The American Yawp Joseph L. Locke, Ben Wright. 2019-01-22 I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world.—Walt Whitman, Song of Myself, Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

The American Home .1937-12

The Slingerland Book Rob Cook. 2004-04-01 (Book). Slingerland is one of the greatest drum companies of all-time. Rob Cook has lovingly compiled the Slingerland story, with detailed chapters on the family, the Boston background, the company through the decades, Slingerland endorsees and personnel, the Gretsch/HSS era, Gibson's acquisition, and much more. The book features a detailed dating guide, classic ads and catalog pages, and lots of stunning full-color and B&W photos throughout.

Pearl Harbor Homer N. Wallin.2001-09 Pearl Harbor will long stand out in mens minds as an example of the results of basic unpreparedness of a peace loving nation, of highly efficient treacherous surprise attack and of the resulting unification of America into a single tidal wave of purpose to victory. Therefore, all will be interested in this unique narrative by Admiral Wallin. The Navy has long needed a succinct account of the salvage operations at Pearl Harbor that miraculously resurrected what appeared to be a forever shattered fleet. Admiral Wallin agreed to undertake the job. He was exactly the right man for it _ in talent, in perception, and in experience. He had served intimately with Admiral Nimitz and with Admiral Halsey in the South Pacific, has commanded three different Navy Yards, and was a highly successful Chief of the Bureau of Ships. On 7 December 1941 the then Captain Wallin was serving at Pearl Harbor. He witnessed the events of that shattering and unifying Day of Infamy. His mind began to race at high speeds at once on the problems and means of getting the broken fleet back into service for its giant task. Unless the United States regained control of the sea, even greater disaster loomed. Without victory at sea, tyranny soon would surely rule all Asia and Europe. In a matter of time it would surely rule the Americas.

Captain Wallin salvaged most of the broken Pearl Harbor fleet that went on to figure prominently in the United States Navys victory. So the account he masterfully tells covers what he masterfully accomplished. The United States owes him an unpayable debt for this high service among many others in his long career.

Spearhead of Logistics Benjamin King, Richard C. Biggs. 2016-02-25 Spearhead of Logistics is a narrative branch history of the U.S. Army's Transportation Corps, first published in 1994 for transportation personnel and reprinted in 2001 for the larger Army community. The Quartermaster Department coordinated transportation support for the Army until World War I revealed the need for a dedicated corps of specialists. The newly established Transportation Corps, however, lasted for only a few years. Its significant utility for coordinating military transportation became again transparent during World War II, and it was resurrected in mid-1942 to meet the unparalleled logistical demands of fighting in distant theaters. Finally becoming a permanent branch in 1950, the Transportation Corps continued to demonstrate its capability of rapidly supporting U.S. Army operations in global theaters over the next fifty years. With useful lessons of high-quality support that validate the necessity of adequate transportation in a viable national defense posture, it is an important resource for those now involved in military transportation and movement for ongoing expeditionary operations. This text should be useful to both officers and noncommissioned officers who can take examples from the past and apply the successful principles to future operations, thus ensuring a continuing legacy of Transportation excellence within Army operations. Additionally, military science students and military historians may be interested in this volume.

Jeune fille modèle Grace Ly. 2018-10-17 Chi Chi est une jeune fille comme les autres. Sauf qu'elle ne ressemble pas du tout aux posters des magazines. Et que le principal du Lycée écorche son nom quand il fait l'appel. Chi Chi aurait préféré s'appeler Marie, Isabelle ou Sophie. D'ailleurs, Ama dit qu'elle est une « banane » : jaune à l'extérieur et blanche à l'intérieur. Chi Chi a grandi dans le Treizième qu'elle arpente chaque soir pour livrer les plats du restaurant familial L'Extrême-Orient. Elle a l'impression de vivre dans un cliché, parle mal sa langue maternelle, et l'Asie lui semble une terre exotique, même si elle est rompue aux traditions du Nouvel An Lunaire. Quand Ama lui dit : « Nous sommes des Chinois du Cambodge », elle ne trouve pas la région correspondante sur la mappemonde, ni son histoire tragique dans ses livres scolaires. Premier roman qui donne la parole à une enfant de la seconde génération des Asiatiques de France, sur laquelle plane l'ombre d'exils douloureux, *Jeune fille modèle* met en scène la palette d'expériences liées à la double culture. Grace Ly vit à Paris. *Jeune fille modèle* est son premier roman.

The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II.2008-11-25 From every “beautiful mornin’” to “some enchanted evening,” the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as Rose-Marie (music by Rudolf Friml), The Desert Song (Sigmund Romberg), The New Moon (Romberg) and Song of the Flame (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including Sweet Adeline, Music in the Air, and their masterpiece, Show Boat. The vibrant Carmen Jones was Hammerstein’s all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, Oklahoma!, merged the two styles into a completely new genre—the musical play—and simultaneously launched the

most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. “I know the world is filled with troubles and many injustices,” he once said. “But reality is as beautiful as it is ugly . . . I just couldn’t write anything without hope in it.” All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe’s earliest attempts to the old master’s final lyric—“Edelweiss”—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.
