The text also presents the principles relating to the impact of the Constitution of the United States on the admissibility of evidence (i.e., search and seizure, opposing party's statements (admissions) and confessions, the right to counsel, and identification procedures). Finally, the text presents those principles relating to the law enforcement professional as a witness. This text is written in a clear, lively, and personal style to appeal to criminal justice professionals and students on the way to becoming professionals.
