Identity Break Stifyn Emrys,Samaire Provost.2013-02-01 How far would you go to find yourself? Imagine everything you thought you knew about yourself turned out to be a lie, and you didn't know who was telling the truth. Imagine you possessed a secret so dangerous that, if it were exposed, it would reshape the entire world. What would you do if that secret were your very identity? In almost every way, Palo Vista seems like a typical California city, with office buildings, schools, and homes sprawled out across suburbia, filled with families making a life for themselves at the dawn of the new millennium. But two seniors at Mt. MacMurray High are about to find out that nothing is as it seems. Jason Nix is a star athlete and honors student who can't seem to remember anything about his childhood. Elyse Van Auten is a budding artist from a broken home whose father left her mother two years ago - or so she's been led to believe. Like most teens entering adulthood, Elyse and Jason just want to find out who they really are. For them, however, the stakes go far beyond their own personal quest. Join

them on a journey of self-discovery that becomes a desperate fight for survival against enemies determined to conceal the truth ... and find out what happens when that fight becomes personal.

Suitcase of Dreams Tania Blanchard.2018-10-23 From the bestselling author of *The Girl from Munich*, a sweeping, dramatic tale of love and identity, inspired by a true story. After enduring the horror of Nazi Germany and the chaos of postwar occupation, Lotte Drescher and her family arrive in Australia in 1956 full of hope for a new life. It's a land of opportunity, where Lotte and her husband Erich dream of giving their children the future they have always wanted. After years of struggling to find their feet as New Australians, Erich turns his skill as a wood carver into a successful business and Lotte makes a career out of her lifelong passion, photography. The sacrifices they have made finally seem worth it until Erich's role in the trade union movement threatens to have him branded a communist and endanger their family. Then darker shadows of the past reach out to them from Germany, a world and a lifetime away. As the Vietnam War looms, an unexpected visitor forces Lotte to a turning point. Her decision will change her life forever . . . and will finally show her the true meaning of home. PRAISE FOR TANIA BLANCHARD 'Captures the intensity of a brutal and unforgiving war, successfully weaving love, loss, desperation and, finally, hope into a gripping journey of self-discovery.' Courier Mail 'An epic tale, grand in scope ... Packs an emotional punch that will reverberate far and wide.' Weekly Times 'A tumultuous journey from order to bedlam, and from naive acceptance of the status quo to the gradual getting of political wisdom.' Sunday Age 'An original and innovative take on the World War II genre that captures the hauntingly desperate essence of the war. Tania Blanchard has written yet another spectacular novel. Don't miss this.' Better Reading 'A sweeping, dramatic tale of love and identity.'

SR-71 Flight Manual Richard H. Graham. 2016-10-01 This is the reprinted facsimile edition of the manual issued to crew members of the US Air Force's sleek SR-71, now available with photos and annotations by former Blackbird pilot Richard Graham. The Lockheed SR-71 Blackbird was a long-range, Mach 3 reconnaissance aircraft developed by Lockheed's top-secret Skunk Works. One of the first aircraft designed to have a low radar signature, the SR-71 could map 100,000 square miles from an altitude of 80,000 feet. Operational from 1964 to 1998, it is still the fastest jet-powered aircraft - a Blackbird once completed a Los Angeles-to-Washington, D.C. flight in 64 minutes. Naturally, reigning in all that technology and performance required some know-how on the parts of the pilots and ground crews. This massive volume, the SR-71 Flight Manual, is a facsimile reprint of the official flight manual issued to SR-71 crew members augmented with anecdotes and descriptions of flight procedures from former SR-71 pilot Col. Richard Graham (Ret.). Divided into seven sections, the book covers in minute detail everything from the SR-71 trainer to normal and emergency operation procedures, navigation and sensor equipment, operating limitations, flight characteristics of the Blackbird, and all-weather operation. Now the official SR-71 flight manual is not only declassified, it's (at least partially) demystified as well!

Fighter Pilot Christina Olds,Robin Olds,Ed Rasimus.2010-04-13 Please note: This ebook edition does not include the photo insert from the print edition. The widely anticipated memoir of legendary ace American fighter pilot, Robin Olds Robin Olds was a larger-than-life hero with a towering personality. A graduate of West Point and an inductee in the National College Football Hall of Fame for his All-American performance for Army, Olds was one of the toughest college football players at the time. In WWII, Olds quickly became a top fighter pilot and squadron commander by the age of 22—and an ace with 12 aerial victories. But it was in Vietnam where the man became a legend. He arrived in 1966 to find a dejected group of pilots and motivated them by placing himself on the flight schedule under officers junior to himself, then challenging them to train him properly because he would soon be leading them. Proving he wasn't a WWII retread, he led the wing with aggressiveness, scoring another four confirmed kills, becoming a rare triple ace. Olds (who retired a brigadier general and died in 2007) was a unique individual whose personal story is one of the most eagerly anticipated military books of the year.
