Ravens Ruin MC Marie James,2019-06-15 The Complete Ravens Ruin MC Includes: Desperate Beginnings Sins of the Father Luck of the Devil Dancing with the Devi

*Ravens Ruin Complete Series* Marie James,2023-11-17 This box set contains the Ravens Ruin MC Series! Included: 1. Sins of the Father I didn't want the legacy of leading my father's MC. I didn't want to be him. I didn't want to feel soul-deep attraction to the girl my sister brought home from school. But, we don't always control our destinies, do we? As the new President of the Ravens Ruin MC, I had a list of changes that needed to be made for the club. The same woman in my bed night after night wasn't on that list. Yet, here I am, sheets tangled, skin smelling like hers, and a devious smile on my face. 2. Luck of the Devil I'm good enough to protect her. I'm good enough to die for her. But, I'm not good enough to touch her? I may be the Vice President of the Ravens Ruin MC, but her brother, the President, has given all of us orders that she's off-limits. It's for the best, really. The demons in my past love to play with pretty little girls like her. 3. Dancing with the Devil I thought leaving her in that room covered in her attacker's blood would teach her a lesson. I thought she'd be more careful about her safety. Little did I know that she's seeking the pain and humiliation. Well, it's her lucky day, because pain is sort of my thing. I can hurt her much more than she's able to hurt herself. The twist is we'll both enjoy every second of it.

*Contingency Plan* Marie James,2023-11-17 As a former FBI agent, Flynn Coleman was made for his work with Blackbridge Security. He's highly trained, has a skill set meant for analysis and investigation, and meant to do important things. Yet, he's chasing a twenty-year-old starlet's daughter around New York City because the spoiled brat never learned how to behave. Remington Blair doesn't need a babysitter, but her parents insist. Keeping Flynn Coleman on his toes will be the most fun she's had in a while. Besides, just hearing him call her name with that accent is enough to keep her running.

**Sleight of Hand** Marie James,2023-11-17 Picture this: One drink, one look, and the BEST no-strings-attached night with a guy I met at the hotel bar. But then he comes out of the bathroom with a fake wedding ring on talking about not being able to stick around because he has carpool duty the next morning. I get it. I was a little excited about the idea of hooking up a second time. I know he thought he needed to get rid of me, but he took it too far. As if that wasn't humiliating enough, I show up to interview for my new job the next day, and he's sitting in the breakroom. How can I work with the man now?

**Macon** Marie James,2023-11-17 Tossing a middle finger to Macon, Georgia, on my way to Nashville. That was always the

dream. Sing country music, go on tour, top the charts—with my popularity growing every day, I was on my way. All it took was a gust of wind that blew up your skirt, and those white cotton panties had me hooked. I didn't know your name, and you turned down every attempt I threw your way. But I knew you were different, even though you told me I was the same. "Just friends" is what you offered, and I played by your rules, but, Adelaide Hatfield, you have to know, from that day, it was only you. I just hope I can make you see how much you mean to me before we both drown in the sorrow of what heartbreak will bring.

*Grinder: A Hockey/Coach MM Romance* Marie James,2023-11-17 Senior year, two hockey championships under his skates, and parents who didn't freak out when he swung the proverbial closet door open and stepped out... Damon Grant's life couldn't get any better. At least that's what he thought. When Jonah Kingston showed up at the barn as the new hockey coach, Damon couldn't believe his luck. What was it about the dark-haired, bright-eyed, former hockey star that made him want to grind on and off of the ice? \*A standalone, MM, coach/player, hockey novel. If you like steam in and out of the shower, *Grinder* is a book for you!

*Controlled Burn* Marie James,2023-11-17 As the mechanic for Blackbridge Security, when I make a mistake things don't work properly. Correcting that mistake is the only way to get things operational. I meet issues in my personal life with the same mindset. How was I to know the woman I've been flirting with at the gym is the same woman I called a noise complaint on? I got her kicked out of her condo. My first response: Move in with me. When she confessed to having three kids, it was too late to back down. I thought keeping my hands off of her was going to be a problem, but the tiny terrors she brought along with her are extremely effective at solving that problem for me.

**Sins of the Father** Marie James,2023-11-17 I didn't want the legacy of leading my father's MC. I didn't want to be him. I didn't want to feel soul-deep attraction to the girl my sister brought home from school. But, we don't always control our destinies, do we? As the new President of the Ravens Ruin MC, I had a list of changes that needed to be made for the club. The same woman in my bed night after night wasn't on that list. Yet, here I am, sheets tangled, skin smelling like hers, and a devious smile on my face.

*Hostile Territory* Marie James,2023-11-17 Can you call someone an enemy if you haven't seen them for the better part of a decade? Deacon Black is perfectly content with the status quo—work, sleep, repeat. Who cares if he's rigid, structured, and set in his ways? It's a job requirement that keeps his men safe and his company's doors open. One phone call is all it takes to upend his life and land him right back into a past he has tried to forget. Revisiting old ghosts is the last thing he needs. Especially when the forced trip down memory lane includes the only woman he never wanted to see again. Annalise Grimaldi hit the jackpot with her life—from her trust fund to her best friend, she has it all. But her world comes crashing to a halt when her best friend vanishes— leaving behind an apartment in tatters and more questions than answers. There's only one

person she can think of that can help in a situation like this. She hates to make the call, but there isn't a thing she wouldn't do to make sure her friend is found. Even setting aside her hatred for Deacon Black.

