On Escape Emmanuel Lévinas.2003 First published in 1935, On Escape represents Emmanuel Levinas's first attempt to break with the ontological obsession of the Western tradition. In it, Levinas not only affirms the necessity of an escape from being, but also gives a meaning and a direction to it. Beginning with an analysis of need not as lack or some external limit to a self-sufficient being, but as a positive relation to our being, Levinas moves through a series of brilliant phenomenological analyses of such phenomena as pleasure, shame, and nausea in order to show a fundamental insufficiency in the human condition. In his critical introduction and annotation, Jacques Rolland places On Escape in its historical and intellectual context, and also within the context of Levinas's entire oeuvre, explaining Levinas's complicated relation to Heidegger, and underscoring the way Levinas's analysis of being riveted, of the need for escape, is a meditation on the body.

Topi Shukla Rāhī Māsūma Razā.2005 Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled,

Topi Shukla is a story of two friends - one Hindu and the other Muslim. Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons. Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow.--BOOK JACKET.

Amma's Daughters Meenal Shrivastava.2018-07-31 As a precocious young girl, Surekha knew very little about the details of her mother Amma's unusual past and that of Babu, her mysterious and sometimes absent father. The tense, uncertain family life created by her parents' distant and fractious marriage and their separate ambitions informs her every action and emotion. Then one evening, in a moment of uncharacteristic transparency and vulnerability, Amma tells Surekha and her older sister Didi of the family tragedy that changed the course of her life. Finally, the daughters begin to understand the source of their mother's deep commitment to the Indian nationalist movement and her seemingly unending willingness to sacrifice in the name of that pursuit. In this re-memory based on the published and unpublished work of Amma and Surekha, Meenal Shrivastava, Surekha's daughter, uncovers the history of the female foot soldiers of Gandhi's national movement in the early twentieth century. As Meenal weaves these written accounts together with archival research and family history, she gives voice and honour to the hundreds of thousands of largely forgotten or unacknowledged women who, threatened with imprisonment for treason and sedition, relentlessly and selflessly gave toward the revolution.

Long Walk to Freedom Nelson Mandela.2008-03-11 The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

The School in the Cloud Sugata Mitra.2019-08-14 The Science and the Story of the Future of Learning Educators have been trying to harness the promise of technology in education for decades, to no avail, but we have learned that children in groups—when given access to the Internet—can learn anything by themselves. In this groundbreaking book, you'll glimpse the emerging future of learning with technology. It turns out the promise isn't in the technology itself; it's in the self-directed learning of the children who use it. In 1999, Sugata Mitra conducted the famous Hole in the Wall experiment that inspired three TED Talks and earned him the first million-dollar TED prize for research in 2013. Since then, he has conducted new research around self-organized learning environments (SOLE), building Schools in the Cloud all over the world. Charandas Chor Habib Tanvir.2018 A towering figure in twentieth-century theatre in India, Habib Tanvir was an actor, director and playwright, working in Hindi and Urdu. He founded Naya Theatre in 1959, through which he created remarkable works, drawing on the history and traditions of the tribal folk of Chhattisgarh. This book brings together four of his most significant plays. *Agra Bazar* (1954), set amid the bustle of a colourful street market, is woven together by the wonderfully human voice of the poet Nazir, and examines important cultural and socioeconomic issues of the period. *Charandas Chor* (1975), Tanvir's most famous work, is about a folk hero who robs the rich and evades the law until he comes up against one wall he cannot scale--his own commitment to the truth. In *Bahadur the Wine-Seller* (1978), Tanvir reinvents a nearly forgotten Chhattisgarh folk tale about a mother-son relationship in which he finds a echoes of Oedipus, while in *The Living Tale of Hirma* (1985), he dramatizes a historical event in which a headstrong ruler of an Indian tribe clashes with a population who want to replace the tribal way of life with newfound ideals of democracy. Enriched by introductory texts and an intensive interview with Tanvir that covers the milestones of his illustrious career, the book will be the perfect introduction to Tanvir's work for English-language theatre fans and scholars--back cover.
