 2010 First Prize in Perigueux (France) at The International Book Fair

Stepbrother Broken Colleen Masters.2015-08-29 Only Lukas Hawthorne could simultaneously break my spirit, crush my dreams...and make me dripping wet.He's a legend on campus-a star athlete with records that'll never be broken. I always see him on campus walking around with some new hot piece of ass, and I dream about what it would be like to be the one on his arm...It's totally unfair to have such an effortlessly handsome grad student as my TA. Who knew economic theory could be so sexy? Problem is, I've been so distracted by him all semester that now I'm failing his course, and I need pass if I hope to graduate on time. He wants to meet with me after class, to discuss how I can make up my grade this summer...extra assignments, private lessons...whatever it takes. But when a disgusting realization is made-our student-teacher sex sessions are permanently interrupted.Our parents are engaged. They're madly in love and can't wait to make me, Lukas, and all of our siblings one big happy family. To make matters worse, we have to endure a family vacation at his father's lake house. Together. A million miles away from everything.Thing is, the more inappropriate my desire is for him, the more intensely it burns...and he isn't shy about meeting me halfway.According to him, we're going to defile every room and every surface of his father's house before we go back to school.Challenge accepted.
