Marie James

Taunting Tony Marie James.2023-11-17 Rules. They're a necessity. They make the world go 'round and help idiots function in society. Most don't require much thought and are easy to follow—or so I thought... I didn't realize, however, that the new group of people I became friends with could have so many. No sleeping with group member's moms? Easy enough. No shirts at the BBQ? I'm all over that. Do you know how hot it gets in Texas during summertime? No sleeping with others in the group? Now this one... This one is killing me. If you saw Joseph Snow, with those killer abs and cocky smirk, you'd be thinking the exact same thing... rules are meant to be broken. *Taunting Tony* is an MM contemporary romance.

Grinder: A Hockey/Coach MM Romance Marie James.2023-11-17 Senior year, two hockey championships under his skates, and parents who didn't freak out when he swung the proverbial closet door open and stepped out... Damon Grant's life couldn't get any better. At least that's what he thought. When Jonah Kingston showed up at the barn as the new hockey coach, Damon couldn't believe his luck. What was it about the dark-haired, bright-eyed, former hockey star that made him want to grind on and off of the ice? *A standalone, MM, coach/player, hockey novel. If you like steam in and out of the shower, *Grinder* is a book for you!

More Than A Memory Marie James.2023-11-17 "I'm your new roommate." Four simple words turned my life upside-down. I can't let a man—a baseball-playing stranger no less—move into my apartment. Even if he doesn't have anywhere else to go. Bryson Daniels is too familiar—too much like him. He'll discover my secrets - my obsession. I was already questioning my insanity, but one unlucky collision in the hallway may be enough to send me over the edge. How can I bear having one man on my mind when another still lives in my heart?

Lessons Learned Marie James.2023-11-17 Despite having a previous connection, I've hated Lauren Vos since the day she stepped over my bleeding body and left me for dead. We were never meant to be. She's an undercover FBI agent, and I'm a mercenary that goes where the highest bidder takes me. After seeing each for the first time in years, she thinks we can just pick up where we left off, but the man she once knew died long ago. What I didn't know is that the man I became after her betrayal was the man she needed all along. I feed on her urgency for degradation, but heaven help me, it may be the death of

us both. The Mission Mercenaries is a DARK ROMANCE series, and a Cerberus MC spin-off. Expect crossovers to happen!

Crossing Borders Marie James.2023-11-17 Although I take my job very seriously—being the resident charmer, the man responsible for helping clients with security, all the while making it look like I’m the newest love interest of insanely gorgeous women—it looks like it’s all fun and games. I’m getting paid to go on dates to some of the most glamorous places all around the world after all, but at the end of the day, it’s still work. When the assignment is over, I walk away—usually with a smile and another notch in my bedpost, but who am I to turn down the perks? This new assignment should be no different. I can play any role handed to me. Hell, I love a new challenge. Only Archer Bremen is different... and not just for the obvious reasons. His British accent hits me in a way I never expected. The scowl on his face makes me think of a million things I could do to make it fade. His smile tells me that this new assignment is going to change everything...

Redemption Refused Marie James.2023-11-17 Hooking up with the college freshman I was supposed to keep an eye on was easier than tracking her. Kidnapping her after that first night was easier than following her around campus. I’m massive, scarred, and tattooed. I don’t exactly fit in with her crowd. After the job was done, cutting her loose was the hard part. Making it through the day without seeing her became impossible. Some may call it stalking, but I call it vigilance. She seems invested in this game of cat and mouse we’re playing, but she’s mistaken. I’m not a toy she can discard when she’s bored. Trying to get her out of my system may leave us both in pieces.

The Raven Derek Ratcliffe.2010-01-31 The Raven presents a summary of knowledge of its natural history, describing its distribution, feeding habits, association with other animals, and breeding. The Raven is one of the most spectacular and romantic of British birds, but relatively neglected in the modern literature of ornithology. Derek Ratcliffe here presents a thorough summary of our knowledge of its natural history, emphasizing the long association of the bird with humankind. The place of the Raven in myth, legend and history is long established, and this book describes the bird's fall from grace as a valued scavenger in medieval cities to a persecuted outcast in the modern wilds. The previous wide occurrence of Ravens is reviewed against the relationships between their present distribution, status and habitat requirements, as both a nesting and a non-breeding resident. The dependence of Ravens on carrion (especially sheep) within an omnivorous diet is the key to the species' ecology, and its social behaviour has evolved in close relation to this lifestyle. The flocking and communal roosting of non-breeders are major features of Raven behaviour, while their nesting habits emphasise the territorial nature of breeding birds and their adaptation to secure but harsh environments. Raven numbers vary in relation to their food supply, local populations adjusting accordingly, although the precise mechanism involved is still obscure. Ravens have a considerable capacity for recolonising old haunts when suitable conditions are restored, as well as exploiting new areas where the habitat becomes favourable, and there are local success stories to tell. Nationwide, however, the species' position is delicately balanced and depends on both sympathetic land management practices and improving attitudes to Ravens as friends not foe.

