**The Aeolian Pipe Organ and Its Music** Rollin Smith.1998 It will soon be 20 years since *The Aeolian Pipe Organ and Its Music* was published by the Organ Historical Society. This landmark volume has been out of print for so long that copies now sell for more than \$500. A second edition, revised and greatly expanded, is now in publication and, in addition to emendations and many new photographs, the annotated opus list of over 900 organs (with contract dates, prices, additions, and alterations) has been updated to reflect subsequent activity. *The Aeolian Pipe Organ and Its Music* is the story of America's oldest, largest, and longest-lived residence organ company, whose instruments provided music in the home in the era before the wide-spread use of the phonograph and radio. A list of Aeolian patrons is a veritable Who's Who in American business, industry, and finance. This book not only documents the organs, but also the music they were programmed to reproduce, Aeolian's commissions from Saint-Saëns, Stravinsky, Stokowski, and Humperdinck, and their reproduction of performances of renowned artists. A special section features a wealth of unpublished photographs of Aeolian installations. In addition to a study of the 54 recording organists, dozens of stoplists are included and complete catalogues of Aeolian organ rolls. As a companion volume to Rollin Smith's *Pipe Organs of the Rich and Famous*, this notable publication makes for reading as fascinating as it is entertaining.

**Story Time at Hanwell Book 2** Agaba Samuel Rujumba.2019-03-27 Paul Rudisha is a young Kenyan priest in waiting from Maasai. He is sent to England by his local diocese to complete his pastoral duties before being ordained in the Roman Catholic Church. But soon his journey to priesthood is tested by a stumbling block of four talented orphans and their mother, who need a father figure, and a mentor as an answer to their prayer. Will the priest in waiting forsake their love and betray their trust after reintroducing them to a world of happiness they had lost? Will he leave behind the blossoming affection towards the widow? The Bishop thinks the young priest in waiting is a perfect father for the four children, while the neighbour admires their family life. But Paul doesn't see it that way and so, he must protect his priesthood career at any cost- Even if it means completing his assignment in Kenya, so he can be far from a daring and glaring temptation. Double pulled by the love for the four children and a pursuit for his career, Paul must make a choice acceptable to God- A decision he will never regret. "Nothing happens by coincidence. There must be a supernatural force against evil that controls matter, time, space as well as our thoughts in giving shape and direction to the unfolding events as they happen on earth. Absolutely nothing other than the immortal can be responsible for such control. This justifies my thoughts for the existence of a force so strong and mighty, incomprehensible, a force far greater than our understanding and imaginations, a supernatural existence in control of all that is seemingly complex and mind blowing as par my other stories which are based on true life's events." Agaba Samuel Rujumba.

The Social Harp John G. McCurry.2009 One of the rarest country songbooks, it contains 222 pieces, mostly folktune settings, dating from the time between the Revolution and the Civil War. This facsimile reprinting has appendices useful for the study of its sources and an introduction that throws light on the men who wrote for nineteenth-century American songsters.

The Singing Bourgeois Derek B. Scott.2017-07-05 First published in 1989, The Singing Bourgeois challenges the myth that the 'Victorian parlour song' was a clear-cut genre. Derek Scott reveals the huge diversity of musical forms and styles that influenced the songs performed in middle class homes during the nineteenth century, from the assimilation of Celtic and Afro-American culture by songwriters, to the emergence of forms of sacred song performed in the home. The popularity of these domestic songs opened up opportunities to women composers, and a chapter of the book is dedicated to the discussion of women songwriters and their work. The commercial success of bourgeois song through the sale of sheet music demonstrated how music might be incorporated into a system of capitalist enterprise. Scott examines the early amateur music market and its evolution into an increasingly professionalized activity towards the end of the century. This new updated edition features an additional chapter which provides a broad survey of music and class in London, drawing on sources that have appeared since the book's first publication. An overview of recent research is also given in a section of additional notes. The new bibliography of nineteenth-century British and American popular song is the most comprehensive of its kind and includes information on twentieth-century collections of songs, relevant periodicals, catalogues, dictionaries and indexes, as well as useful databases and internet sites. The book also features an accompanying CD of songs from the period.

Celtic Autoharp KAREN MUELLER.2011-02-09 This collection of 35 Celtic tunes represents ten different performance styles from Ireland, Scotland, Wales and Brittany. the majority of these pieces are dance tunes such as the jigs and reels

popular at Irish sessions, the informal gatherings of musicians in pubs, community halls, and homes. Although relatively new to the session ensemble, the autoharp bears a distinct resemblance to the Irish folk harp. Fittingly, this collection includes harp tunes by famed Irish harpist Turlough O'Carolan as well as other slow airs. All of the pieces in this book have been arranged to be played on any standard 15 or 21-bar chromatic autoharp in either melodic or rhythmic (backup) style. A melody line with suggested chord accompaniment is included so other instrumentalists can easily join in. The book's companion CD includes performances of all 35 selections, ably illustrating the rhythmic and stylistic nuances of this engaging music. In notation and tablature.

**Danny Boy** Malachy McCourt.2014-01-28 Everyone can hum this haunting Irish ballad that inevitably brings a tear to the eye. The most requested Irish song, it has been recorded by a variety of performers ranging from Elvis Presley, Bing Crosby, and Kate Smith to the Pogues. The complete story of this moving tune has been shrouded in mystery until now. Where did Danny Boy originate, who actually wrote the lyrics, and is it even Irish? Acclaimed novelist, actor, memoirist, screenwriter, playwright, and raconteur, Malachy McCourt, turns his Irish eye to the song's complex history and myths in an eloquent ode to this classic. He traces the evolution of the music, which is one of more than 100 songs composed to the very same tune, including the familiar Londonderry Air, and explores the enduring mystique of Danny Boy in an unforgettable tribute that brilliantly weaves history with folklore.

