In Praise of Love Alain Badiou, Nicolas Truong. 2012-11-27 The renowned French philosopher's "ode to love's power to unite in the face of eternity, and its optimism in the face of pain" (Publishers Weekly). In a world rife with consumerism, where online dating promises risk-free romance and love is all too often seen as a mere variant of desire and hedonism, Alain Badiou believes that love is under threat. Taking to heart Rimbaud's famous line "love needs reinventing," *In Praise of Love* is the celebrated French intellectual's passionate treatise in defense of love. For Badiou, love is an existential project, a constantly unfolding quest for truth. This quest begins with the chance encounter, an event that forever changes two individuals, challenging them "to see the world from the point of view of two rather than one." This, Badiou believes, is love's most essential transforming power. Through thought-provoking dialogue edited from a conversation between Badiou and Truong, a vibrant cast of thinkers are invoked: Kierkegaard, Plato, de Beauvoir, Proust, and more, create a new narrative of love in the face of twenty-first-century modernity. Moving, zealous, and wise, Badiou's "paean to the anticapitalist, antiessentialist, unifying power of love" urges us not to fear it but to see it as a magnificent undertaking that compels us to explore others and to move away from an obsession with ourselves (Publishers Weekly). "Finally, the cure for the pornographic, utilitarian exchange of favors to which love has been reduced in America. Alain Badiou is our philosopher of love." —Simon Critchley, author of *The Faith of the Faithless*

*Mesmerism and the End of the Enlightenment in France* Robert DARNTON. 2009-06-30 Early in 1788, Franz Anton Mesmer, a Viennese physician, arrived in Paris and began to promulgate a somewhat exotic theory of healing that almost immediately seized the imagination of the general populace. Robert Darnton, in his lively study of mesmerism and its relation to eighteenth-century radical political thought and popular scientific notions, provides a useful contribution to the study of popular culture and the manner in which ideas are diffused down through various social levels.

**French Masculinities** Christopher E. Forth, Bertrand Taithe. 2007-07-11 *French Masculinities* makes a valuable contribution to gender studies by presenting, for the first time, a comprehensive and critical overview of ideas of how virilité has been imagined in France from the Eighteenth century to the present. Incorporating insights of cultural and social historians as well as specialists in film and literature, this collection approaches masculinities in a complex and interdisciplinary manner that will appeal to a wide range of readers.

*Dark Heart of the Night* Léonora Miano, Editions Plon.2010-04-01 What is Africa's own "heart of darkness"? It is what confronts Ayané when, after three years abroad, she returns to the Central African village of her birth. Now an "outsider" with foreign ways distrusted by her fellow villagers, she must face alone the customs and superstitions that bind this clan of men and women. When invading militia organize a horrific ceremony that they claim will help reunite Africa, Ayané is forced to confront the monstrosity of the act that follows, as well as the responsibility that all the villagers must bear for silently accepting evil done in their name. Through Ayané's unwilling witness, Léonora Miano probes the themes of submission and responsibility and questions the role of Africans in the suffering of their fellows. Also exploring African identity, *Dark Heart of the Night* is a profoundly disturbing novel in its evocation of the darkest side of people driven by their instinct to survive.

*Twilight of Torment* Léonora Miano.2022-04-19 A haunting, multivocal novel full of stories of the lives of women of African descent. Four women speak. They speak to the same man, who is not there. He is the son of the first, the great-yet-impossible love of the second, the platonic companion of the third, the older brother of the last. Speaking to him in his absence, it is to themselves that these women turn, examining their own stories to make sense of their journey, from twilight to twilight, through a mysterious stormy night in the middle of the dry season. Together, the voices in *Twilight of Torment: Melancholy*, the first volume of a two-volume novel, perform a powerful and sometimes discordant jazz-inspired chorus about issues such as femininity, sexuality, self-love and the intrusion of history into the intimate lives of people of African descent. Blackness confronts African-ness, love is sometimes discovered in the arms of another woman, the African renaissance tries to establish itself on the rubble of a self-esteem damaged by history. Each of these women, with her own language and rhythm, ultimately represents a specific aspect of the tormented history of Africans in today's world, and at the end of the night they will each arrive at a dawn of hope.

