In a classroom situation, teachers can use the tests for general revision / consolidation purposes. Students working on their own can also test their knowledge of vocabulary and grammar while checking their answers in the answer key. Each test consists of 5 exercises, making a total of 35 questions. Exercise 1 tests knowledge of key grammar points in a multiple-choice format. Exercise 2 requires students to identify and correct a mistake. Exercise 3 is a classic cloze, testing knowledge of grammar and vocabulary in the context of a short text. Exercise 4 consists of 5 multiple-choice vocabulary questions. Exercise 5 requires students to write the missing word in a sentence (the first and last letters are given). The grammar points and the vocabulary items are all based on the B1 level syllabus as defined by the Common European Framework on Languages.
