The Power of Kabbalah Yehuda Berg.2004 The new big thing in terms of spiritual enlightenment, the powerful principles of the Kabbalah have attracted a swathe of celebrity followers ranging from Madonna, Jerry Hall, Elizabeth Taylor, Mick Jagger and Guy Ritchie - as well as over 3.5 million other dedicated students worldwide. Previously shrouded in secrecy, its teachings were passed down orally from generation to generation to only an elite few. Now, in THE POWER OF KABBALAH, Rabbi Yehuda Berg has created a user's manual for today's world, in which its wisdom is conveyed in a highly accessible, practical form for all to follow. For the first time, these secret teachings are brought to bear on the real world issues faced by us everyday - in our careers, with family and friends, and in our innermost personal thoughts. Rabbi Yehuda Berg sets out a practical collection of principles and instructions for improving our lives - helping us to get to where we really want to be emotionally, spiritually, financially and creatively in all aspects of our life. This truly spiritual book reveals not only what life means, but the actions we can each take to create the life we want and deserve.

Simple Light Karen Berg.2008 For millennia, the teachings of Kabbalah were available only to men. In fact, women were literally forbidden from studying the subject. Karen Berg has spent her life trying to change that. As the cofounder of the Kabbalah Centre International and the author of the groundbreaking *God Wears Lipstick*, in which she revealed for the first time how women could use Kabbalah's timeless tools to improve their lives and find greater fulfillment, Berg is arguably the world's best known and most beloved female Kabbalist. But both women and men respond to Berg's clear, honest, and forthright manner of speaking and writing — and, indeed, of being. Her new book, *Simple Light*, is a collection of thoughts, meditations, advice, stories, and life lessons that capture the author's very essence and give readers tools to learn from and live by. Through her unique perspective, readers gain fresh insight into an ancient spiritual science.

The Kabbalah Unveiled S. L. MacGregor Mathers.2012-05-23 A subject of perennial study and the focus of a recent surge of popular interest, Kabbalah is an ancient Jewish doctrine of esoteric knowledge concerning God, creation, and nature. This essential guide was written by one of the most influential figures in modern occultism. And unlike lesser works, it focuses on the actual sacred texts to offer an objective, reliable interpretation. The *Kabbalah Unveiled* explores three important books of the Zohar or Splendor: *The Book of Concealed Mystery*, the book of equilibrium or balance, concerning the central point, at

which rest succeeds motion; The Greater Holy Assembly; and The Lesser Holy Assembly. Together, these three books examine the gradual development of the creative deity, and of creation itself. Author S. L. MacGregor Mathers, a founder of the Hermetic Order of the Golden Dawn, presents his exegesis in a clear and scholarly style. Three fold-out charts enhance this volume's value as a tool for understanding the Kabbalah and enjoying the benefits of its teachings.

Kabbalah Yehuda Berg.2009 From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. Positing that our collective abdication of responsibility — in every facet of our lives, including business and the economy, the environment, government and politics, healthcare, education, and religion — has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions (or lack thereof) and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.

Attaining the Worlds Beyond Michael Laitman.2003-01-01 In the words of Michael Laitman, It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any act; without some personal gain, people are not prepared to extend themselves. That is why a quality such as altruism can only be imparted to a person from Above, and only those who have experienced it can understand it. Attaining The Worlds Beyond is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of their soul.

If You Don't Like Your Life, Change It! Yehuda Berg.2013 It is possible to rise above the gravitational pull that draw us into the same scenes by using kabbalistic tools. Challenges such as pain, addiction and fear are opportunities for growth. By becoming familiar with underlying messages we tell ourselves, we can recognize and overcome destructive thoughts and reactive behavior, make different choices and ultimately create different results. Our decisions and actions today are seeds that create either chaos or fulfillment in our future. When we step out of our nature, Nature responds in turn. According to the kabbalists that's how we can create miracles. Stop playing that old re-run! We all know we have the ability to transform; this book helps in understanding exactly what we need to change so we can rewrite our movie. For those who loved The Power of Kabbalah or Living Kabbalah, get ready to take the next steps in writing, directing, and acting a new life.

To be Continued Karen Berg.2012 If we lived with an awareness of reincarnation and karma, we would never think of life as random, perceive ourselves as victims, and we'd always be conscious of our actions. Life would make more sense and would be infinitely more fulfilling. Reincarnation is the soul's journey back to the Light via multiple physical incarnations. In each lifetime, the soul returns to the physical world to correct a different aspect of itself. In one incarnation a soul may need to learn about being rich; another it may need to learn about being poor. Or it may need to experience strength and weakness, anger and compassion, beauty and unsightliness. It doesn't matter if you were Cleopatra or a foot soldier, the point is to be conscious of the things we failed at, the damage we came to restore so we can make the correction this time around. Reading this book can help you understand some of the challenges and questions you have in this lifetime that may have come from another life. Part I discusses the process of reincarnation—how and why it happens. In Part II, you will learn about life challenges and why it's important to embrace them as a necessary part of our soul's work. In Part III, you can detect past life lessons by using kabbalistic tools of angels, astrology, palm and face reading. Awareness of our soul's journey creates a context that helps us to guide our lives and appreciate what we were given. With this knowledge over many lifetimes our soul eventually manages to understand all the lessons and puts all of these fragments together. As it does so, the soul gathers sparks of Light back to itself. Eventually it returns to the source of all Light—the Creator—complete. When we understand reincarnation, our mistakes in this life become devastating. We develop a level of spiritual maturity that helps us to perceive how everything is part of a bigger plan designed to help us to change and grow. Death is not the end of the game, but just a chance to do over. We have nothing to fear. Life will be continued . . .