**European Islamophobia** Enes Bayrakli, Farid Hafez.2016

**Revisiting Moroccan Migrations** Mohammed Berriane, Hein De Haas, Katharina Natter.2018-02-02 Over the 20th century, Morocco has become one of the world's major emigration countries. But since 2000, growing immigration and settlement of migrants from sub-Saharan Africa, the Middle East, and Europe confronts Morocco with an entirely new set of

social, cultural, political and legal issues. This book explores how continued emigration and increasing immigration is transforming contemporary Moroccan society, with a particular emphasis on the way the Moroccan state is dealing with shifting migratory realities. The authors of this collective volume embark on a dialogue between theory and empirical research, showcasing how contemporary migration theories help understanding recent trends in Moroccan migration, and, vice-versa, how the specific Moroccan case enriches migration theory. This perspective helps to overcome the still predominant Western-centric research view that artificially divide the world into 'receiving' and 'sending' countries and largely disregards the dynamics of and experiences with migration in countries in the Global South. This book was previously published as a special issue of The Journal of North African Studies.

*Journal of My Life* Jacques-Louis Ménétra.1986 Jacques-Louis Menetra's journal reads like a historian's dream come true. It conveys his understanding of what it meant to grow up in Paris, where he was born in 1738; to tramp around provincial shops on a journeyman's tour de France; to settle down as a Parisian master with a shop and family of his own; and to live through the great events of the Revolution as a militant in his local Section.

**Corydon** André Gide.2001 In 1907 Andre Gide began work on a series of Socratic dialogues on the subject of homosexuality and its place in society. These were published piecemeal, without the author's name, in private editions of twelve copies (1911) and twenty-one copies (1920) before a signed, commercial edition finally appeared in France in 1924. In his preface to the first American edition--published in 1950, the year before his death--Gide says: Corydon remains in my opinion the most important of my books.

Islamophobia in Muslim Majority Societies Enes Bayraklı, Farid Hafez.2018-12-21 In the last decade, Islamophobia in Western societies, where Muslims constitute the minority, has been studied extensively. However, Islamophobia is not restricted to the geography of the West, but rather constitutes a global phenomenon. It affects Muslim societies just as much, due to various historical, economic, political, cultural and social reasons. Islamophobia in Muslim Majority Societies constitutes a first attempt to open a debate about the understudied phenomenon of Islamophobia in Muslim majority societies. An interdisciplinary study, it focuses on socio-political and historical aspects of Islamophobia in Muslim majority societies. This volume will appeal to students, scholars and general readers who are interested in Racism Studies, Islamophobia Studies, the Middle East and North Africa (MENA) region, Islam and Politics.

**Contemporary Art in France** Catherine Millet.2006 A comprehensive review of the artistic movements that have taken place in France from the 1960s to the present, this study benefits from the anecdotes and personal memories of its author, Catherine Millet. The internationally respected art critic, who was herself an active participant in these movements, breathes life into this factual chronology of the contemporary art scene in France. She exposes the often unexpected links between movements by underscoring their contradictions and taking into consideration the social and cultural changes that have

occurred since the 1960s in France and across the globe. An extensive reference, this book provides the keys to understanding the international contemporary art scene as a whole. Contemporary Art in France serves as an historical essay, offering a profound analysis of the prevailing tendencies and characteristics of art of the past forty years. Available for the first time in English, the book is completed by a chronology of events, a thorough account of the latest creative developments, and more than 300 illustrations.

Le Tumulte Noir Jody Blake.1999-01-01 Jody Blake demonstrates in this book that although the impact of African-American music and dance in France was constant from 1900 to 1930, it was not unchanging. This was due in part to the stylistic development and diversity of African-American music and dance, from the prewar cakewalk and ragtime to the postwar Charleston and jazz. Successive groups of modernists, beginning with the Matisse and Picasso circle in the 1900s and concluding with the Surrealists and Purists in the 1920s, constructed different versions of la musique and la danse negre. Manifested in creative and critical works, these responses to African-American music and dance reflected the modernists' varying artistic agendas and historical climates.

*Madame Bovary* Gustave Flaubert.1982-06-01 This exquisite novel tells the story of one of the most compelling heroines in modern literature--Emma Bovary. Madame Bovary has a perfection that not only stamps it, but that makes it stand almost alone; it holds itself with such a supreme unapproachable assurance as both excites and defies judgement. - Henry James Unhappily married to a devoted, clumsy provincial doctor, Emma revolts against the ordinariness of her life by pursuing voluptuous dreams of ecstasy and love. But her sensuous and sentimental desires lead her only to suffering corruption and downfall. A brilliant psychological portrait, Madame Bovary searingly depicts the human mind in search of transcendence. Who is Madame Bovary? Flaubert's answer to this question was superb: Madame Bovary, c'est moi. Acclaimed as a masterpiece upon its publication in 1857, the work catapulted Flaubert to the ranks of the world's greatest novelists. This volume, with its fine translation by Lowell Bair, a perceptive introduction by Leo Bersani, and a complete supplement of essays and critical comments, is the indispensable Madame Bovary.

