

The English And Their History

Elie Halévy

The English and Their History Robert Tombs, 2016-11-29 Named a Book of the Year by the Daily Telegraph, Times Literary Supplement, The Times, Spectator, and The Economist The English first materialized as an idea, before they had a common ruler and before the country they lived in even had a name. From the armed Saxon bands that descended onto Roman-controlled Britain in the fifth century to the travails of the Eurozone plaguing the prime-ministership of today's multicultural England, acclaimed historian Robert Tombs presents a momentous and challenging history of a people who have a claim to be the oldest nation in existence. Drawing on a wealth of recent scholarship, Tombs sheds light on the strength and resilience of English governance, the deep patterns of division among the people who have populated the British Isles, the persistent capacity of the English to come together in the face of danger, and not the least the ways the English have understood their own history, have argued about it, forgotten it and yet been shaped by it. Momentous and definitive, *The English and Their History* is the first single-volume work on this scale for more than half a century.

The English and their History Robert Tombs, 2014-11-06 'Masterful, an enormously readable narrative of the English people from the Anglo-Saxons to the present' Dominic Sandbrook, Sunday Times, Books of the Year In *The English and their History*, the first full-length account to appear in one volume for many decades, Robert Tombs gives us the history of the English people, and of how the stories they have told about themselves have shaped them, from the prehistoric 'dreamtime' through to the present day. 'As ambitious as it is successful . . . Packed with telling detail and told with gentle, sardonic wit, a vast and delightful book' Ben MacIntyre, The Times, Books of the Year 'A stupendous achievement ... a story of a people we can't fail to recognize: stoical, brave, drunken, bloody-minded, violent, undeferential, yet paradoxically law-abiding ... I found myself gripped' Daniel Hannan, Spectator 'Original and enormously readable, this brilliant, hugely engaging work has a sly wit and insouciance that are of themselves rather English' Sinclair MacKay, Daily Telegraph

The English and Their History Robert Tombs, 2023-10-26 The English first came into existence as an idea, before they had a common ruler and before the country they lived in even had a name. They have lasted as a recognizable entity ever since, and their defining national institutions can be traced back to the earliest years of their history. Since those precarious days of invasion and conquest, with many spectacular changes of fortune, their political, economic and cultural contacts have left traces for good and ill across the world. This book describes the history of the English and its meanings, from the earliest

beginnings in wetlands and monasteries to the cosmopolitan energy of today's England. Robert Tombs draws out important threads running through the story, including participatory government, language, law, religion, ever-changing relations with other peoples, and the diverse and sometimes conflicting ways the English have understood their own history. This book, the first single-volume work on this scale for more than half a century, presents a challenging modern account, bringing out the strength and resilience of English government, the deep patterns of division, and yet also the persistent capacity to come together in the face of danger.

A History of the English People ... Elie Halévy, 1924

History in English Words Owen Barfield, 2003-06-15 The playful artistry of the Waldorf Alphabet Book speaks to the heart of childhood. These lively illustrations, so filled with color, movement, eloquent gesture, and invention conjure up long-forgotten memories of books from a time when pictures were still alive and spoke with power. Each page is a magical door, opening to the bright realm where stories are enacted, a realm of wonders accessible to children, artists, and all those in whom the light of imagination shines. The most important thing as you peruse the delightful pages of the Waldorf Alphabet Book with your child is the engaging conversation that flows between you as you search among the pictures for words. (from the afterword) In this delightful, bestselling alphabet and game book for young children, each consonant and vowel comes to life in vivid pictures that show each letter's unique qualities in the world. The vibrant and playful illustrations help children learn the alphabet in the most natural and living way. This expanded paperback edition includes a complete essay by master Waldorf teacher William Ward, *Learning to Read and Write in Waldorf Schools*: This is the alphabet book for parents and teachers who want to encourage the most natural development in children. It is ideal for both at home and in the classroom. It also makes an ideal gift for your favorite young child or parents!

That Sweet Enemy Robert Tombs, 2010-12-07

Great Tales from English History Robert Lacey, 2004-06-03 With insight, humor and fascinating detail, Lacey brings brilliantly to life the stories that made England -- from Ethelred the Unready to Richard the Lionheart, the Venerable Bede to Piers the Ploughman. The greatest historians are vivid storytellers, Robert Lacey reminds us, and in *Great Tales from English History*, he proves his place among them, illuminating in unforgettable detail the characters and events that shaped a nation. In this volume, Lacey limns the most important period in England's past, highlighting the spread of the English language, the rejection of both a religion and a traditional view of kingly authority, and an unstoppable movement toward intellectual and political freedom from 1387 to 1689. Opening with Chaucer's *Canterbury Tales* and culminating in William and Mary's Glorious Revolution, Lacey revisits some of the truly classic stories of English history: the Battle of Agincourt, where Henry V's skilled archers defeated a French army three times as large; the tragic tale of the two young princes locked in the Tower of London (and almost certainly murdered) by their usurping uncle, Richard III; Henry VIII's schismatic divorce, not just from

