

April Is Lush English Edition

Natasha Friend

Lush Natasha Friend,2010-02-01 Natasha Friend is a Judy Blume for today -- clearly evident in this remarkable new novel about a girl whose father is an alcoholic and how she and her family learn to deal with his condition.It's hard to be a 13-year-old girl. But it's even harder when your father's a drunk. It adds an extra layer to everything -- your family's reactions to things, the people you're willing to bring home, the way you see yourself and the world. For Samantha, it's something that's been going on for so long that she's almost used to it. Only, you never get used to it. Especially when it starts to get worse...

Waiting for April Scott M. Morris,2003-03-28 Living in the small Florida town where his father was killed under suspicious circumstances, Roy Collier grows up the mirror image of his father while the secrets of the past come back to haunt him.

The Enchanted April (Esprios Classics) Elizabeth von Arnim,2023-03-31 The Enchanted April is a 1922 novel by British writer Elizabeth von Arnim. The work was inspired by a month-long holiday to the Italian Riviera, probably the most widely read (as an English and American best seller in 1923) and perhaps the lightest and most ebullient of her novels. Von Arnim wrote and set the book in the 15th century Castello Brown. Critic Terence de Vere White credited The Enchanted April with making the Italian resort of Portofino fashionable. The novel follows four dissimilar women in the 1920s England who leave their rainy, grey environments to go on holiday in Italy.

Lena Cassie Pruyn,2017 Twenty-five winner of the Walt McDonald First-Book Prize in Poetry--

April is Lush Aditya Tiwari, April is Lush is a collection of poetry about love, loss, heartbreak, trauma, LGBTQIA+, women, and self-worth. The seven sections of the book takes readers through an emotional journey and serves a powerful message that there is magic in your veins and nothing or no one can stop you. It's time you realise that 'it's all in you' it's always been there all along.

Smellosophy A. S. Barwich,2020-07-14 An NRC Handelsblad Book of the Year "Offers rich discussions of olfactory perception, the conscious and subconscious impacts of smell on behavior and emotion." —Science Decades of cognition research have shown that external stimuli "spark" neural patterns in particular regions of the brain. We think of the brain as a space we can map: here it responds to faces, there it perceives a sensation. But the sense of smell—only recently attracting broader attention in neuroscience—doesn't work this way. So what does the nose tell the brain, and how does the brain

understand it? A. S. Barwich turned to experts in neuroscience, psychology, chemistry, and perfumery in an effort to understand the mechanics and meaning of odors. She discovered that scents are often fickle, and do not line up with well-defined neural regions. Upending existing theories of perception, Smellosophy offers a new model for understanding how the brain senses and processes odors. “A beguiling analysis of olfactory experience that is fast becoming a core reference work in the field.” —Irish Times “Lively, authoritative...Aims to rehabilitate smell’s neglected and marginalized status.” —Wall Street Journal “This is a special book...It teaches readers a lot about olfaction. It teaches us even more about what philosophy can be.” —Times Literary Supplement

The Enchanted April, Large-Print Edition Elizabeth Von Arnim,2008-07 Four women rent a chateau on a remote Italian island to try to come to grips with their lives and relationships. Enchanted August Brenda Bowen,2015-06-02 “A charming, thoroughly engrossing novel that’s the next best thing to being there.” —People Magazine Hopewell Cottage Little Lost Island, Maine. Old, pretty cottage to rent on a small island. Springwater, blueberries, sea glass. August. So reads an ad on Lottie Wilkes’ and Rose Arbuthnot’s children’s preschool bulletin board. When the mothers arrive on the island, they are transformed by the salt air; the breathtaking views; the long, lazy days; and the happy routine of lobster, corn, and cocktails on the wraparound porch. By the time of the late-August blue moon, real life and its complications have finally fallen far, far away. For on this idyllic island they gradually begin to open up: to one another and to the possibilities of lives quite different from the ones they’ve been leading. Change can’t be that hard, can it? With a cast of endearingly imperfect characters—including indie movie star Caroline Dester and an elderly Beverly Fisher, who is recovering from heartbreaking loss—and set against the beauty of a gorgeous New England summer, Enchanted August is a sparkling summer debut that brilliantly updates the beloved classic *The Enchanted April* in a novel of love and reawakening that is simply irresistible.

The Sober Lush Amanda Eyre Ward,Jardine Libaire,2020-06-02 A sober hedonist's guide to living a decadent, wild, and soulful life--alcohol-free. In a culture where sipping rosé all day is seen as the epitome of relaxation, grabbing a drink the only way to network; and meeting at a bar the quintessential first date, many of us are left wondering if drinking alcohol really is the only way to cultivate joy and connection in life. Jardine Libaire and Amanda Eyre Ward wanted to live spontaneous and luxurious lives, to escape the ordinary and enjoy the intoxicating. Their drinking, however, had started to numb them to the present moment instead of unlocking it. Ward was introduced to Libaire when she first got sober. As they became friends, the two women talked about how they yearned to create lives that were Technicolor, beautifully raw, connected, blissed out, and

outside the lines . . . but how? In *The Sober Lush*, Libaire and Ward provide a road map for living a lush and sensual life without booze. This book offers ideas and instruction for such nonalcoholic joys as: • The allure of the Vanish, in which one disappears early from the party without saying goodbye to a soul, to amble home under the stars • The art of creating zero-proof cocktails for all seasons • Having a fantastic first date while completely sober • A primer on setting up your own backyard beehive, and honey tastings For anyone curious about lowering their alcohol consumption or quitting drinking altogether, or anyone established in sobriety who wants inspiration, this shimmering and sumptuous book will show you how to keep indulging in life even if you stop indulging in alcohol.
