

The Heart Of A Hummingbird

Senyo Adjibolosoo,Jason Jenkins

The Heart of a Hummingbird Senyo Adjibolosoo,Jason Jenkins,2018-01-18 A Ghanaian folktale comes to life about a hummingbird whose courage inspires the animals of the African Savanna to work together to save their land.The Heart of a Hummingbird teaches children and adults alike what it means to have courage in the face of overwhelming adversity, of standing up for what you believe even when no one listens.

Heart of the Hummingbird Mary L. Montalvo,2013-10 Mary L. Montalvo's Heart of the Hummingbird opens a soul that endured the depths of depression and conquered adversities when all rays of hope faded into dark shadows. The poems in this collection reflect the cruel and inhumane treatment that Montalvo suffered in several mental institutions. Her professional and personal lives were abruptly turned upside down when mental illness struck. But by the grace of God, she returned to her faith, family, and friends and was brought back to a new life. Moving through this stirring work, readers will soar through the heights and explore emotions of the abyss. Each of us lives the life that is our own whether we like it or not, whether we crave it or curse it, and Montalvo recounts the most painful parts of the journey by using poetry as a necessary shelter. Heart of the Hummingbird evokes strife, tribulation, happiness, and sadness; Montalvo's soul flutters as it is imbued in each of these poems, like the heart of the hummingbird.

A Changing of the Heart K. A. Radish,2020-09-30 TWO BIRDS caught in the troublesome winds of winter learn lessons of life that forever change them and the birds who witness their courage, strength, sacrifice, and love. A beautiful Hummingbird bruised by a lost love, and the jealous eyes of his brother and sister birds, gets trapped in the high early winter winds. When he falls from the sky he is certain he will die alone, far from his family, and the life he so loved. But a kind-hearted Goose who has spent his life ignoring the call from his own heart to help other birds finally discovers the courage he needs to do what is right. The Hummingbird and the Goose both realize that the world is full of miracles if only you can open your heart, embrace kindness, and live the truth that is in your own heart. A Changing of the Heart is a reaffirming and heartwarming tale that offers lessons of hope, healing, and happiness for readers of all ages.

Hummingbird Heart Travis Dandro,2022-05-31 Still reeling from the death by suicide of his drug-addicted father, Travis moves in with his grandmother to become her caretaker as she battles cancer. Meanwhile, he tries to live a typical teen life of pulling pranks, occasional shoplifting, dating, and endless drives through the twisting backroads of Central Massachusetts

with Nirvana's Nevermind as the soundtrack. When the police intervene after a prank backfires, the boys realize that their time as children is rapidly disappearing and they may never fully understand each other as they move apart. After his Lynd Ward Prize-winning graphic novel, *King of King Court*, explored the power that parents hold over their children's emotional lives, Travis Dandro employs his signature dream imagery and crass humor to tell the story of teenage independence and resilience as he prepares to head off to art school. *Hummingbird Heart* is a detailed and stylish account of a time of great uncertainty. Dandro's densely crafted pages create a deeply emotional experience as his story swings from character confrontation to finely wrought domestic detail—a slapstick cafeteria-destroying brawl gives way to the beautifully rendered flight of the impossible hummingbird.

The Hummingbird Heart Anita G. Howard, 2017-07-24 A man seeking to change, a lady desperate to stay the same . . . as they cross the Atlantic, pent up passions crash over them like the ocean's waves. But will the ghosts of her past end their lives before love can begin?

Hummingbird Heart Robin Stevenson, 2012-04-01 Sixteen-year-old Dylan has never met her father. She knows that her parents were just teenagers themselves when she was born, but her mother doesn't like to talk about the past, and her father, Mark, has never responded to Dylan's attempts to contact him. As far as Dylan is concerned, her family is made up of her mother, Amanda; her recently adopted younger sister, Karma; and maybe even her best friend, Toni. And then, out of the blue, a phone call: Mark will be in town for a few days and he wants to meet her. Amanda is clearly upset, but Dylan can't help being excited at the possibility of finally getting to know her father. But when she finds out why he has come—and what he wants from her—the answers fill her with still more questions. What makes someone family? And why has her mother been lying to her all these years?