Worldwide, Ravens are one of the most successful of all bird groups, occurring over a large part of the northern hemisphere, and replaced in some southern and tropical regions by other raven species which exploit the familiar raven niche in their own environments. The discussion of the northern hemisphere species is enlivened by reference to other species where useful. Finally, the Raven's age-old reputation for high intelligence is weighed critically against the available evidence. Today, Ravens carry a new omen in the modern world, as a barometer of goodwill to wildlife. Like those in the Tower of London, the continued existence of Ravens in our wild countryside will reveal something about both our current situation and our prospects for the future. The text is brought to life through wonderful illustrations by Chris Rose.

I didn't want to be him. I didn't want to feel soul-deep attraction to the girl my sister brought home from school. But, we don't always control our destinies, do we? As the new President of the Ravens Ruin MC, I had a list of changes that needed to be made for the club. The same woman in my bed night after night wasn't on that list. Yet, here I am, sheets tangled, skin smelling like hers, and a devious smile on my face. 2. Luck of the Devil I'm good enough to protect her. I'm good enough to die for her. But, I'm not good enough to touch her? I may be the Vice President of the Ravens Ruin MC, but her brother, the President, has given all of us orders that she's off-

limits. It's for the best, really. The demons in my past love to play with pretty little girls like her. 3. The twist is we'll both enjoy every second of it.

Truth Be Told Marie James.2023-11-17 Lies ruin lives. Ignacio Torres, the translator for Blackbridge Security, has told his fair share and then some. He's lived with those lies, lived with the loss of her for over a decade. What he didn't expect was going home to help with a family matter only to discover Tinley has told the biggest lie of all.

Shot in the Dark Marie James.2023-11-17 As an IT expert and hacker extraordinaire, Wren Nelson is no stranger to discovering all sorts of secrets online. He's a warrior...when he's behind his computer, that is. And awkward at best in social situations. His long hours with Blackbridge Security don't really provide many opportunities to go out and meet people. So what is he supposed to do when a wrong delivery—a questionably large box of bedroom toys—ends up in his hands instead of its intended target? Online stalking has always been his go-to to accumulate information on people, but only seeing Whitney through digital displays isn't enough. Approaching her doesn't seem like the best plan either. What he doesn't know is that this woman is possibly the only one in existence able to give him a run for his money.

Controlled Burn Marie James.2023-11-17 As the mechanic for Blackbridge Security, when I make a mistake things don't work properly. Correcting that mistake is the only way to get things operational. I meet issues in my personal life with the same mindset. How was I to know the woman I've been flirting with at the gym is the same woman I called a noise complaint on? I got her kicked out of her condo. My first response: Move in with me. When she confessed to having three kids, it was too late to back down. I thought keeping my hands off of her was going to be a problem, but the tiny terrors she brought along with her are extremely effective at solving that problem for me.

Crowd Pleaser Marie James.2018-07-23 I had one job. Show up and rock his world. So, I did just that. I left him panting

and begging for more. Mission complete. The next day, however, I'm told he was the wrong guy. If that's the case, why did it feel so right? I had one job, and I blew it...literally.

We Said Forever Marie James.2023-11-17 Second chances are meant only for those that deserve them. Love isn't enough to heal when you've shattered a heart. Love isn't enough to make you forget. Love isn't enough to make you look back when you're supposed to be moving forward. Love just—isn't enough. I broke Fallyn McIntyre, and in doing so I broke myself. Betrayal, addiction, and years separate us. I'm no longer the man I used to be. But I'm still not sure I'm man enough.

Calculated Risk Marie James.2023-11-17 As the fixer for Blackbridge Security, Quinten Lake is the man that comes in and cleans up after people make stupid decisions. Dancing with the Devil Marie James.2023-11-17 I thought leaving her in that room covered in her attacker's blood would teach her a lesson. I thought she'd be more careful about her safety. Little did I know that she's seeking the pain and humiliation. Well, it's her lucky day, because pain is sort of my thing. I can hurt her much more than she's able to hurt herself. The twist is we'll both enjoy every second of it.

Love Me Like That Marie James.2023-11-17 After living a life of betrayal and abuse, London Sykes is on her own. She's ready to start over, leaving the past behind. But when her car skids off the road, London is rescued by a sad, mysterious, and sexy man--a man who changes everything for her. Kadin Cole is done. Can their passion thaw their hearts and give them a chance at something more?

Bridges Burned Marie James.2023-11-17 I didn't swear vengeance on the Severino Family after Ellie's death. I was only a child after all. I didn't swear vengeance when my father, a coward who wasn't man enough to seek justice for her, drank himself into a divorce. Going after them would be a death sentence. I chose to live my life in the shadows, seeking revenge for others. That was until I ran into the very man that took Ellie's life. I can still smell the smoke clinging to my skin from all

the bridges I burned because of that man. Walking away was no longer an option. Killing him would be easy, but taking the woman that was promised to him seemed like a better wager. Exacting retribution through her was the gamble I made. Surviving her now seems impossible.

