Discipleship 101 is a great resource for all believers who desire to know more about the basics of Christianity. Each of the 13 lessons include summaries of the topic, fill in the blanks from selected supporting passages, questions to answer, and an answer key in the back of the workbook. Jesus' command to the church was to make disciples of all the nations (Matthew 28:19-20). This means that every believer must be discipled or actively discipling someone else. Prayerfully consider using this workbook to fulfill Christ's command and to learn more about the Lord and grow closer to Him.

Gospel Discipleship Participant Guide Michelle J. Morris.2020-03-31 There was a time when discipleship was taken for granted. It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus. That assumption is no longer valid. As early as the Gospels, Jesus and his biographers recognize that each person brings experience to the journey, which travels through different times and places. The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders. It also assesses the discipleship path for the congregation as a whole. By understanding what type of disciple you are, participants in Gospel Discipleship can clarify the path they need to walk. Some people love to go on mission trips; some people really thrive learning from a great teacher; some people connect to God through painting and music; and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus. Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don't feel called to experience the journey the same way as everyone else. Instead, participants can become the disciple Jesus wants them to be. They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow.

Joining Jesus on the Way Phil Mayo.2019-12-10 What does it mean to ‘take up your cross daily’? “Sell your possessions and give to the poor”--really!? “Deny yourself,” Jesus says. How does all of this fit together in a world two thousand years removed? Joining Jesus on the Way, takes a look at the discipleship teachings of Jesus through the lens of the Gospel of Luke. Luke’s unique emphasis on discipleship has long been recognized among the Gospel traditions. One might even call Luke’s Gospel a discipleship manual. In Luke, Jesus prepares his disciples for the power packed ministry they will live out in Luke’s second volume, Acts. Jesus teaches his disciples about self-denial, obedience to his commands, proper attitude toward possessions, faith and prayer, and, after his resurrection, promises them the presence and power of the Holy Spirit to continue the ministry he began. Most of Jesus’ discipleship teachings are found in the “travel narrative” portion of the Gospel of Luke. In these ten chapters, Jesus is traveling up to Jerusalem and his ultimate destiny, the cross. This is a journey on which Jesus invites all would-be disciples to join him. On the way, we learn what it means to be true followers of Jesus. The ultimate goal of the journey is the cross, which every disciple must bear, but the journey does not end here. Death to self means resurrection to new life in Christ. Two thousand years later, Jesus is still calling his followers to join him on the way, but we don’t always know how to answer that call. It’s not necessarily our fault, as we seem to hear very little these days about true discipleship. Some are answering the call but don’t know what to do next. Their pursuit of Jesus is avid, but they need someone to help them along the way. This book is written to be that help. In Joining Jesus on the Way, Mayo considers the implications of Jesus’ discipleship teachings for would-be disciples both then and now. This book is written to challenge 21st century believers to deepen their walk with Jesus, and to choose to take up that proverbial cross and follow him daily.

How to Follow Jesus Craig Springer.2020-02-18 Millions of people want to follow Jesus, but don't know how. Upon becoming Christians, new believers often end up paralyzed. They become overwhelmed trying to master complicated doctrines, frustrated by a large list of rules for policing their lives, and bewildered by a new (and strange) vocabulary. Even worse, there are few books offering simple and clear advice to guide a Christian's first spiritual steps that are written in common, contemporary language. Until now. In How to Follow Jesus, Craig Springer, executive director of Alpha USA, one of

America's most effective evangelism movements, explodes numerous myths surrounding the Christian faith that create unnecessary obstacles to growth, including: illustrating that sin and temptation are not the greatest threat to a flourishing faith, forgiveness means going through rather than around our feelings, and how disappointment in the church may be the essential step in growing a foundation for life-changing community. Sharing personal stories from his own journey to a mature faith, Springer sets readers at ease and offers them practical, easy-to-implement advice for following Jesus. Destined to become a timeless classic, *How to Follow Jesus* is a must read for new and returning Christians.

First Steps Discipleship Training Gary Comer.2014-01-21 When It Comes to Disciple Making . . . You Get What You Aim For! Because the church grows at the edges, discipling new believers may be one of the most important things you do! Jesus knew this. At the pivotal post-resurrection point, he took the newer-in-faith and synergized a movement. Yet the biblical example and current trends do not match--churches lack consistently in four areas: Aim: They fail to shoot for the new believer's evangelistic influence. Approach: They teach, but do not instill practices. Angle: Non-relational follow-up leads to disconnected disciples. Anticipation: Limited time did not produce lasting impact. Re-visioning, *First Steps* offers a fourfold course correction. Set your sights on the superior targets--and exciting results await! This guide will prepare you for the biggest assignment ever given: turn simple followers into strategic players.

Follow Me Bill Kasper.2018-05-23 *Follow Me*. Two of the most powerful and life-changing words to come from Jesus. Those who would accept this invitation would be known as His disciples. Today, Christians still place a lot of emphasis on the importance of becoming a disciple. But what is a disciple? What does a disciple do? What does discipleship look like in real

life? Too often, the answers to these questions are assumed to be understood. As a result, although we make the choice to be a disciple, whether recently or years ago, we may not have a clue about what we are supposed to be doing. It doesn't have to be this way. God's Word is very clear and open about discipleship. Maybe you need to start with the basics-Discipleship 101. Perhaps you would like a refresher course. In this book, using Jesus' teachings and stories from the Bible, Pastor Bill leads you to a better understanding of what it means to be a disciple and how you can live as a follower of Jesus.