**Writing Contemporary History** Robert Gildea,Anne Simonin.2008-07-25 Writing Contemporary History brings together some of the world's most pre-eminent historians to discuss the core issues confronting students of contemporary history today. Tackling ten key questions of current historiographical debate, each chapter sets in parallel and in opposition the contributions of two scholars. Questions include- Does gender history have a future? When does colonial history end? What is cultural history now about? This volume takes to heart the central rationale of the Writing History series, namely to combine theoretical reflection with the practice of producing historical texts. It introduces the reader to a variety of important

theoretical approaches in the field of contemporary history writing and asks how these approaches have shaped historical writing in this important sub-discipline. *Writing Contemporary History* an invaluable introduction to the central debates that have shaped the field of contemporary history.

*Pirating and Publishing* Robert Darnton.2021-01-04 In the late-18th century, a group of publishers in what historian Robert Darnton calls the Fertile Crescent countries located along the French border, stretching from Holland to Switzerland pirated the works of prominent (and often banned) French writers and distributed them in France, where laws governing piracy were in flux and any notion of copyright very much in its infancy. Piracy was entirely legal and everyone acknowledged tacitly or openly that these pirated editions of works by Rousseau, Voltaire, and Diderot, among other luminaries, supplied a growing readership within France, one whose needs could not be met by the monopolistic and tightly controlled Paris Guild. Darnton's book focuses principally on a publisher in Switzerland, one of the largest and whose archives are the most complete. Through the lens of this concern, he offers a sweeping view of the world of writing, publishing, and especially bookselling in pre-Revolutionary France--a vibrantly detailed inside look at a cut-throat industry that was struggling to keep up with the times and, if possible, make a profit off them. Featuring a fascinating cast of characters lofty idealists and down-and-dirty opportunists this new book expands upon on Darnton's celebrated work on book-publishing in France, most recently found in *Literary Tour de France*. *Pirating and Publishing* reveals how and why piracy brought the Enlightenment to every corner of France, feeding the ideas that would explode into revolution.

**Confessions of a Literary Archaeologist** Carlton Lake.1990 The author recounts his experiences in building collections of rare books and manuscripts of French literature, and reveals little-known facts about French artists, composers, and writers.

**The Chinese Written Character as a Medium for Poetry** Ernest Fenollosa,Ezra Pound,Jonathan Stalling,Lucas Klein.2009-08-25 First published in 1919 by Ezra Pound, Ernest Fenollosa's essay on the Chinese written language has become one of the most often quoted statements in the history of American poetics. As edited by Pound, it presents a powerful conception of language that continues to shape our poetic and stylistic preferences: the idea that poems consist primarily of images; the idea that the sentence form with active verb mirrors relations of natural force. But previous editions of the essay represent Pound's understanding—it is fair to say, his appropriation—of the text. Fenollosa's manuscripts, in the Beinecke Library of Yale University, allow us to see this essay in a different light, as a document of early, sustained cultural interchange between North America and East Asia. Pound's editing of the essay obscured two important features, here restored to view: Fenollosa's encounter with Tendai Buddhism and Buddhist ontology, and his concern with the dimension of sound in Chinese poetry. This book is the definitive critical edition of Fenollosa's important work. After a substantial Introduction, the text as edited by Pound is presented, together with his notes and plates. At the heart of the edition is the

first full publication of the essay as Fenollosa wrote it, accompanied by the many diagrams, characters, and notes Fenollosa (and Pound) scrawled on the verso pages. Pound's deletions, insertions, and alterations to Fenollosa's sometimes ornate prose are meticulously captured, enabling readers to follow the quasi-dialogue between Fenollosa and his posthumous editor. Earlier drafts and related talks reveal the development of Fenollosa's ideas about culture, poetry, and translation. Copious multilingual annotation is an important feature of the edition. This masterfully edited book will be an essential resource for scholars and poets and a starting point for a renewed discussion of the multiple sources of American modernist poetry.

**Dangerous Connections** Pierre Choderlos de Laclos. 2020-04-03 *Dangerous Liaisons* is a 1988 American period romantic drama film directed by Stephen Frears from a screenplay by Christopher Hampton, based on his play *Les liaisons dangereuses*, which was itself adapted from the 18th-century French novel of the same name by Pierre Choderlos de Laclos. It stars Glenn Close, John Malkovich, Michelle Pfeiffer, Swoosie Kurtz, Mildred Natwick, Peter Capaldi, Keanu Reeves and Uma Thurman. *Dangerous Liaisons* was released theatrically on December 16, 1988, by Warner Bros. It received generally positive reviews from critics with praise for Close and 's and Pfeiffer and 's performances and the screenplay, production values and costumes. Although it was a moderate commercial success grossing \$34.7 million against its \$14 million budget, it was cited as a box office disappointment. The film received seven nominations at the 61st Academy Awards, including for Best Picture and won three: Best Adapted Screenplay, Best Costume Design, and Best Production Design.