*Bridges to Justice* James Newport-Chiakulas.2010-06 John Del Greco's life dramatically changes when, as a newly-sworn lawyer, he reluctantly agrees to represent a maverick group of black bridge workers who are fighting City Hall for recognition of their new organization and to oust a union that collaborated with the old Chicago political machine. The idealistic Del Greco knows he's up against a powerful union, but what he doesn't know is that a racist killer lurks on the river intimidating anyone who supports the new union. This killer brazenly murdered twenty-year-veteran white bridge tender, Stanley Stosh Kozinski, at his own job site on the 18th Street Bridge during the times of Chicago's worst racial tension since the race riots of 1919. Del Greco is paired with an alluring ally in his fight for justice for the bridge workers. Michelle Jordan is the attractive black opposing special counsel hired by the City and is sympathetic to the plight of the black river workers. Greco and Jordan's clandestine and professionally unethical collaboration lead to a passionate love affair and dramatic life-and-death confrontation with the river murderer.

**Songs of Celtic Christianity** DENNIS DOYLE.2010-10-07 A collection of 26 hymns in celebration of the rich heritage of Celtic Christianity, including Irish music from traditional sources and original songs derived from ancient prayers. Each song is presented with an explanation of its background, allowing the reader to delve deeply into this fascinating era of Christianity marked by the missionary work of St. Patrick and St. Brigid. All of the songs include lyrics, some in both English and Gaelic. The music is presented as simple melody arrangements with guitar chords. Audio available online.

**Celtic Myth and Religion** Sharon Paice MacLeod.2011-11-08 This book provides a comprehensive overview of Celtic mythology and religion, encompassing numerous aspects of ritual and belief. Topics include the presence of the Celtic Otherworld and its inhabitants, cosmology and sacred cycles, wisdom texts, mythological symbolism, folklore and legends, and an appreciation of the natural world. Evidence is drawn from the archaeology of sacred sites, ethnographic accounts of the ancient Celts and their beliefs, medieval manuscripts, poetic and visionary literature, and early modern accounts of folk healers and seers. New translations of poems, prayers, inscriptions and songs from the early period (Gaulish, Old Irish and Middle Welsh) as well as the folklore tradition (Modern Irish, Scottish Gaelic, Welsh, Cornish, Breton and Manx) complement the text. Information of this kind has never before been collected as a compendium of the indigenous wisdom of the Celtic-speaking peoples, whose traditions have endured in various forms for almost three thousand years.

The Laughter of Peterkin: A retelling of old tales of the Celtic Wonderworld William Sharp.2021-05-19 The Laughter of Peterkin by William Sharp is a storybook about the Celtic Wonderworld. The old tales reveal interesting facts about Celtic myths and legends. Excerpt: At the rising of the moon, Peterkin awoke, and laughed. He was in his little white bed near the open window, so that when a moonbeam wavered from amid the branches of the great poplar, falling suddenly upon his tangled curls and yellowing them with a ripple of pale gold, it was as though a living thing stole in out of the June night. He had not awaked at first. The moonbeam seemed caught in a tangle: then it glanced along a crescent tress on the pillow: sprang back like a startled bird: flickered hither and thither above the little sleeping face: and at last played idly on the closed eyelids with their long dark eyelashes. It was then that Peterkin awoke.

**Researching the Song** Shirlee Emmons,Wilbur Watkins Lewis Jr..2006-01-19 Singers are faced with a unique challenge among musicians: they must express not just the music, but the lyrics too. To effectively communicate the meaning behind these words, singers must understand the many references embedded in the vast international repertoire of great art songs. They must deal with the meaning of the lyrics, frequently in a language not their own and of a culture unfamiliar to them. From Zelter and Schubert to Rorem and Musto, *Researching the Song* serves as an invaluable guide for performers, teachers, and enthusiasts to the art song repertoire. Its more than 2,000 carefully researched entries supply information on most of the mythological, historical, geographical, and literary references contained in western art song. The authors explain the meaning of less familiar literary terms, figures, and authors referenced in song while placing songs in the context of larger literary sources. Readers will find entries dealing with art songs from the German, French, Italian, Russian, Spanish, South American, Greek, Finnish, Scandinavian, and both American and British English repertoires. Sources, narratives, and

explanations of major song cycles are also given. Organized alphabetically, the lexicon includes brief biographies of poets, lists of composers who set each poet's work, bibliographic materials, and brief synopses of major works from which song texts were taken, including the plots of all Restoration theater works containing Purcell's vocal music. The more performers know and understand the literary elements of a song, the richer their communication will be. Researching the Song is a vital aid for singers and teachers in interpreting art songs and building song recital programs.

**Celtic Irish Songs and Song-Writers** Charles MacCarthy Collins.2015-07-13 Excerpt from Celtic Irish Songs and Song-Writers: A Selection, With an Introduction and Memoirs The native Irish song-writers of the period embraced in this volume have left compositions having an interest to their countrymen, beyond that evoked by their peculiar and undoubted merit The following is a selection from their writings, and is confined to authors of undoubted Celtic descent. Biographical notices, necessarily brief and condensed, of the principal writers from whom selections have been made are included in the volume. The arrangement of the songs into Love Songs, Convivial Songs, and Patriotic Songs, will be found advantageous to the reader. The collection contains songs of various degrees of merit, but, while the majority are fairly worth reproducing, some specimens not altogether of the highest order are included. The names of a few of the authors have not an Irish sound, but I have assured myself that these are but Anglicised forms of Celtic cognomens. I have included no living author in this present series. I hope to publish a further series treating of the Anglo-Irish song writers, such as Goldsmith, Davis, Lover, Lefanu, Ferguson, etc. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
