The Thirty Names of Night Zeyn Joukhadar, 2020-11-24 Winner of the ALA Stonewall Book Award—Barbara Gittings Literature Award Named Best Book of the Year by Bustle Named Most Anticipated Book of the Year by The Millions, Electric Literature, and HuffPost The author of the “vivid and urgent...important and timely” (The New York Times Book Review) debut *The Map of Salt and Stars* returns with this remarkably moving and lyrical novel following three generations of Syrian Americans who are linked by a mysterious species of bird and the truths they carry close to their hearts. Five years after a suspicious fire killed his ornithologist mother, a closeted Syrian American trans boy sheds his birth name and searches for a new one. He has been unable to paint since his mother’s ghost has begun to visit him each evening. As his grandmother’s sole caretaker, he spends his days cooped up in their apartment, avoiding his neighborhood masjid, his estranged sister, and even his best friend (who also happens to be his longtime crush). The only time he feels truly free is when he slips out at night to paint murals on buildings in the once-thriving Manhattan neighborhood known as Little Syria. One night, he enters the abandoned community house and finds the tattered journal of a Syrian American artist named Laila Z, who dedicated her

career to painting the birds of North America. She famously and mysteriously disappeared more than sixty years before, but her journal contains proof that both his mother and Laila Z encountered the same rare bird before their deaths. In fact, Laila Z's past is intimately tied to his mother's—and his grandmother's—in ways he never could have expected. Even more surprising, Laila Z's story reveals the histories of queer and transgender people within his own community that he never knew. Realizing that he isn't and has never been alone, he has the courage to officially claim a new name: Nadir, an Arabic name meaning rare. As unprecedented numbers of birds are mysteriously drawn to the New York City skies, Nadir enlists the help of his family and friends to unravel what happened to Laila Z and the rare bird his mother died trying to save. Following his mother's ghost, he uncovers the silences kept in the name of survival by his own community, his own family, and within himself, and discovers the family that was there all along. Featuring Zeyn Joukhadar's signature "magical and heart-wrenching" (The Christian Science Monitor) storytelling, *The Thirty Names of Night* is a timely exploration of how we all search for and ultimately embrace who we are.

"Surely You're Joking, Mr. Feynman!": Adventures of a Curious Character Richard P. Feynman, 2018-02-06 One of the most famous science books of our time, the phenomenal national bestseller that buzzes with energy, anecdote and life. It almost makes you want to become a physicist (Science Digest). Richard P. Feynman, winner of the Nobel Prize in physics, thrived on outrageous adventures. In this lively work that "can shatter the stereotype of the stuffy scientist" (Detroit Free Press), Feynman recounts his experiences trading ideas on atomic physics with Einstein and cracking the uncrackable safes guarding the most deeply held nuclear secrets—and much more of an eyebrow-raising nature. In his stories, Feynman's life shines through in all its eccentric glory—a combustible mixture of high intelligence, unlimited curiosity, and raging chutzpah. Included for this edition is a new introduction by Bill Gates.

Summer of My German Soldier (Puffin Modern Classics) Bette Greene, 2006-04-20 An emotional, thought-provoking book from multi-award-winning author Bette Greene. The summer that Patty Bergen turns twelve is a summer that will haunt

her forever. When her small hometown in Arkansas becomes the site of a camp housing German prisoners during World War II, Patty learns what it means to open her heart. Even though she's Jewish, she begins to see a prison escapee, Anton, not as a Nazi, but as a lonely, frightened young man with feelings not unlike her own. In Anton, Patty finds someone who softens the pain of her own father's rejection and who appreciates her in a way her mother never will. While patriotic feelings run high, Patty risks losing family, friends — even her freedom — for this dangerous friendship. It is a risk she has to take and one she will have to pay a price to keep.
