Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme, 2018-08-27 Seeking the Lost, Keeping Them, Making Them Disciples By: Dr. Benoit Petit-Homme God bless Dr. Benoit Petit-Homme for all the work he has done in putting this book together. I believe that any church or leader who will follow these biblically-grounded principles will see beautiful results in changed lives for the kingdom. Teresa L. Reeve, PhD, Associate Dean, Seventh-day Adventist Theological Seminary, Associate Professor of New Testament Contexts, Andrews University, United States of America Dr. Benoit Petit-Homme's contribution to the discipleship crisis is a compelling re-examination of scripture, church history, and 21st century pastoral experience. Practical and convincing, his straightforward style brings real solutions to the evangelistic Achilles' heels of attrition. He reminds us of what has been forgotten and calls us back to our relational roots. Pr. Ron Kelly, Senior Pastor, Village Seventh-day Adventist Church, Berrien Springs, Michigan, United States of America Seeking the Lost, Keeping Them, Making Them Disciples by Dr. Benoit Petit-Homme is a handy Christ-based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping, retaining, and nurturing new believing Christians. This is a must-read for church officers, pastors, and ministry directors in the Christian church. Ron C. Smith, PhD., D.Min, President, Southern Union Conference of SDA Every year, many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community. Unfortunately, it is also true that every year many new converts leave a church relatively shortly after joining. The specific reasons that each person leaves the church could fill a book by themselves, but they all boil down to one thing: a lack of focus on the part of the church

community on turning converts into disciples of our Savior. A disciple of Christ does more than attend church services. A disciple is an active member of the church community. A disciple is a witness to others. A disciple seeks to grow the church by seeking to lead everyone they meet to Christ. Dr. Benoit Petit-Homme is a committed disciple of Christ, and after extensive study of exactly why new converts leave the church, he has developed a process by which any church can make disciples. All it takes is a little extra work, a bit of encouragement, and an unwavering faith in the Lord.

Basic Discipleship 101 Ron Hordyk,2024-06-23 For we are God's fellow-workers; you are God's field, God's building. By the grace God has given me, I laid a foundation as an expert builder, and someone else is building on it. But each one should be careful how he builds. 1 Corinthians 3:9-10 When someone starts to build a house, he first lays the foundation on which the rest of the house will be built. If the foundation is not built correctly, the rest of the building will be compromised, affecting not only its immediate use but also its longevity. The previous scripture states that the church must also lay a good foundation in new believers. The Bible contains specific teachings that form the foundation of the Christian faith. To overlook even one of these teachings will affect how we perceive the rest of the Christian faith. An obvious example is to teach judgment without mercy, a teaching which causes the church to be legalistic. However, to teach mercy without judgment causes the church to give license to sin. Both teachings are essential, for the one teaching balances the other. When a person accepts Jesus as his Savior and Lord, most churches place the person in their ongoing programs, with the hope that he will grow. However, a new believer does not share the foundational truths that mature Christians have. The minister may make statements which out of context will appear harsh, but are not harsh when placed in the context of other accepted teachings. For this reason, the church must give new believers a foundation which will allow for a balance, in regard to the teachings to which they will be exposed. Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith. In this collection of studies, we will examine what it means to become a Christian, identify the principle players in salvation, and examine the elementary truths on which the sermons they will be exposed to will be built upon. Welcome to Basic Discipleship 101. Author_Bio: Ron joined the military at the age of seventeen with the hope of adventure. On the flight to boot camp, he heard God's voice: Ron, are you going to live the rest of your life for yourself, or are you going to live for Me? By the time the plane landed, Ron made Christ both his Savior and Lord. During his time in the

service, he was nicknamed reverend because of the radical change in his attitude, behavior, and character. After an honorable discharge, Ron has endeavored to serve his Lord Jesus Christ in instant, absolute obedience. Christians first recognized Ron's prophetic gift while he was working in the inner city. His heart was broken by the church's apathy to the poor and by Christianity's conformity to the world. The Bible defines the gift of prophecy: And if I have the gift of prophecy and know all mysteries and all knowledge; ...but do not have love, I am nothing. (1Co.13:2) Over forty years ago, Ron decided to follow Christ and has continued to grow not only in the knowledge but also in the likeness of Christ. Five years after becoming a Christian, a non-Christian asked Ron to teach her son the basic truths of Christianity. Ron searched for a study that would simply unfold the key truths. After finding none, he began to write his own one year discipleship course. Basic Discipleship 101 is the first of four books which aims to enable a new believer to grasp the basic tenets of the Christian faith. As God's children, let us learn the basics of life in Christ. Keywords: Disciple, Discipleship, Bible, Christian, Christianity, Basic, Born-Again, Spirit, Truth, Doctrine