Mistakes Made Marie James.2023-11-17 The worst thing you can ever do is make an assumption about me, despite my job resting solely on making people think I'm someone I'm not. I know that makes me crazy, narcissistic, and a little out of touch with the reality of how the world works. I'll never argue that fact with anyone. Maybe it was the hundred-degree Texas weather. Maybe it was overstimulation from the crowds at the beach. Maybe it was one of a million other things that irritated me that day. But when Raya Reed looked me up and down, finding me lacking on some scale I'm sure no man in her life would ever live up to, I snapped. It wasn't until she was tied up in my house that I discovered she was Senator Thomas Reed's daughter. A normal person would let her go. I've made a lot of mistakes in my past, but making Raya MINE will never be one of them.

Heroic Measures Marie James.2023-11-17 Opposites don't just attract. They captivate. They entice. They beckon. As the medic for the Blackbridge Security team, he was just fine hanging out at the office in his spare time. Jude Morris was...boring. He didn't need excitement. He wasn't a thrill-seeker. Then he met a woman who was. Parker Maxwell, the only woman able to captivate, entice, and beckon him, was his antithesis. The up to his down. The light to his dark. The hot to his cold. He couldn't take his eyes off of her. She didn't seem to notice him. It's going to take heroic measures for this guy to win the girl.

Depravity Delivered Marie James.2023-11-17 The job I took was personal for my boss, but my abduction quickly made it personal for me. There's no forgiveness for the things they made me do to her. It would be easy to point fingers, but what about the part of me that liked it? Something triggered that sickness and left me needy. I made a choice to protect her when I could, but the need to hurt her again is always in the back of my mind. The crazy thing is, I see that same darkness in her eyes when she looks at me. If we survive captivity, there's still no guarantee we'll survive each other.

Catch Twenty-Two Marie James.2023-11-17 He can't stand anything about her, but can't keep his hands off of her. Frankie I wasn't looking for him. He found me. With his sexy smirk and irresistible body. I wanted nothing to do with someone like him. Judgmental and brooding. So full of himself. But now, I'm stuck playing the fool. Falling for him. And losing it all. If only for one night. ZEKE Stuffy, rich, entitled. The kind of girl that gets what she wants. When she wants it. And I want nothing to do with her. Yet, I can't stay away. I'm drawn to her kindness and compassion. Her beauty. She holds me when the pain won't subside. And now, if I can help it, I'm going to hold on to her... Forever.

Desperate Beginnings Marie James.2023-11-16 I didn't realize I'm the monster in this story until the rope is already snug around my neck. Every order, every move, every attempt to make things better only dug my grave a little deeper. Until this

point in my life, I'd fought, killed, and bled to build my club, to prove to my son what kind of man is needed to lead Ravens Ruin MC. Who could've predicted that he'd be a bigger monster than I ever dreamed?

Macon Marie James.2023-11-17 Tossing a middle finger to Macon, Georgia, on my way to Nashville. That was always the dream. Sing country music, go on tour, top the charts—with my popularity growing every day, I was on my way. All it took was a gust of wind that blew up your skirt, and those white cotton panties had me hooked. I didn't know your name, and you turned down every attempt I threw your way. But I knew you were different, even though you told me I was the same. "Just friends" is what you offered, and I played by your rules, but, Adelaide Hatfield, you have to know, from that day, it was only you. I just hope I can make you see how much you mean to me before we both drown in the sorrow of what heartbreak will bring.

They had nothing on the real thing. I was given the weekend to make my dreams come true. The ramifications, however, will last a lifetime. Keeping a secret is one thing. Living with the lies is impossible. Crossing Borders Although I take my job very seriously—being the resident charmer, the man responsible for helping clients with security, all the while making it look like I'm the newest love interest of insanely gorgeous women—it looks like it's all fun and games. I'm getting paid to go on dates to some of the most glamorous places all around the world after all, but at the end of the day, it's still work. When the assignment is over, I walk away—usually with a smile and another notch in my bedpost, but who am I to turn down the perks? This new assignment should be no different. I can play any role handed to me. Hell, I love a new challenge. Only Archer Bremen is different... and not just for the obvious reasons. His British accent hits

me in a way I never expected. The scowl on his face makes me think of a million things I could do to make it fade. His smile tells me that this new assignment is going to change everything... The situation turns dire when friendships and bonds are tested past the breaking point. Allegiances are questioned and relationships may crumble. Luck of the Devil Marie James.2023-11-17 I'm good enough to protect her. I'm good enough to die for her. But, I'm not good enough to touch her?
