Cloned Lives Pamela Sargent, 2014-04-01 This debut sci-fi novel by the Nebula and Locus Award-winning author of *The Shore of Women* follows five human clones in an unforgiving world. Shock and outrage greet Paul Swenson's announcement of the success of his latest and most controversial scientific endeavor. Having taken advantage of a brief lull in legislative restrictions, the renowned astrophysicist and a team of bioscientists have created five human clones—four males and one female—from Swenson's own genetic material. From the moment Michael, Edward, Albert, James, and Kira Swenson are revealed to the world, they are viewed with hostility and suspicion. Growing up under the heavy yoke of specialness, the five exceptional human "experiments" have no one but each other to turn to for emotional support. Then tragedy strikes and

everything falls apart . . . Now Kira and her brothers must follow their destinies down separate, divergent paths. Heading out into a world that never welcomed them, each clone is intent on pursuing knowledge, career, family—all the desired elements of a so-called normal life. But they cannot escape their shared past, because the true purpose behind Paul Swenson’s remarkable achievement remains shrouded in shadow. And his children are prepared to travel to the ends of the Earth and beyond for an answer to the question that has always haunted them: Why were we made?

I Am Number Four Collection: Books 1-6 Pittacus Lore, 2015-09-01 The first six novels in the New York Times bestselling Lorien Legacies series are included in this collection: I Am Number Four: The book that started it all . . . Nine of us came here. We look like you. We talk like you. We live among you. But we are not you. We can do things you dream of doing. We have powers you dream of having. We are stronger and faster than anything you have ever seen. Our plan was to grow, and train, and become strong, and become one, and fight them. But they found us and started hunting us first. I am next. The Power of Six: I've seen him on the news. Followed the stories about what happened in Ohio. There are six of us left. We're hiding, blending in, avoiding contact with one another . . . but our Legacies are developing, and soon we'll be equipped to fight. Is John Number Four, and is his appearance the sign I've been waiting for? And what about Number Five and Six? I am Number Seven. One of six still alive. And I'm ready to fight. The Rise of Nine: In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India. The Fall of Five: When the Garde receive a sign from Number Five—a crop circle in the shape of a Lorien symbol—they know they are close to being reunited. But could it be a trap? Time is running out, and the only thing they know for certain is that they have to get to Five before it's too late. The Revenge of Seven: The Garde have suffered an unbearable loss. Number Five has betrayed them. Eight is gone forever. Ella has been kidnapped. The others are

The Fate of Ten: The sixth and penultimate book in the series! For years the Garde have fought the Mogadorians in secret. Now all of that has changed. The invasion has begun. The Garde are stretched thin, fighting this war on many fronts. The only chance they have is to take out the Mogadorian leader once and for all—but his fate is now irrevocably tied with Ella's. They can't destroy one without the other. But if the Garde can't find another way to stop the Mogs, humanity will suffer the same fate as the Loric: annihilation.

United as One Pittacus Lore, 2017-05-30 The seventh and final book in the #1 New York Times bestselling I Am Number Four series brings the Garde's story to a breathtaking conclusion. They've teamed up with the US military, but it might not be enough. The Garde need reinforcements, and they've found them in the most unexpected place. Teenagers from across the globe, like John Smith's best friend, Sam, have developed abilities. So John and the others must get to them before the Mogs, because if they don't their enemies will use these gifted teens for their own sinister plan. But after all that has been taken from John—his home, his family, his friends, and the person he loves most—he might not want to put any more lives in danger. He's got nothing left to lose, and he's just discovered he has an incredible new Legacy. Now he can turn himself into the ultimate weapon.