his wife but from the authority of the Catholic Church; Bloody Mary and the burning of religious dissidents; Sir Francis Drake's dramatic, if questionable, part in the defeat of the Spanish Armada; and the terrible and transformative Great Fire of London, to name but a few. Here Anglophiles will find their favorite English kings and queens, villains and victims, authors and architects - from Richard II to Anne Boleyn, the Virgin Queen to Oliver Cromwell, Samuel Pepys to Christopher Wren, and many more. Continuing the eminently readable, highly enjoyable (St. Louis Post-Dispatch) history he began in volume I of Great Tales from English History, Robert Lacey has drawn on the most up-to-date research to present a taut and riveting narrative, breathing life into the most pivotal characters and exciting landmarks in England's history.

English in the World Philip Seargeant, Joan Swann, 2013-03-01 English in the World: History, Diversity, Change examines the English language as it has developed through history and is used across the globe today. The first half of the book outlines the history of the language from its fifth-century roots through its development as a national, a colonial, and now a global language. In the second half, the focus shifts to the diversity of the language today. The book explores varieties of English across the English-speaking world, as well as English-related varieties such as pidgins and creoles. It also examines complex processes of variation, hybridity and change in English, and in the shifting styles of individual speakers. Throughout, the focus is on the international nature of English and its use alongside other languages in a diverse range of communities. Drawing on the latest research and The Open University's wide experience of writing accessible and innovative texts, this book: explains basic concepts and assumes no previous study of English or linguistics contains a range of source material and commissioned readings to supplement chapters includes contributions from leading experts in their fields including Joan Beal, Suresh Canagarajah, David Crystal, Jonathan Hope, Kay McCormick, Miriam Meyerhoff, Rajend Mesthrie, Robert Podesva and Jennifer Smith has a truly international scope, encompassing examples and case studies from the UK and North America, Australia and New Zealand, Europe, Asia, and Africa is illustrated in full colour to bring the fascinating study of the English language alive includes a comprehensive index as well as useful appendices showing the historical timeline of English and a brief introduction to the description of linguistic features English in the World: History, Diversity, Change is essential reading for all students of English language studies.

A History of the English Language Elly van Gelderen, 2014-04-03 The English language in its complex shapes and forms changes fast. This thoroughly revised edition has been refreshed with current examples of change and has been updated regarding archeological research. Most suggestions brought up by users and reviewers have been incorporated, for instance, a family tree for Germanic has been added, Celtic influence is highlighted much more, there is more on the origin of Chancery English, and internal and external change are discussed in much greater detail. The philosophy of the revised book remains the same with an emphasis on the linguistic history and on using authentic texts. My audience remains undergraduates (and beginning graduates). The goals of the class and the book are to come to recognize English from

various time periods, to be able to read each stage with a glossary, to get an understanding of typical language change, internal and external, and to understand something about language typology through the emphasis on the change from synthetic to analytic. This book has a companion website: <http://dx.doi.org/10.1075/z.183.website>

The History of English Stephan Gramley, 2012-03-15 The History of English: An Introduction provides a chronological analysis of the linguistic, social, and cultural development of the English language from before its establishment in Britain around the year 450 to the present. Each chapter represents a new stage in the development of the language from Old English through Middle English to Modern Global English, all illustrated with a rich and diverse selection of primary texts showing changes in language resulting from contact, conquest and domination, and the expansion of English around the world. The History of English goes beyond the usual focus on English in the UK and the USA to include the wider global course of the language during and following the Early Modern English period. This perspective therefore also includes a historical review of English in its pidgin and creole varieties and as a native and/or second language in the Caribbean, Africa, Asia, and Australasia. Designed to be user-friendly, The History of English contains: chapter introductions and conclusions to assist study over 80 textual examples demonstrating linguistic change, accompanied by translations and/or glosses where appropriate study questions on the social, cultural and linguistic background of the chapter topics further reading from key texts to extend or deepen the focus nearly 100 supporting figures, tables, and maps to illuminate the text 16-pages of colour plates depicting exemplary texts, relevant artefacts, and examples of language usage, including Germanic runes, the opening page of Beowulf, the New England Primer, and the Treaty of Waitangi. The companion website at www.routledge.com/cw/gramley supports the textbook and features: an extended view of major aspects of language development as well as synopses of material dealt with in a range of chapters in the book further sample texts, including examples from Chaucer, numerous Early Modern English texts from a wide variety of fields, and twenty-first-century novels additional exercises to help users expand their insights and apply background knowledge an interactive timeline of important historical events and developments with linked encyclopaedic entries audio clips providing examples of a wide range of accents The History of English is essential reading for any student of the English language.

