The Walls of Israel Jean Lartéguy,2014-04-01 Surrounded on all borders but its western coastline by hostile and

aggressive neighbors, the state of Israel resembles the walled city of the Middle Ages. But its walls are not stone and mortar, they are flesh and blood—they are the soldiers, both men and women—the airmen, the intelligence, the tankscorpsmen and the paratroops. These young people—from the old ghettos of Europe, from the cities of North Africa and Asia, native-born Sabras—are the protecting wall that keeps Israel free. The Walls of Israel is Jean Lartéguy's fascinating 1968 study of the Israeli armed forces. Talking with them, living with them, joining in their operations (he was taken along on a nighttime ambush set up to catch Syrian infiltrators), Lartéguy got to know the Israeli soldier as few could. From this book, wide ranging and filled with lively anecdotes, emerges a picture of an army, tough and determined, yet intelligent and realistic enough to foresee a long and dangerous road ahead before a peace is won.

According to Mary Marianne Fredriksson,2002-10-03 Long after the death of Christ, Mary Magdalene is married to a silk merchant, Leonidas. She lives a quiet and harmonious life until, one day, the apostle Peter comes to the market square to preach and she slips into the crowd to hear what he has to say. She is not impressed, and wants to forget that Jesus chose death, not life with her. But she has reckoned without the apostles who persuade her to write down everything she can remember. Mary starts with her Jewish childhood and the slaughter of her family by the Romans. Running for her life, she is rescued by Leonidas who leaves her in a 'house of pleasure' where she grows into a beautiful woman. Then she meets and falls deeply in love with a young man from Nazareth - and her life changes. . . Marianne Fredriksson masterfully breathes new life into the figure of Mary Magdalene in this novel of the life, death and resurrection of Jesus Christ, seen through the eyes of the woman who loved him most.