Hummingbird Heart Petra Love, Keith Overstreet, 2019-01-15 *Hummingbird Heart* is a vibrating, pulsating collection of original poems, prose, fairy tales, and artwork. This book is a dancing, winged, iridescent celebration of the unique qualities of the hummingbirds, who have many gifts and lessons for humans. This book, *Hummingbird Heart*, is for all the Hummingbirds of the Planet Earth. It is for the little brightly feathered ones that sometimes come to our gardens to quietly converse with flowers. For them, yes, because they are very special Beings. This book is also for all the unseen treasures that lie within you. Those you already know about and the treasures that are still waiting inside you, waiting to be set free. It is for the Hummingbird that IS our human Soul - the Hummingbird Heart within. Every Hummingbird moment lingers, hovers weightless in our consciousness. Even a brief encounter with these Sacred ones is enough to change you forever. Long after they have zoomed away, we are left with little hummingbird blessings: lightness, weightlessness, vision, strength, color, creativity, intuition, clarity, and stamina. They always leave us with a fluttering, rapid heart rate. This is quite fitting, since we know that the hummingbird heart beats at 1,200 beats per minute compared to the human heart rate of 60 - 100 per

minute! This book is our affirmation that in order to synchronize with your Hummingbird Heart, your human heart is going to get a good workout! This book is for all the people in the world who share with us, an intuitive knowing: Often the smallest thing is the most significant and important thing of all. We live in a more is more cultural mentality. The very unbalanced and biased basis of Euro-American culture is to be as big, powerful, dominant, and competitive as you can possibly be. For that reason, it is not surprising that the eagle (among the largest of birds) has been a prominent symbol of both the United States and Germany - the home countries of the authors. We often wonder how all our collective consciousness might evolve in a gentler way; if for example, the hummingbird was our national symbol! This book reflects our own soul hummingbird migration. We've seen this truth over and over: no matter where you are or what your circumstances are currently, the Hummingbird Heart will guide you beyond the season of soul's winter to a warmer refuge. It is our desire to connect with all the special souls out there who, like the hummingbird, never have felt very good at walking on the ground. Apparently, the hummingbird has specifically and consciously evolved on the planet for one reason: flight. We like to think of the hummingbird as Jesus did about the Light Child that is inside us all: The least among you shall be the greatest. This Truth is perhaps one of the greatest gifts of the Hummingbird Heart. To learn to SEE the smallest person, resource, event, and experience as the gateway to the greatest Unity with Divine and with all creation and all Beings. Hummingbird Heart is a quiet place of abiding in our own Soul Source. It is the field of endless Cosmic flowers silently inviting our hummingbird to come and taste the sweet nectar of healing Light. We're inviting you, too. These poems, stories, artwork, and prose in this book is a reflection of our intimate connection with the Hummingbird Heart. We're taking you along on a little portion of the migration journey of the Soul - as seen through various eyes and perception. So simple that only a child could see, feel, and know it. So little that the human eye continually overlooks it. Ah, but the heart sees in a different way from the eyes and the intellect. Through the eternal portal of the Heart, the Hummingbird comes flying silently into our consciousness. Everything changes. Every Hummingbird moment lingers, hovers weightlessly in our consciousness. ~ Keith Overstreet & Petra Love

The Hummingbird That Answered My Heart's Calling Noelle M. Meade-Izzi, 2013-04-30 "Her eyes were soulful, like little black pearls that perceived beyond mortal vision...Artemis showed up in my life to share a part of her world, this seemed clear. But why? Was there some deeper insight into my own life that she was willing to impart?" Within each of us is the capacity to connect with the Universe, with Nature, and with our Higher Self. This magical journey begins with two of the tiniest birds known to man and one observer willingness to quite the mind and simply pay attention. Through the eyes of nature, one is made privy to the profound goodness that pervades all that exists and co-exists. This book will open your eyes to seeing the EXTRAORDINARY within the ORDINARY and open your heart to new ways of appreciating the oh-so-omnipresent Universe that surrounds and binds all that we are.

