

# Der Fanger Im Roggen Roman

**Jerome David Salinger**

**Der Fänger im Roggen** Jerome David Salinger, 1975

**The Catcher in the Rye** J. D. Salinger, 2019-08-13 The brilliant, funny, meaningful novel (The New Yorker) that established J. D. Salinger as a leading voice in American literature--and that has instilled in millions of readers around the world a lifelong love of books. If you really want to hear about it, the first thing you'll probably want to know is where I was born, and what my lousy childhood was like, and how my parents were occupied and all before they had me, and all that David Copperfield kind of crap, but I don't feel like going into it, if you want to know the truth. The hero-narrator of The Catcher in the Rye is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days.

*The Catcher in the Rye* Jerome David Salinger, 1958 J. D. Salinger wrote one of the most famous books ever written, The Catcher in the Rye. Salinger wrote many stories and, in 1941, after several rejections, Salinger finally cracked The New Yorker, with a story, Slight Rebellion Off Madison, that was an early sketch of what became a scene in The Catcher in the Rye. The magazine then had second thoughts in part because of World War II in which Salinger was in combat, and held the story for five years before finally publishing it in 1946, buried in the back of an issue. Everyone was surprised when the story and the book that followed it became a bit hit. Even today nobody can really explain why Catcher in the Rye is so famous and so popular. Yet, millions have been sold and are still being sold even though only available as used books nowadays. When The Catcher in the Rye was published in 1951, it was registered for copyright as additional material. This obviously referred to the earlier work Slight Rebellion Off Madison. The copyright page on The Catcher in the Rye states Copyright 1945, 1946, 1951 by J. D. Salinger. The date of 1945 obviously refers to the publication of I'm Crazy, a short story written by Salinger and published in the December 22, 1945 issue of Collier's magazine that first introduced the character Holden Caulfield to the reading public. Salinger later reworked this short story to incorporate it into The Catcher in the Rye. The two earlier stories are I'm Crazy, an early version of Holden's departure from prep school that later shows up in The Catcher in the Rye. With minor alteration, much of this story is familiar to readers as the chapter where Holden visits Mr. Spencer. What sets this story apart is the presence of an additional Caulfield sister and the clarity of Holden's resignation and compromise at the

end. Slight Rebellion off Madison is an early version of another scene in *The Catcher in the Rye*. The story follows Holden when he is home from Pency and goes to the movies, then skating with Sally Hayes, followed by his drunken calls to her apartment late at night. An early story, it is the first of Salinger's Caulfield works to be accepted for publication.

**The Catcher in the Rye** J. D. Salinger, 2017-11-20 The hero-narrator of *The Catcher in the Rye* is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days. The boy himself is at once too simple and too complex for us to make any final comment about him or his story. Perhaps the safest thing we can say about Holden is that he was born in the world not just strongly attracted to beauty but, almost, hopelessly impaled on it. There are many voices in this novel: children's voices, adult voices, underground voices-but Holden's voice is the most eloquent of all. Transcending his own vernacular, yet remaining marvelously faithful to it, he issues a perfectly articulated cry of mixed pain and pleasure. However, like most lovers and clowns and poets of the higher orders, he keeps most of the pain to, and for, himself. The pleasure he gives away, or sets aside, with all his heart. It is there for the reader who can handle it to keep. J.D. Salinger's classic novel of teenage angst and rebellion was first published in 1951. The novel was included on Time's 2005 list of the 100 best English-language novels written since 1923. It was named by Modern Library and its readers as one of the 100 best English-language novels of the 20th century. It has been frequently challenged in the court for its liberal use of profanity and portrayal of sexuality and in the 1950's and 60's it was the novel that every teenage boy wants to read.

*The Catcher in the Rye* J. D. Salinger, Save Time Summaries, 2014-03-10 WARNING: This is not the actual book *The Catcher in the Rye* by J.D. Salinger. Do not buy this Summary, Review & Analysis if you are looking for a full copy of this great book. This summary for J.D. Salinger's *The Catcher in the Rye* is just the companion you need to enter the broken mind of Holden Caulfield, a character who for more than 50 years has been one of modern literature's most iconic figures. The disturbed teen stands at the center of this controversial novel that was banned in its day for its language, sexuality, and blasphemy. Years later, the book was tied to the infamous shootings of John Lennon and Ronald Reagan. Yet, despite the controversies, this classic *The Catcher in the Rye* has endured as a must-read. This guide to *The Catcher in the Rye* helps you unravel the enigmatic mind of the novel's anti-hero, as you explore the equally mysterious Salinger. His *The Catcher in the Rye* carried autobiographical elements. This expert summary includes chapter overviews and analyses to help you understand the complex layers of the story. Follow the downward spiral of Holden's mental state. Read about *The Catcher in the Rye*'s themes of isolation, grief, and salvation. Use the detailed character analyses to make connections between these themes and the people in Holden's world. This summary also includes other valuable highlights, such as critical interpretations of the novel over the past 50 years. Is *The Catcher in the Rye* a rebellious coming-of-age tale? Is it merely a dark portrait of a descent into madness? This summary and analysis helps you form your own answers.

*The Catcher in the Rye* Jerome David Salinger,1991 In an effort to escape the hypocrisies of life at his boarding school, 16-year-old Holden Caulfield seeks refuge in New York City.

**Twentieth-century Reworkings of German Literature** Gundula Sharman,2002 A study of six modern reworkings of classic works of German literature. A literary reworking is a fictional work based on an earlier, usually canonical, literary work. Gundula M. Sharman considers six twentieth-century examples of this phenomenon in German literature, including Peter Schneider's *Lenz* as a reworking of Georg Büchner's novella of the same title, Ulrich Plenzdorf's *Die neuen Leiden des jungen W.* as a reworking of Goethe's *Werther*, Wolfgang Koeppen's *Der Tod in Rom*, based on Thomas Mann's *Der Tod in Venedig*, and three other pairs of reworkings/original works from the genres of drama, the novella, and the novel. The indebtedness of such reworkings to the original works is openly acknowledged -- often in the title -- and this invites the reader to draw comparisons and to note contrasts between reworking and original. The twentieth-century author's interpretation and the reader's reception of the older work merge to form a subtext of the reworking, giving rise to a third narrative in the reader's imagination. The better the reader knows the literary model, the more multi-faceted the reworking appears. The purpose of each reworking is unique. One may demonstrate how much the world has changed since the publication of the original, while another argues that society has not changed at all. One may be conceived as an anti-work to the original,

while another serves to endorse its message. Common to all reworkings, however, is a gain in historical depth, and in each case themes and issues arise from the relationship of reworking to original that are not immediately apparent when the reworking is considered on its own. Gundula M. Sharman teaches in the German Department at the University of Aberdeen, Scotland.

*Salinger's The Catcher in the Rye* Sarah Graham, 2007-10-25 J. D. Salinger's 1951 novel, *The Catcher in the Rye*, is the definitive coming-of-age novel and Holden Caulfield remains one of the most famous characters in modern literature. This jargon-free guide to the text sets *The Catcher in the Rye* in its historical, intellectual and cultural contexts, offering analyses of its themes, style and structure, and presenting an up-to-date account of its critical reception.
