Mercedes-Benz Brian Long.2013-03-18 It’s hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL’s ever-changing specification, and its presence in many of the world’s major markets is a huge task, but it’s all presented here in definitive detail, along with stunning contemporary photography, in a volume that will readily grace any reference library shelf or connoisseur’s coffee table. Two earlier books, also published by Veloce, and covering the W113 cars and the 107-series SL and SLC, act as perfect companions to this title, which takes the SL story up to 1989.

The Notorious Bacon Brothers Jerry Langton.2013-02-15 A searing look at one of Canada's most dangerous gangs Gang violence is nothing new to Vancouver, but the brutality of the Bacon Brothers—Jonathan, Jarrod, and Jamie—has become legendary. *The Notorious Bacon Brothers* follows the chaotic rise of these three gangland figures to the pinnacle of Vancouver's lucrative drug trade. Chronicling not only the Bacon Brothers themselves, but also the gangs they infiltrated on

their way to the top, and the catastrophic wave of violence they brought to the streets of Vancouver, the book explores how the brothers' adeptness at making and breaking allegiances and propensity for violence is now being replicated by gangs across Canada. With one Bacon brother dead and the other two behind bars, a power vacuum has developed for control of the drug trade in the Greater Vancouver area. The result has been full on war among the Hells Angels, Red Scorpions, UN Gang, and Independent Soldiers, as they fight to take the position once occupied by the Bacon Brothers—a lasting legacy to their place in Canada's gang history. Presents an incisive look at the violent lives of the Bacon Brothers, some of Canada's most notorious criminals Shows how the Bacon Brothers set a new precedence for gang violence that is being mimicked throughout the country Explores how the void left by the Brothers has spurred on increasing violent gang warfare on the streets of Vancouver Hard-hitting and insightful, *The Notorious Bacon Brothers* is a powerful look at the seedy underbelly of contemporary Canadian organized crime.

Phil Edmonston, Canada's automotive Dr. Phil for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of zombie vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: when you mess up, 'fess up.
