**Love and Longing in Bombay** Vikram Chandra,2011-05-05 Set in contemporary India, *Love and Longing in Bombay* confirms Vikram Chandra as one of today's most exciting young writers. In five haunting tales he paints a remarkable picture of Bombay - its ghosts, its passions, its feuds, its mysteries - while exploring timeless questions of the human spirit. 'When *Midnight's Children* first arrived on the scene, it became necessary to reevaluate stories from and about India. With Vikram Chandra's collection - his second book - it is time to take stock again . . . Breathtaking.' Observer

*The Light at the End of the World* Siddhartha Deb,2023-05-30 Connecting India's tumultuous 19th and 20th centuries to its distant past and its potentially apocalyptic future, this sweeping tale of rebellion, courage, and brutality reinvents fiction for our time. Delhi, the near future: Bibi, a low-ranking employee of a global consulting firm, is tasked with finding a man long thought to be dead but who now appears to be the source of a vast collection of documents. The trove purports to reveal the secrets of the Indian government, including detention centers, mutated creatures, engineered viruses, experimental weapons, and alien wrecks discovered in remote mountain areas. Bhopal, 1984: an assassin tracks his prey through an Indian city that will shortly be the site of the worst industrial disaster in the history of the world. Calcutta, 1947: a veterinary student's life and work connect him to an ancient Vedic aircraft that might stave off genocide. And in 1859, a British soldier rides with his detachment to the Himalayas in search of the last surviving leader of an anti-colonial rebellion. These timelines interweave to form a kaleidoscopic, epic novel in which each protagonist must come to terms with the buried truths of their times as well as with the parallel universe that connects them all, through automatons, spirits, spacecraft, and aliens. *The Light at the End of the World*, Siddhartha Deb's first novel in fifteen years, is a magisterial work of shifting forms, expanding the possibilities of fiction while bringing to life the India of our times.

Volume 1 An elite squad detective from the future travels back in time to hunt down a time escapee. Across the city of Tokyo, liquids are turning blue, and elsewhere a Tamil actress is kidnapped. *Islam and Good Governance* M. A. Muqtedar Khan, 2019-04-08 This book advances an Islamic political philosophy based on the concept of Ihsan, which means to do beautiful things. The author moves beyond the dominant model of Islamic governance advanced by modern day Islamists. The political philosophy of Ihsan privileges process over structure, deeds over identity, love over law and mercy and forgiveness over retribution. The work invites Muslims to move away from thinking about the form of Islamic government and to strive to create a self-critical society that defends national virtue and generates institutions and practices that provide good governance.

Sary and the Maharajah's Emeralds Sharon Shipley,2018-12-03 Imprisoned by a fanatical, corrupt maharajah in the torrid climes of 1910 India, Sarabande Swinford battles the maharajah's lust and another man's passions, all while desperately trying to regain her memory. She has forgotten her perilous adventures in both love and fortunes, but her intrepid spirit remains as she encounters jealousy in the harem, man- and woman-eating crocodiles, and venomous snakes, all in her attempts at escape. Her defender in every potentially fatal situation is, surprisingly, the rajah, brother to the maharajah. Rami is all the maharajah is not: handsome and muscular, graceful, intelligent, and compassionate, a fitting challenge to Sary's spirited nature, a man well educated and well travelled in the world. But the real question is whether he can overcome his brother's hold on power and survive while rescuing Sary.

100 Days of Sunlight Abbie Emmons,2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