*One-Eighty* Marie James,2023-11-17 He loves what he can't remember —she can't forget the truth... PIPER Arrogant, controlling, and an absolute jerk. He's everything I loathe, and everything I want to forget. But he doesn't remember a bit of it. One accident, one misstep, changed everything. Changed him. Now, he's different and unbelievably sexy. But I refuse to fall for a bully. DALTON Sexy, smart, feisty, and perfect. She's everything I want, and nothing that I remember. What she says I am, I refuse to believe. For her, I will be anything. I will do anything. Even destroy the bully from before. A standalone enemies-to-lovers romance.

*Heroic Measures* Marie James,2023-11-17 Opposites don't just attract. They captivate. They entice. They beckon. As the medic for the Blackbridge Security team, he was just fine hanging out at the office in his spare time. Jude Morris was...boring. He didn't need excitement. He wasn't a thrill-seeker. Then he met a woman who was. Parker Maxwell, the only woman able to captivate, entice, and beckon him, was his antithesis. The up to his down. The light to his dark. The hot to his cold. He couldn't take his eyes off of her. She didn't seem to notice him. It's going to take heroic measures for this guy to win the girl.

*Taunting Tony* Marie James,2023-11-17 Rules. They're a necessity. They make the world go 'round and help idiots function in society. Most don't require much thought and are easy to follow—or so I thought... I didn't realize, however, that the new group of people I became friends with could have so many. No sleeping with group member's moms? Easy enough. No shirts at the BBQ? I'm all over that. Do you know how hot it gets in Texas during summertime? No sleeping with others in the group? Now this one... This one is killing me. If you saw Joseph Snow, with those killer abs and cocky smirk, you'd be thinking the exact same thing... rules are meant to be broken. *Taunting Tony* is an MM contemporary romance.

*Crowd Pleaser* Marie James,2018-07-23 I had one job. Show up and rock his world. So, I did just that. I left him panting and begging for more. Mission complete. The next day, however, I'm told he was the wrong guy. If that's the case, why did it feel so right? I had one job, and I blew it...literally.

**Evil's Price** Olivia Alexander,Raven Dark,2020-03-02 Spider She's mine. Not because she's in love with me, but because as the Sergeant At Arms for the Devil's Outlaws MC, I'm expected to handle her. I enjoy punishing her for her crime against the MC. I'm glad she did what she did. Because now I get to keep her. But she's not who she says she is. I'm going to get to the bottom of her little game and shut it down. Now I can't figure out if I need to kill her or protect her. I'll keep her alive...as long as she doesn't lie. Emma What did I do? One bad decision sent my world spiraling into hell. Straight into the arms of a monster. I had no choice. Now the question is which is better, The cult whose horrors I barely escaped, Or the nightmare my outlaw captor has trapped me in? I may hate where I am now, But I can't stop thinking about him. I loathe him with every

fiber of my being, yet when he leaves, I crave his touch. I'm his captive, his prisoner. I'm playing a role, Planning my escape. As long as he doesn't see through my facade, I'll make it out alive. I'll make it out before he destroys me. \*\*\*DISCLAIMER: Cliffhanger ahead. Spider's story will conclude in book 2, EVIL'S PACT. The following two books will feature another couple. Free the Darkness Kel Kade,2021-07-06 Raised and trained in seclusion at a secret fortress on the edge of the northern wilds of the Kingdom of Ashai, a young warrior called Rezkin is unexpectedly thrust into the outworld when a terrible battle destroys all that he knows. With no understanding of his life's purpose and armed with masterful weapons mysteriously bestowed upon him by a dead king, Rezkin must travel across Ashai to find the one man who may hold the clues to his very existence. Determined to adhere to his last orders, Rezkin extends his protection to an unlikely assortment of individuals he meets along the way, often leading to humorous and poignant incidents. As if pursuing an elite warrior across a kingdom, figuring out who he is and why everyone he knows is dead, and attempting to find these so-called friends and protect them is not enough, strange things are happening in the kingdom. New dangers begin to arise that threaten not only Rezkin and his friends, but possibly everyone in Ashai.

**The Ravens** Kass Morgan,Danielle Paige,2020-11-03 Loner Vivi Deveraux is thrilled to join Westerly College's Kappas, who are secretly witches, until she meets perfect, polished Scarlett Winter, who will stop at nothing to be the sorority's next president.

**Shot in the Dark** Marie James,2023-11-17 As an IT expert and hacker extraordinaire, Wren Nelson is no stranger to discovering all sorts of secrets online. He's a warrior...when he's behind his computer, that is. And awkward at best in social situations. His long hours with Blackbridge Security don't really provide many opportunities to go out and meet people. So what is he supposed to do when a wrong delivery—a questionably large box of bedroom toys—ends up in his hands instead of its intended target? Online stalking has always been his go-to to accumulate information on people, but only seeing Whitney through digital displays isn't enough. Approaching her doesn't seem like the best plan either. What he doesn't know is that this woman is possibly the only one in existence able to give him a run for his money.

**Kincaid** Marie James,2016-02-10 I am Emmalyn Mikaelson. My husband, in a rage, hit me in front of the wrong person. Diego, or Kincaid to most, beat the hell out of him for it. I left with Diego anyway. Even though he could turn on me just like my husband did, I knew I had a better chance of survival with Diego. That was until I realized Kincaid could hurt me so much

worse than my husband ever could. Physical pain pales in comparison to troubles of the heart. I am Diego Kincaid Anderson. She was a waitress at a bar in a bad situation. I brought her to my clubhouse because I knew her husband would kill her if I didn't. Now she has my protection and that of the Cerberus MC. I never expected her to become something more to me. I was in more trouble than I've ever been in before, and that's saying a lot considering I served eight years in the Marine Corps with Special Forces.