*Network Propaganda* Yochai Benkler, Robert Faris, Hal Roberts. 2018-09-17 This is an open access title available under the terms of a CC BY-NC-ND 4.0 International licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. Is social media destroying democracy? Are Russian propaganda or Fake news entrepreneurs on Facebook undermining our sense of a shared reality? A conventional wisdom has emerged since the election of Donald Trump in 2016 that new technologies and their manipulation by foreign actors played a decisive role in his victory and are responsible for the sense of a post-truth moment in which disinformation and propaganda thrives. *Network Propaganda* challenges that received wisdom through the most comprehensive study yet published on media coverage of American presidential politics from the start of the election cycle in April 2015 to the one year anniversary of the Trump presidency. Analysing millions of news stories together with Twitter and Facebook shares, broadcast television and YouTube, the book provides a comprehensive overview of the architecture of contemporary American political communications. Through data analysis and detailed qualitative case studies of coverage of immigration, Clinton scandals, and the Trump Russia investigation, the book finds that the right-wing media ecosystem operates fundamentally differently

than the rest of the media environment. The authors argue that longstanding institutional, political, and cultural patterns in American politics interacted with technological change since the 1970s to create a propaganda feedback loop in American conservative media. This dynamic has marginalized centre-right media and politicians, radicalized the right wing ecosystem, and rendered it susceptible to propaganda efforts, foreign and domestic. For readers outside the United States, the book offers a new perspective and methods for diagnosing the sources of, and potential solutions for, the perceived global crisis of democratic politics.

**How I Stopped Being a Jew** Shlomo Sand.2023-01-24 Shlomo Sand was born in 1946, in a displaced person's camp in Austria, to Jewish parents; the family later migrated to Palestine. As a young man, Sand came to question his Jewish identity, even that of a "secular Jew." With this meditative and thoughtful mixture of essay and personal recollection, he articulates

the problems at the center of modern Jewish identity. *How I Stopped Being a Jew* discusses the negative effects of the Israeli exploitation of the “chosen people” myth and its “holocaust industry.” Sand criticizes the fact that, in the current context, what “Jewish” means is, above all, not being Arab and reflects on the possibility of a secular, non-exclusive Israeli identity, beyond the legends of Zionism.

*Exile, Non-Belonging and Statelessness in Grangaud, Jabès, Lubin and Luca* GREG. KERR.2021-06-07 A close study of four French-language poets and the poetry of exile. Poetry has often been understood as a powerful vector of collective belonging. The idea that certain poets are emblematic of a national culture is one of the chief means by which literature historicizes itself, inscribes itself in a shared cultural past, and supplies modes of belonging to those who consume it. But, how does the exiled, migrant, or translingual poet complicate this narrative? For Armen Lubin, Ghérasim Luca, Edmond Jabès, and Michelle Grangaud, the practice of poetry is inseparable from a sense of restlessness or unease. Ranging across borders within and beyond the Francosphere--from Algeria, Armenia, Egypt, and Romania--this book shows how a poetic practice inflected by exile, statelessness, or non-belonging has the potential to disrupt long-held assumptions about the relation between subjects, the language they use, and the place from which they speak.

Music of a Life Andreï Makine.2011-10-28 A brief but extraordinarily powerful novel by the author of *Dreams of My Russian Summers* and *Requiem for a Lost Empire*, *Music of a Life* is set in the period just before, and two decades after, World War II. Alexei Berg's father is a well-known dramatist, his mother a famous opera singer. But during Stalin's reign of terror in the 1930s they, like millions of other Russians, come under attack for their presumed lack of political purity.

Harassed and proscribed, they have nonetheless, on the eve of Hitler's war, not yet been arrested. And young Alexei himself, a budding classical pianist, has been allowed to continue his musical studies. His first solo concert is scheduled for May 24, 1941. Two days before the concert, on his way home from his final rehearsal, he sees his parents being arrested, taken from their Moscow apartment. Knowing his own arrest will not be far behind, Alexei flees to the country house of his fiancée, where again betrayal awaits him. He flees, one step ahead of the dreaded secret police until, taking on the identity of a dead soldier, he enlists in the Soviet army. Thus begins his seemingly endless journey, through war and peace, until he lands, two decades later, in a snowbound train station in the Urals, where he relates his harrowing saga to the novel's narrator. An international bestseller, *Music of a Life* is, in the words of *Le Monde*, "extremely powerful . . . a gem."