A Hummingbird in My House Arnette Heidcamp, 1990 An account of Squeak, a young ruby-throated hummingbird,

chronicles the bird's rescue, its daily activities and behavior, its growth to maturity in the author's indoor garden, and its eventual release back into the wild.

Stand Still Like the Hummingbird Henry Miller, 1962 One of Henry Miller's most luminous statements of his personal philosophy of life, *Stand Still Like the Hummingbird*, provides a symbolic title for this collection of stories and essays. Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print. Miller's genius for comedy is at its best in *Money and How It Gets That Way*--a tongue-in-cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money. His deep concern for the role of the artist in society appears in *An Open Letter to All and Sundry*, and in *The Angel is My Watermark* he writes of his own passionate love affair with painting. *The Immorality of Morality* is an eloquent discussion of censorship. Some of the stories, such as *First Love*, are autobiographical, and there are portraits of friends, such as *Patchen: Man of Anger and Light*, and essays on other writers such as Walt Whitman, Thoreau, Sherwood Anderson and Ionesco. Taken together, these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with *Tropic of Cancer* and other great books.

My heart, a hummingbird. Life is a Story - story.one LunaLight, 2023-09-22 This isn't just a small collection of poems - this is a story about a girl coming of age, struggling with her mental health, struggling to find her place in this world. This is a book about heartbreak and love, pain and joy, grief and healing - and about finding hope after all.

Hummingbird Natalie Lloyd, 2022-08-02 A Schneider Family Book Award Honor Book From the bestselling author of *A Snicker of Magic* comes a heartfelt story about a girl who -- armed with her trusty, snazzy wheelchair -- refuses to let her brittle bone disease stand in the way of adventure Twelve-year-old homeschooled Olive is tired of being seen as fragile just because she has osteogenesis imperfecta (otherwise known as brittle bone disease) so she's thrilled when she finally convinces her parents to let her attend Macklemore Elementary. Olive can't wait to go to a traditional school and make the friends she's always longed for, until a disastrous first day dashes her hopes of ever fitting in. Then Olive hears whispers about a magical, wish-granting hummingbird that supposedly lives near Macklemore. It'll be the solution to all her problems! If she can find the bird and prove herself worthy, the creature will make her most desperate, secret wish come true. When it becomes clear that she can't solve the mystery on her own, Olive teams up with some unlikely allies who help her learn the truth about the bird. And on the way, she just might learn that our fragile places lead us to the most wonderful magic of all...

Hummingbird Kimberly Greene Angle, 2008-05-27 Twelve-year-old March Anne Tanner's life is tied to the simple rhythms and cycles of the watermelon farm in Jubilee, Georgia, that she has grown up on. Thanks to Grenna, her grandmother and surrogate mother, March Anne has learned everything she needs to know about seeds, vine pruning, and

harvesting melons and pumpkins. And although Grenna has tried to teach March Anne about her ancestors, March Anne has always been uncomfortable with the family name she's been given and doesn't like. And so, in secret meetings deep in the woods, March Anne and her two best friends form the Pseudonymphs, whose names change with the seasons. When Grenna suffers a heart attack, March Anne must face an uncertain future and confront her past. In the middle of it all, a ruby-throated hummingbird decides to winter at the Tanners' and becomes a source of delight and inspiration as March Anne prepares for Grenna's passing and journeys toward self-acceptance. This sweet and tangy debut introduces a memorable cast of characters who come to learn that grace can abide within and beyond the realities of pain and loss.

