**The Manual for Self Realization** Swami Lakshmanjoo,2015-07-01 In the Vijnana Bhairava, Bhairavi (the Divine Mother) asks Lord Bhairava (God) to clear Her doubts about the essence of the path towards Self-realization. Compelled by Her sincerity and the simple yet penetrating insight of Her question, Bhairava explicitly reveals 112 contemplative techniques for entering into the state of God consciousness. In this multimedia study set, Swami Lakshmanjoo, an accomplished master of the Kashmir Shaiva school, not only translates the Sanskrit text into English but also lays bare the essential tricks involved in each of the contemplative techniques. ...Lakshmanjoo shares with me this ancient teaching from the Vijnana Bhairava.... Shiva first chanted it to his consort Devi in a language of love we have yet to learn. It presents 112 ways to open the invisible door of consciousness. I see Lakshmanjoo gives his life to its practice. Paul Reps-Zen Flesh, Zen Bones I express my sincerest gratitude to Swami Lakshmanjoo who unsealed my eyes, and kindly taught this book to me word by word. Jaideva Singh-Vijnanabhairava

Self-Realization Ghanshyam Sharma,2021-01-14 The book is a summary of my thirty-year journey into the depths of human consciousness and an effort to provide you a structured map to help accelerate your evolution.Experimenting with human consciousness poses unique challenges, when your thoughts, ideas, experiences, and assumptions are your biggest barriers, and you have been trained all your life to walk in exactly the opposite direction, how do you neutralize the barriers while juggling career, family, and life? How does it feel to touch your inner self, what are the signs that you are on the right path and how do you leverage your circumstances to make progress day after day?Ancient Indian sages have done plenty of work on human consciousness, Ramayana, Mahabharata, Bhagwat Gita are all full of hidden pointers to fascinating possibilities, Yoga Sutra's of Patanjali is a beautifully written summary of the path, but how do you know if working on these pointers will lead you anywhere? Are these epics merely mythology and philosophy? Or is there deep science and wisdom hidden in these ancient stories? I started my journey on a skeptical note with all such questions in mind, but as I went deeper, what I discovered was so fascinating and mind blowing, that my life was completely changed.Whether you are looking to adopt meditation practice to bring peace and positivity or want to peek into the mysteries of existence, I would invite you to read my fascinating journey and use that to polish your own path.

**O despertar de Shakti** Kavitha M. Chinnaiyan,2024-05-08 Combinando mitologia, psicologia, práticas espirituais e histórias inspiradoras, este livro é um convite para a autodescoberta Todo ser humano possui uma sensação de vazio que leva a uma eterna busca. Nessa jornada, ao procurarmos completude e contentamento, acabamos reprimindo as sombras que existem em nós, as partes que consideramos negativas ou maldosas. Este livro nos propõe um caminho diferente: o caminho das mahavidyas. De acordo com a filosofia tântrica, mahavidyas são os dez aspectos do divino feminino que se apresentam como diferentes personalidades cósmicas ou deusas da sabedoria. Essas facetas podem ser vistas como forças criativas, divindades devocionais, metáforas psicológicas e guias para um profundo trabalho interior. Por meio de exercícios contemplativos e práticas de autoquestionamento, O despertar de Shakti recorre a essas diferentes deusas para que elas possam nos mostrar a fonte de nosso sofrimento e nos abrir para as alegrias da existência. Mas, para alcançarmos esse estado de plenitude, devemos expandir nosso entendimento para além das dualidades — bem versus mal, certo versus errado e bonito versus feio — a fim de aceitarmos as partes de nós que tentamos negar. Ao escolher esse caminho, seja qual for sua história de vida, você descobrirá que é, e sempre foi, uma pessoa completa e perfeita.