Follow Me Group Guide Ed D David E Schroeder, 2013-09 The Follow Me Group Guide is a practical tool for learning how to be a disciple of Jesus Christ and how to help others become disciples. Following the methodology and themes Jesus used to train his Twelve, the Group Guide is a companion to Dr. David Schroeder's popular book, *Follow Me: the Disciple-making Strategy of Jesus* (aka *Discipleship by the Book*). Dr. Ravi Zacharias, popular speaker and author of many outstanding Christian books, has this to say about *Follow Me*: David Schroeder wisely observes that the foremost task of the church is to make disciples and that genuine discipleship takes place in the context of intimate relationships. Conjoining scholarly research with rich practical and devotional insights, he examines values that Jesus taught - such as humility, compassion, and accountability - and shows how they can transform individuals as well as communities. I have known David for nearly four decades and commend his important work to you. *Follow Me* and the Group Guide present a biblical picture of a primitive and powerful brand of Christianity that was effective in its first few generations and would be effective in this generation if followed more faithfully. In this book, we enter into the heart of the Lord Jesus Christ to see the strategies which he communicated to his first followers. Undoubtedly the ways in which we might apply those strategies will differ from Christians in the first century because we must adapt them to different cultural settings. Nevertheless, human nature has not changed in twenty centuries, and these teachings of Jesus must still be the backbone of effective Christian witness. Taking a cue from Jesus, the Group Guide encourages disciple-making in small groups. The questions for discussion open group members to discover of What It (the biblical text) Says, What It Means, and What It Means for Me. Following the purposeful, progressive strategy of Jesus by focusing on character formation in three stages -- Learning Kingdom Values, Ministry, and

Leadership -- the material helps the groups explore what it means to follow Jesus as a disciple in their personal lives, in the world, and in the church. Churches that adopt the strategy of disciple-making used by Jesus are certainly going to be change agents in their communities and throughout the world. That was Jesus' plan. That is your possibility.

Joining Jesus on the Way Phil Mayo, 2019-12-10 What does it mean to 'take up your cross daily'? "Sell your possessions and give to the poor"--really!? "Deny yourself," Jesus says. How does all of this fit together in a world two thousand years removed? *Joining Jesus on the Way*, takes a look at the discipleship teachings of Jesus through the lens of the Gospel of Luke. Luke's unique emphasis on discipleship has long been recognized among the Gospel traditions. One might even call Luke's Gospel a discipleship manual. In Luke, Jesus prepares his disciples for the power packed ministry they will live out in Luke's second volume, Acts. Jesus teaches his disciples about self-denial, obedience to his commands, proper attitude toward possessions, faith and prayer, and, after his resurrection, promises them the presence and power of the Holy Spirit to continue the ministry he began. Most of Jesus' discipleship teachings are found in the "travel narrative" portion of the Gospel of Luke. In these ten chapters, Jesus is traveling up to Jerusalem and his ultimate destiny, the cross. This is a journey on which Jesus invites all would-be disciples to join him. On the way, we learn what it means to be true followers of Jesus. The ultimate goal of the journey is the cross, which every disciple must bear, but the journey does not end here. Death to self means resurrection to new life in Christ. Two thousand years later, Jesus is still calling his followers to join him on the way, but we don't always know how to answer that call. It's not necessarily our fault, as we seem to hear very little these days about true discipleship. Some are answering the call but don't know what to do next. Their pursuit of Jesus is avid, but they need someone to help them along the way. This book is written to be that help. In *Joining Jesus on the Way*, Mayo considers the implications of Jesus' discipleship teachings for would-be disciples both then and now. This book is written to challenge 21st century believers to deepen their walk with Jesus, and to choose to take up that proverbial cross and follow him daily.
