My Dark Amazon I. T. Lucas,2017-07-03 I was so surprised and happy to see this novella come out! I am a huge fan of The Children of the Gods books, and this was a great addition to that series. it was great to see more of Kri and Michael. They have a different dynamic and relationship than some of the other characters in the book, so it was nice to get to watch their relationship evolve in this book. If you are a fan of the series, you should DEFINITELY get this book, you will be happy you did, I highly recommend it. I'm dying to read the next book in the series (Dark Warrior's Destiny)!! I hope the series continues for a while to come. :) Kri and Michael get their story told in this romantic novella from the Children of the Gods series. Ms. Lucas weaves a beautiful story about these young lovers and their struggle to express what has always been in their hearts. Advice comes from both likely and unlikely sources and in the end, resolves beautifully. I still have a smile on my face.) Excellent story, I stumbled upon this series and now I can't seem to put them down!! Love the story and the characters and I've already finished all of the books!! Eeeek!! Can't wait for the next story and am looking forward to following all of the characters =) Thanks for your inventive imagination with creating a story line that seems so real. When Michael and Kri fight off a gang of humans, Michael gets stabbed. The injury to his immortal body recovers fast, but the one to his ego takes longer, putting a strain on his relationship with Kri.

The Children of the Gods Series Books 20-22 I T Lucas,2020-12-22 Dark Survivor Trilogy Includes: Dark Survivor Awakened □ Dark Survivor Echoes of Love □ Dark Survivor Reunited This is THE BEST Paranormal Romance series! I have been a huge paranormal romance fan for decades. I found The Children of the Gods series a few years ago and binged the books in no time. I also eagerly await every new book! (IT Lucas is quite prolific and the speed of her publications is amazing!)... I love how she interweaves the stories of many different characters. I also love that she makes each couple's story unique -- not cookie cutter! Additionally she does a fantastic job of creating great short term and long term plot lines. This particular new character in this new book is fantastic, and I love that we finally get to know Anandur better! The characterizations are great, and plot lines interesting. I love knowing what's going on in the lives of the people in this universe and can't wait to see how things unfold! Bravo! Dark Survivor Awakened This was a strange new world she had awakened to. Her memory loss must have been catastrophic because almost nothing was familiar. The language was foreign to her, with only a few words bearing some similarity to the language she thought in. Still, a full moon cycle had passed since her awakening, and little by little she was gaining basic understanding of it--only a few words and phrases, but she was learning more each day. A week or so ago, a little girl on the street had tugged on her mother's sleeve and pointed at her. Look, Mama, Wonder Woman! The mother smiled apologetically, saying something in the language these people spoke, then scurried away with the child looking behind her shoulder and grinning. When it happened again with another child on the same day, it was settled. Wonder Woman must have been the name of someone important in this strange world she had awoken to, and since both times it had been said with a smile it must have been a good one. Wonder had a nice ring to it. She just wished she knew what it meant. Dark Survivor Echoes of Love Wonder's journey continues in Dark Survivor Echoes of Love. Dark Survivor Reunited The exciting finale of Wonder and Anandur's story.
