

A Very Expensive Poison Modern Plays

Lucy Prebble

A Very Expensive Poison Luke Harding, 2020-04-13 A shocking assassination in the heart of London. In a bizarre mix of high-stakes global politics and radioactive villainy, a man pays with his life. At this time of global crises and a looming new Cold War, A Very Expensive Poison sends us careering through the shadowy world of international espionage from Moscow to Mayfair. Lucy Prebble (Enron, The Effect) brings a shocking story to the stage, adapted from the book by Luke Harding, with an astute mix of real events, vaudeville and thriller. This edition was published to coincide with the World Premiere at the Old Vic Theatre, London, in 2019.

Lucy Prebble Plays 1 Lucy Prebble, 2020-11-26 Lucy Prebble is one of Britain's foremost writers for the stage and screen. This eagerly anticipated play collection brings together her landmark plays for the first time, showcasing her work from 2003 to 2019. Beginning with her George Devine Award-winning play The Sugar Syndrome it continues through her explosive look at the biggest financial scandal in history, concluding with her pointed dramatization of the one of the most shocking news stories of the 2010s. The Sugar Syndrome (2003) Dani is on a mission. She's just 17, hates her parents, skives college and prefers life in the chatrooms. What she's looking for is someone honest and direct. Instead she finds Tim, a man twice her age, who thinks she is 11 and a boy. What seems at first to be a case of crossed wires, ends up as an unlikely, and unsettling friendship between the two, which culminates in a shocking, and morally challenging revelation. Enron (2009) One of the most infamous scandals in financial history became a theatrical epic in Enron, a dazzling exposition of the shadowy mechanisms of economic deceit. Mixing classical tragedy with savage comedy and surreal metaphor, Enron follows a group of flawed men and women in a narrative of greed and loss which reviews the tumultuous 1990s, and the financial chaos which has spilled over into the new century. The Effect (2012) a clinical romance. Two young volunteers, Tristan and Connie, agree to take part in a clinical drug trial. Succumbing to the gravitational pull of attraction and love, however, Tristan and Connie manage to throw the trial off course, much to the frustration of the clinicians involved. A Very Expensive Poison (2019) A shocking assassination in the heart of London. In a bizarre mix of high-stakes global politics and radioactive villainy, a man pays with his life. At this time of global crises and a looming new Cold War, A Very Expensive Poison sends us careering through the shadowy world of international espionage from Moscow to Mayfair.

The Effect Lucy Prebble, 2023-08-22 Who I am Is not A side effect. Hearts and minds racing, Connie and Tristan are

falling for each other fast. But is their sudden and intoxicating chemistry real, or a side effect of a new antidepressant? As two young volunteers in a clinical drug trial, their illicit romance poses startling dilemmas for the supervising doctors. Lucy Prebble's funny and intimate examination of love and ethics originally premiered in 2012, becoming an instant modern classic. This edition revised and updated edition is published to coincide with the production at the National Theatre, in August 2023.

The Sugar Syndrome Lucy Prebble, 2014-03-13 I like the internet. I like that way of talking to people. It's honest. It's a place where people are free to say anything they like. And most of what they say is about sex. Dani's on a mission. She's just seventeen, hates her parents, skives college and prefers life in the chatrooms on-line. What she's looking for is someone who is honest and direct. Instead she finds a man twice her age, who thinks she is eleven and a boy.

A Very Expensive Poison Luke Harding, 2016-12-15 1 November 2006. Alexander Litvinenko is brazenly poisoned in central London. Twenty-two days later he dies, killed from the inside. The poison? Polonium; a rare, lethal and highly radioactive substance. His crime? He had made some powerful enemies in Russia. Based on the best part of a decade's reporting, as well as extensive interviews with those closest to the events (including the murder suspects), and access to trial evidence, Luke Harding's *A Very Expensive Poison* is the definitive inside story of the life and death of Alexander Litvinenko.

Enron Lucy Prebble, 2024-06-13 The political theatre of the 21st century has arrived, in some style. The Times The most infamous scandal in corporate history. The most vilified figures in the financial world. The most audacious (and destructive) display of greed history has ever seen. Charting the notorious rise and fall of the eponymous company and its founding partners Ken Lay and Jeffrey Skilling, Lucy Prebble's *Enron* is a pulse-racing and rage-inducing parable, exploring the limits of greed... or lack thereof. Mixing classical tragedy with savage comedy, *Enron* is published in Methuen Drama's Modern Classics series, featuring a new introduction by Natasha Tripney.