A History of the English Language Richard Hogg, David Denison, 2008-03-17 The history and development of English, from the earliest known writings to its status today as a dominant world language, is a subject of major importance to linguists and historians. In this book, a team of international experts cover the entire recorded history of the English language, outlining its development over fifteen centuries. With an emphasis on more recent periods, every key stage in the history of the language is covered, with full accounts of standardisation, names, the distribution of English in Britain and North America, and its global spread. New historical surveys of the crucial aspects of the language are presented, and historical changes that have affected English are treated as a continuing process, helping to explain the shape of the

language today. This complete and up-to-date history of English will be indispensable to all advanced students, scholars and teachers in this prominent field.

The Story of Britain Roy Strong, 2018-06-14 THE CLASSIC HISTORY OF BRITAIN, FULLY UPDATED Roy Strong has written an exemplary introduction to the history of Britain, as first designated by the Romans. It is a brilliant and balanced account of successive ages bound together by a compelling narrative which answers the questions: 'Where do we come from?' and 'Where are we going?' Beginning with the earliest recorded Celtic times, and ending with the present day of Brexit Britain, it is a remarkable achievement. With his passion, enthusiasm and wide-ranging knowledge, he is the ideal narrator. His book should be read by anyone, anywhere, who cares about Britain's national past, national identity and national prospects.

A History of the English Language in 100 Places Bill Lucas, Christopher Mulvey, 2013 A History of the English Language in 100 Places is a joyous ride through time, where readers can criss-cross the British Isles and the world at large to land in a hundred contrasting places and light on a hundred wonderful topics that bring the extraordinary story of the English language alive. -- [WorldCart].

The Making of the English Working Class Edward Palmer Thompson, 1964 This account of artisan and working-class society in its formative years, 1780 to 1832, adds an important dimension to our understanding of the nineteenth century. E.P. Thompson shows how the working class took part in its own making and re-creates the whole life experience of people who suffered loss of status and freedom, who underwent degradation and who yet created a culture and political consciousness of great vitality.

History of English Jonathan Culpeper, 2005 'Routledge Language Workbooks' are practical introductions to specific areas of languages for absolute beginners. They provide comprehensive coverage of the areas as well as a basis for further study.

History of Britain and Ireland DK, 2024-07-02 From ancient bloody battles and colonial conquests to the Industrial Revolution and Beatlemania, this visual guide leads you through major moments in British and Irish history. Discover the pivotal political, military, and cultural events that shaped British and Irish history, from the Stone Age to the present day. Combining over 700 photographs, maps, and illustrations with accessible text, History of Britain and Ireland is an invaluable resource for anyone seeking to learn more about the British Isles. Spanning six distinct periods of English, Welsh, Scottish, and Irish history, the book tells you how Britain transformed with Norman rule, fought two World Wars in the 20th century, and finally came to terms with a new status in a fast-changing economy. This comprehensive volume places key figures - from Alfred the Great to Winston Churchill - and major events - from Caesar's invasion to the Battle of the Somme - in their wider context. This makes it easier than ever before to learn how certain charismatic leaders, political factions, and specific

events influenced Britain and Ireland's development through the Age of Empires and into the modern era. Beautifully illustrated, *History of Britain and Ireland* is sure to delight history buffs of all ages.

"A" History of the English Language Albert C. Baugh, 1980

The Oxford History of English Lynda Mugglestone, 2012-11-29 This text traces the language from its obscure Indo-European roots to its 21st-century position as the world's first language. It describes the history of English within the British Isles, its changing roles in different places, and its rise to global pre-eminence.

The History of Early English Keith Johnson, 2016-06-10 The *History of Early English* provides an accessible and student-friendly introduction to the history of the English language from its beginnings until the end of the Early Modern English period. Taking an activity-based approach, this text ensures that students learn by engaging with the fascinating evolution of this language rather than simply reading about it. *The History of Early English*: Provides a comprehensive introduction to early, middle and early modern English; Introduces each language period with a text from writers such as Chaucer and Shakespeare, accompanied by a series of guiding questions and commentaries that will engage readers and give them a flavour of the language of the time; Features a range of activities that include discussion points, questions, online tasks and preparatory activities that seamlessly take the reader from one chapter to the next; Is supported by a companion website featuring audio files, further activities and links to online material. Written by an experienced teacher and author, this book is the essential course textbook for any module on the history of English.

Speaking American Richard W. Bailey, 2012-01-23 *Speaking American* shows what the English language looked like from various points on the American continent at crucial points in its linguistic history.

The English And Their History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading

documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The English And Their History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within

the academic community. When it comes to downloading The English And Their History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The English And Their History free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The English And Their History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The English And Their History any PDF files. With these platforms, the world of PDF

downloads is just a click away.

FAQs About The English And Their History Books

1. Where can I buy The English And Their History books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
