My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. Besides, things have become really convenient nowadays with the digitization of books like, eBook apps on smartphones, laptops or the specially designed eBook devices (Kindle) that can be carried along while you are travelling. So, the only thing that remains is downloading your favorite eBook that keeps you hooked on to it for hours alone and what better than a free eBook? While there thousands of eBooks available to download online including the ones that you to purchase, there are many websites that offer free eBooks to download. Wikibooks is a collection of open-content textbooks, which anyone with expertise can edit - including you. Unlike Wikipedia articles, which are essentially lists of facts, Wikibooks is

made up of linked chapters that aim to teach the reader about a certain subject.
