*Wild Man Creek* Robyn Carr,2011-01-25 Colin Riordan came to Virgin River to recuperate from a horrific helicopter crash, the scars of which he bears inside and out. His family is wonderfully supportive, but it's his art that truly soothes his troubled soul. Stung personally and professionally by an ill-advised affair, PR guru Jillian Matlock has rented an old Victorian with a promising garden in Virgin River. Wanderer in 19th-century German Literature Andrew Cusack,2008 Using a method based on New Historicism, but with added emphasis on literature as cultural commentary, Andrew Cusack's study traces the motif's intertextual connections, how it receives meaning from non-literary discourses, and how it transmits meaning into the social sphere by molding individual and collective self-conceptions. The study draws on a corpus of ten prose narratives that reflect the vast scope of the motif and show how its function changes. The study pays scrupulous attention to the historical specificity of each work and to its relationship to contemporary aesthetic and philosophical currents, revealing the wanderer motif to be a significant vehicle of cultural memory that sustained the ideas of the Enlightenment and of Romanticism into the latter part of the century.--BOOK JACKET.