The Disciple Maker's Handbook Bobby Harrington,Josh Robert Patrick.2017-02-07 Many people believe that discipleship is important, but they need help. In fact, the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle - being a disciple of Jesus and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus—the original disciple maker and centerpiece of discipleship. Holy Spirit—fuels the disciple-making process. Intentionality—making disciples utilizing a strategy and a roadmap. Relationships—creating a loving, genuine connection with others who trust and follow Jesus. Bible—using the Word of God as the manual for making disciples. Journey—forging a traceable growth story from a new birth to spiritual parenthood. Multiply—reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme. 2018-08-27 Seeking the Lost, Keeping Them, Making Them Disciples By: Dr. Benoit Petit-Homme God bless Dr. Benoit Petit-Homme for all the work he has done in putting this book together. I believe that any church or leader who will follow these biblically-grounded principles will see beautiful results in changed lives for the kingdom. Teresa L. Reeve, PhD, Associate Dean, Seventh-day Adventist

Theological Seminary, Associate Professor of New Testament Contexts, Andrews University, United States of America Dr. Benoit Petit-Homme's contribution to the discipleship crisis is a compelling re-examination of scripture, church history, and 21st century pastoral experience. Practical and convincing, his straightforward style brings real solutions to the evangelistic Achilles' heels of attrition. He reminds us of what has been forgotten and calls us back to our relational roots. Pr. Ron Kelly, Senior Pastor, Village Seventh-day Adventist Church, Berrien Springs, Michigan, United States of America Seeking the Lost, Keeping Them, Making Them Disciples by Dr. Benoit Petit-Homme is a handy Christ-based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping, retaining, and nurturing new believing Christians. This is a must-read for church officers, pastors, and ministry directors in the Christian church. Ron C. Smith, PhD., D.Min, President, Southern Union Conference of SDA Every year, many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community. Unfortunately, it is also true that every year many new converts leave a church relatively shortly after joining. The specific reasons that each person leaves the church could fill a book by themselves, but they all boil down to one thing: a lack of focus on the part of the church community on turning converts into disciples of our Savior. A disciple of Christ does more than attend church services. A disciple is an active member of the church community. A disciple is a witness to others. A disciple seeks to grow the church by seeking to lead everyone they meet to Christ. Dr. Benoit Petit-Homme is a committed disciple of Christ, and after extensive study of exactly why new converts leave the church, he has developed a process by which any church can make disciples. All it takes is a little extra work, a bit of encouragement, and an unwavering faith in the Lord.

Text-Driven Discipleship, Part 1: the Basics Anthony Svajda.2020-03-14 Why Another Discipleship Book?Let's face it. There are a ton of discipleship books out there on the market. Why in all of Christendom do we need another discipleship book? Let me give you a few reasons why this discipleship book is important and how it is different from any other discipleship book you will get. 1.Discipleship Is Important. - When a person reads the New Testament, discipleship is written all over it. Whether Jesus is leading his disciples, Paul is making disciples, or the church is being called to make disciples, discipleship is there. Discipleship in the New Testament is done in a small group or one-on-one, with one believer leading another to know and follow God. This book is designed to do that. This is not another Bible study or life guide. This is not a preaching series to work through. This book is a guide for one believer to lead another in order to help them know and follow God through studying the text of the Bible.2.God's Word Is Important. - When you look at all the different materials labeled as discipleship you can be overrun with options. Some formats are DVD driven, some are book driven, others are

conversation-driven. But the real basis of teaching people to know and follow God is God's Word. Therefore, this resource is Text-Driven Discipleship. The guide is designed to help a disciple-maker lead their disciple to discuss and understand God's Word and to help the disciple begin to study God's Word for themselves. 3. God's People Are Important. - When Christians look at the church, they should see a group of people committed to making disciples. Making disciples is the Commission of every Christian and the marching orders of the Church (Matt 28:18-20). Thus, this resource was written in order to help Christians do what they were called to do. This guide is to help God's people teach the Bible to others.

The Work of a Disciple: Living Like Jesus Don Cousins, Judson Poling. 2016-10-11 The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington, Illinois. Since its release in 1992, it has been used by churches and small groups to help raise up devoted disciples of Christ. Group members who work through the program will lay a solid foundation for a lifelong walk with God. While small groups may be formed for a variety of purposes, the goal of this curriculum is for groups to produce disciples—fully devoted followers of Christ—by studying God's Word in community. To this end, the goal of the study is to produce disciples who walk with God, have a personal relationship with Jesus, and live in step with the Holy Spirit. It is also to produce believers who live the Word in all areas of life and contribute to the work that God is doing in the local church. Ultimately, the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others. This material will help develop these attributes in group members. Each lesson includes group Bible study and discussion questions in addition to devotions, reflections, and personal study for use by individuals between the group sessions.

The minimal qualifications needed to use the follow-up materials, as a discipler, are as follows: the discipler must himself be a believer and the discipler must be able to read. Filled with Scripture, the lessons in this inter-active book include studies on the new believer's Faith in Jesus Christ, Life in Jesus Christ, Walk with Jesus Christ, and his Fellowship with Christ and His People. Topics covered include: A review of the salvation experience, Assurance, Scripture memorization, Spiritual growth, Prayer, The Bible, Witnessing, Living the Christ-life, The Lord's return, Guarding against temptation, Church attendance, Baptism, The Lord's Supper, Church Membership, and Fellowship with other believers. As an introductory study guide, *Spiritual Lessons for New Believers* flows into two other discipleship books by Keith D. Pisani: The second phase content study

manual: Spiritual Lessons for Growing Believers which provides two transition studies: Baptism class and membership class, 26 'A to Z' sessions on topics from Assurance to Zeal, and two discipler training sessions. The author's fill-in-the-blank, companion workbook Spiritual Lessons for Growing Believers Workbook should be used with the 'A to Z' content manual. A fourth book in this series is Jesus Loves Me: A Follow-Up Guide for Children. All four books are published by WestBow Press.