The Hummingbird Theory Morgan Sinclair, 2005-01-20 The Hummingbird Theory is a journey into the heart of the Cumberland Mountains in a region of Virginia known to the world as Appalachia. The enormous natural beauty of the Cumberlands is woven into each venue throughout The Hummingbird Theory; however, it is the colorful cast of characters that give glimpses into the cultural diversity of this unique region. The characters bring to life the close-knit mountain communities that share pride in their heritage, and they provide a look into the fascinating history of an area that once thrived because of rich deposits of coal. The Hummingbird Theory is much more than a story of life in a small mountain town, it is a story about the choices we make in life and the paths those choices set us on. It explores the spiritual nature of our human experience and the spiritual energy that defines who we are. As the story weaves its way through the small mountain community of Crayton's Crossing, there are mysteries to be solved and messages to be gleaned from the lives of the unlikely band of homegrown characters. One such message is for those living life according to The Hummingbird Theory.

King of King Court Travis Dandro, 2020-08-28 A dynamic and devastating memoir about the cycle of trauma caused by addiction within one family From a child's-eye view, Travis Dandro recounts growing up with a drug-addicted birth father, alcoholic step-dad, and overwhelmed mother. As a kid, Dandro would temper the everyday tension with flights of fancy, finding refuge in toys and animals and insects rather than in the unpredictable adults around him. He perceptively details the effects of poverty and addiction on a family while maintaining a child's innocence for as long as he can. King of King Court spans from Travis's early childhood through his teen years, focusing not only on the obviously abusive actions but also on the daily slights and snubs that further strain relations between him and his parents. Alongside his birth father committing crimes and shooting up, King of King Court lingers on scenes of him criticizing Travis and his siblings. Dandro gives equal heft to these anecdotes, emphasizing how damaging even relatively slight traumas can be to a child's worldview. As Travis matures into young adulthood and begins to understand the forces shaping his father's toxic behaviors, the story becomes even more nuanced. Travis is empathetic to his father's own tragic history but unable to escape the cycle of misconduct and

reprisals. *King of King Court* is a revelatory autobiography that examines trauma, addiction, and familial relations in a unique and sensitive way.

Flight of the Hummingbird Michael Nicoll Yahgulanaas, 2012-01-06 Hummingbirds have long been a symbol of wisdom and courage. In this charming story, a hummingbird makes a valiant effort to put out a raging fire that threatens her forest home — trip after trip, her beak is filled each time with just a drop of water. Her efforts show her woodland companions that doing something — anything — is better than doing nothing at all. The hummingbird parable, which originates with the Quechuan people of South America, has become a talisman for environmentalists and activists worldwide committed to making meaningful change. This retelling, enlivened by Michael Nicoll Yahgulanaas' fabulous Haida-manga illustrations, is suitable for all ages of would-be activists. Although environmental responsibility often seems like an overwhelming task, *The Flight of the Hummingbird* shows how easy it is to start and how great the effect could be if everyone just did what they could.

The Theory of Hummingbirds Michelle Kadarusman, 2017-09-25 Hummingbirds and angels don't need two good feet. They have wings. That's what Alba's mother always says. Of course, Alba doesn't have wings or two good feet: she has Cleo. Cleo is the name Alba has given to her left foot, which was born twisted in the wrong direction. When she points this out, though, her mother just smiles like the world has some surprise in store Alba doesn't know about yet. Well, Alba has her own surprise planned. After one final surgery and one final cast, Cleo is almost ready to meet the world straight on--just in time to run in the sixth grade cross-country race. Unfortunately, Alba's best friend Levi thinks there's no way she can pull it off. And she thinks there's no way he's right about the school librarian hiding a wormhole in her office. Tempers flare. Sharp words fly faster than hummingbirds. And soon it looks like both friends will be stuck proving their theories on their own.

The Heart Of A Hummingbird: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Heart Of A Hummingbird : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Heart Of A Hummingbird : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