Shadow State Luke Harding, 2020-06-30 A thrilling account of how Russia is waging a hidden war against America and the West, using espionage, corruption, fake news, and KGB-style murder March 2018. Two Russian assassins arrive in a provincial English city to kill a former officer from Russia's GRU intelligence agency. His crime? Passing secrets to British spies. The poison? A lethal nerve agent, novichok. The attempted execution was a reminder - as if one were needed - of Russia's contempt for international norms. The Soviet Union and its doctrine are long gone, but the playbook used by the Kremlin's spies during that long confrontation with the West is back. And the underlying goal remains the same: to undermine democracy and exploit divisions within American and European society and politics. Moscow's support for Donald Trump in the 2016 presidential election has grown into the biggest political scandal of modern times. Its American players are well-known. In *Shadow State*, award-winning journalist and bestselling author Luke Harding reveals the Russians behind the story: the spies, hackers and internet trolls. Harding charts how the Kremlin has updated Communist-era methods of

influence and propaganda for the age of Facebook and Twitter, and considers the compelling question of our age: what exactly does Vladimir Putin have on President Trump? Similar to those of the Cold War, Putin's ambitions are truly global. His emissaries include oligarchs, bankers, lawyers, mercenaries, and agents of influence. They roam from Salisbury to Helsinki, Ukraine to Central Africa, London to Washington, D.C. *Shadow State* is the singular account of how the Kremlin seeks to reshape the world, to divide the US from its European friends, and to remake America in its own dark and kleptocratic image. This is an essential read for anyone who wants to understand how our politics came to be so chaotic and divided. Nothing less than the future of Western democracy is at stake.

Shakespeare, Our Contemporary Jan Kott, 2015-01-21 *Shakespeare, Our Contemporary* is a provocative, original study of the major plays of Shakespeare. More than that, it is one of the few critical works to have strongly influenced theatrical productions. Peter Brook and Charles Marowitz are among the many directors who have acknowledged their debt to Jan Kott, finding in his analogies between Shakespearean situations and those in modern life and drama the seeds of vital new stage conceptions. *Shakespeare, Our Contemporary* has been translated into nineteen languages since it appeared in 1961, and readers all over the world have similarly found their responses to Shakespeare broadened and enriched.

The Poison Squad Deborah Blum, 2018-09-25 A New York Times Notable Book The inspiration for PBS's AMERICAN EXPERIENCE film *The Poison Squad*. From Pulitzer Prize winner and New York Times bestselling author Deborah Blum, the dramatic true story of how food was made safe in the United States and the heroes, led by the inimitable Dr. Harvey Washington Wiley, who fought for change By the end of nineteenth century, food was dangerous. Lethal, even. Milk might contain formaldehyde, most often used to embalm corpses. Decaying meat was preserved with both salicylic acid, a pharmaceutical chemical, and borax, a compound first identified as a cleaning product. This was not by accident; food manufacturers had rushed to embrace the rise of industrial chemistry, and were knowingly selling harmful products. Unchecked by government regulation, basic safety, or even labelling requirements, they put profit before the health of their customers. By some estimates, in New York City alone, thousands of children were killed by embalmed milk every year. Citizens--activists, journalists, scientists, and women's groups--began agitating for change. But even as protective measures were enacted in Europe, American corporations blocked even modest regulations. Then, in 1883, Dr. Harvey Washington Wiley, a chemistry professor from Purdue University, was named chief chemist of the agriculture department, and the agency began methodically investigating food and drink fraud, even conducting shocking human tests on groups of young men who came to be known as, *The Poison Squad*. Over the next thirty years, a titanic struggle took place, with the courageous and fascinating Dr. Wiley campaigning indefatigably for food safety and consumer protection. Together with a gallant cast, including the muckraking reporter Upton Sinclair, whose fiction revealed the horrific truth about the Chicago stockyards; Fannie Farmer, then the most famous cookbook author in the country; and Henry J. Heinz, one of the few food producers who

actively advocated for pure food, Dr. Wiley changed history. When the landmark 1906 Food and Drug Act was finally passed, it was known across the land, as Dr. Wiley's Law. Blum brings to life this timeless and hugely satisfying David and Goliath tale with righteous verve and style, driving home the moral imperative of confronting corporate greed and government corruption with a bracing clarity, which speaks resoundingly to the enormous social and political challenges we face today.

Useful Work Versus Useless Toil William Morris, 1891

Lucy Prebble Plays 1 Lucy Prebble, 2020-11-26 Lucy Prebble is one of Britain's foremost writers for the stage and screen. This eagerly anticipated play collection brings together her landmark plays for the first time, showcasing her work from 2003 to 2019. Beginning with her George Devine Award-winning play *The Sugar Syndrome* it continues through her explosive look at the biggest financial scandal in history, concluding with her pointed dramatization of the one of the most shocking news stories of the 2010s. *The Sugar Syndrome* (2003) Dani is on a mission. Succumbing to the gravitational pull of attraction and love, however, Tristan and Connie manage to throw the trial off course, much to the frustration of the clinicians involved. *A Very Expensive Poison* (2019) A shocking assassination in the heart of London. In a bizarre mix of high-stakes global politics and radioactive villainy, a man pays with his life. At this time of global crises and a looming new Cold War, *A Very Expensive Poison* sends us careering through the shadowy world of international espionage from Moscow to Mayfair.

East is East Ayub Khan-Din, 2014 A new edition of the beloved play about multiracial families, published to coincide with a major 2014 West End revival.

A Very Expensive Poison Luke Harding, 2016 On November 1, 2006, journalist and Russian dissident Alexander Litvinenko was poisoned in London. He died twenty-two days later. The cause of death was Polonium--a rare, lethal, and highly radioactive substance. This is the inside story of the life and death of Litvinenko. And it is the story of the aftermath: a decade of geopolitical disruptions still felt today. In *A Very Expensive Poison*, Luke Harding guides readers through a maze of spies, intrigue, organized crime, and political power players to uncover the truth about Litvinenko's murder. In doing so, not only does he also become a target, but he also unearths a chain of corruption and death leading straight to Vladimir Putin,

which sheds a terrifying light on Russia's secret war with the West.

Poison in the Well Jacob Darwin Hamblin, 2008-01-24 In the early 1990s, Russian President Boris Yeltsin revealed that for the previous thirty years the Soviet Union had dumped vast amounts of dangerous radioactive waste into rivers and seas in blatant violation of international agreements. The disclosure caused outrage throughout the Western world, particularly since officials from the Soviet Union had denounced environmental pollution by the United States and Britain throughout the cold war. *Poison in the Well* provides a balanced look at the policy decisions, scientific conflicts, public relations strategies, and the myriad mishaps and subsequent cover-ups that were born out of the dilemma of where to house deadly nuclear materials. Why did scientists and politicians choose the sea for waste disposal? How did negotiations about the uses of the sea change the way scientists, government officials, and ultimately the lay public envisioned the oceans? Jacob Darwin Hamblin traces the development of the issue in Western countries from the end of World War II to the blossoming of the environmental movement in the early 1970s. This is an important book for students and scholars in the history of science who want to explore a striking case study of the conflicts that so often occur at the intersection of science, politics, and international diplomacy.

Milk Robert Cohen, 1998 ... Investigates to what end billions of dairy industry dollars have been used to influence the FDA and Congress as well as the scientific and medical establishment, misleading us about the dangers of consuming milk and dairy products.--Dust jacket.

Hang Debbie Tucker Green, 2015 *His life. In her hands.* A shattering play about one woman's unspeakable decision. *hang* premiered at the Royal Court Theatre, London, in 2015, in a production directed by the author, and featuring Marianne Jean-Baptiste, Claire Rushbrook and Shane Zaza.

The Royal Art of Poison Eleanor Herman, 2018-06-12 One of Washington Independent Review of Books' 50 Favorite Books of 2018 • A BuzzFeed Best Book of 2018 Morbidly witty. —Marilyn Stasio, *The New York Times* You'll be as appalled at times as you are entertained. —Bustle, one of The 17 Best Nonfiction Books Coming Out In June 2018 A heady mix of erudite history and delicious gossip. —Aja Raden, author of *Stoned* In the Washington Post roundup, What your favorite authors are reading this summer, A.J. Finn says, "I want to read *The Royal Art of Poison*, Eleanor Herman's history of poisons. Hugely entertaining, a work of pop history that traces the use of poison as a political—and cosmetic—tool in the royal courts of Western Europe from the Middle Ages to the Kremlin today The story of poison is the story of power. For centuries, royal families have feared the gut-roiling, vomit-inducing agony of a little something added to their food or wine by an enemy. To avoid poison, they depended on tasters, unicorn horns, and antidotes tested on condemned prisoners. Servants licked the royal family's spoons, tried on their underpants and tested their chamber pots. Ironically, royals terrified of poison were unknowingly poisoning themselves daily with their cosmetics, medications, and filthy living conditions. Women wore makeup

made with mercury and lead. Men rubbed turds on their bald spots. Physicians prescribed mercury enemas, arsenic skin cream, drinks of lead filings, and potions of human fat and skull, fresh from the executioner. The most gorgeous palaces were little better than filthy latrines. Gazing at gorgeous portraits of centuries past, we don't see what lies beneath the royal robes and the stench of unwashed bodies; the lice feasting on private parts; and worms nesting in the intestines. In *The Royal Art of Poison*, Eleanor Herman combines her unique access to royal archives with cutting-edge forensic discoveries to tell the true story of Europe's glittering palaces: one of medical bafflement, poisonous cosmetics, ever-present excrement, festering natural illness, and, sometimes, murder.

Oil Ella Hickson, 2016 The Bronze Age. The Iron Age. The Age of Oil. The Stone Age didn't end for want of stones. Oil follows the lives of one woman and her daughter in an epic, hurtling collision of empire, history and family. Ella Hickson's explosive play drills deep into the world's relationship with this finite resource.

City of Light, City of Poison: Murder, Magic, and the First Police Chief of Paris Holly Tucker, 2017-03-21 "Tucker writes with gusto . . . high drama."—Marilyn Stasio, New York Times Book Review In the late 1600s, Louis XIV assigns Nicolas de la Reynie to bring order to Paris after the brutal deaths of two magistrates. Reynie, pragmatic and fearless, discovers a network of witches, poisoners, and priests whose reach extends all the way to the king's court at Versailles. Based on court transcripts and Reynie's compulsive note-taking, Holly Tucker's engrossing true-crime narrative makes the characters breathe on the page as she follows the police chief into the dark labyrinths of crime-ridden Paris, the halls of royal palaces, secret courtrooms, and torture chambers.

Cosmetics in Shakespearean and Renaissance Drama Farah Karim-Cooper, 2012-10-12 This original study examines how the plays of Shakespeare and other Renaissance dramatists reflect and engage with the early modern discourse of cosmetics.

The Enigmatic Realm of **A Very Expensive Poison Modern Plays**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **A Very Expensive Poison Modern Plays** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.

A Very Expensive Poison Modern Plays Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital

age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A Very Expensive Poison Modern Plays PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in

their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A Very Expensive Poison Modern Plays PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of A Very Expensive Poison Modern Plays free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About A Very Expensive Poison Modern Plays Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To

prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Very Expensive Poison Modern Plays is one of the best book in our library for free trial. We provide copy of A Very Expensive Poison Modern Plays in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A Very Expensive Poison Modern Plays. Where to download A Very Expensive Poison Modern Plays online for free? Are you looking for A Very Expensive Poison Modern Plays PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another A Very Expensive Poison Modern Plays. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of A Very Expensive Poison Modern Plays are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to

your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with A Very Expensive Poison Modern Plays. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with A Very Expensive Poison Modern Plays To get started finding A Very Expensive Poison Modern Plays, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with A Very Expensive Poison Modern Plays So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading A Very Expensive Poison Modern Plays. Maybe you have knowledge that, people have search numerous times for their favorite readings like this A Very Expensive Poison Modern Plays, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. A Very Expensive Poison Modern Plays is available in our book collection an online access to it is set as public so you can download it instantly.

Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, A Very Expensive Poison Modern Plays is universally compatible with any devices to read.