The Guillotine Squad Guillermo Arriaga.2007-05-15 Full of Arriaga's trademark humor and irony present in his films and novels, *The Guillotine Squad* takes us back to one of the most exciting times in Mexican history. Feliciano Velasco y Borbolla de la Fuente, a lawyer, sells his famous invention, the guillotine, to Pancho Villa, the renowned insurgent general of the Mexican Revolution. Soon Feliciano finds himself immersed in the logic of this simultaneously bizarre, heroic, and cruel world of Villa's troops.

Kabbalistic Astrology Rav P. S. Berg.2010-09-17 Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.

Rebooting Yehuda Berg.2007 "Absence of desire" or lack of interest are often listed as symptoms of depression, a medical condition that affects nearly 20 million Americans. A myriad of drugs, herbal remedies, and therapies are now available to treat this condition, and although they may ease the symptoms, none have managed to cure this devastating affliction. In his clear, strong, and heartfelt new book, noted scholar and author Yehuda Berg offers a new "prescription" for those who suffer from depression: the healing energies of Kabbalah. This simple yet profound treatment allows depression sufferers to take back their lives. Readers learn to use Kabbalah's ancient tools to reconnect with desire, reemerge from the debilitating darkness, and overcome depression once and for all. Berg suggests specific Kabbalistic tools for readers to use on the path to recovery, while case histories provide further illumination and inspiration.

Coming to Our Senses Morris Berman. 2015-12-04 An ambitious and provocative analysis of the relationship between culture, mind, and body in the history of Western society, Morris Berman's influential classic *Coming to our Senses* has been engrossing audiences with its carefully-researched and thoughtful exploration of somatic experience for decades. Finally back in print for a new generation of readers, Berman's treatise on the West's historic denial of physicality is relevant as ever in a society increasingly plagued by addiction, depression, and distraction. Berman deftly weaves threads of history, philosophy, and psychoanalysis into an elegant and accessible argument about the ways our physical experience of the world relates to the culture in which we exist. To make his case, Berman draws on studies of infant behavior with mirrors; analyzes symbolic expressions of human-animal relationships ranging from cave-wall etchings to Disney cartoons; investigates esoteric breathing techniques and occult rituals; and examines the nature of creativity. Berman also illuminates Christianity's origins in early Jewish meditation techniques, explains how the notion of romantic love evolved out of medieval Christian heresy, how modern science grew out of Renaissance mysticism, and how Nazism was the most recent episode in a recurring cycle of orthodoxy and heresy. A demanding and radical work of history, social criticism, and philosophy, *Coming to our Senses* is a beautifully-written and vastly important book. Readers interested in related titles from Morris Berman will also want to see: *Are We There Yet* (ISBN: 9781635610567), *Spinning Straw Into Gold* (ISBN: 9781635610536).

The Spiritual Rules of Engagement Yehudah Berg.2008 More than a decade after the runaway bestseller *The Rules* advised women on how to land Mr. Right, it's time for a new set of rules that takes a more spiritual approach. These rules are based on the timeless wisdom of Kabbalah and the very nature of the Universe itself. *The Spiritual Rules of Engagement* describes how Kabbalah views relationships and what makes them work (or not work); and reveals that it is the woman who holds the power to determine the outcome. The book explains the spiritual reasons behind the way in which men and women think and act differently. Although not a book of dating tips, its rules do work. They have to work: They are the Laws of the Universe. You'll learn the true meaning of the term soul mate; and why it is that your soul mate has to find you, not the other way around. Written by a kabbalistic teacher who regularly provides counsel to hundreds of individuals and couples, and who is happily married himself, the book will resonate with people of all backgrounds. These are more than just rules of engagement; they're rules for creating a happier, more fulfilling life.

After Babel George Steiner.2013-04-16 "A brilliant work . . . A dazzling meditation on the very nature of language itself" from the world-renowned scholar and author of *The Poetry of Thought* (Kirkus Reviews). In his classic work, literary critic and scholar George Steiner tackles what he considers the Babel "problem": Why, over the course of history, have humans

developed thousands of different languages when the social, material, and economic advantages of a single tongue are obvious? Steiner argues that different cultures' desires for privacy and exclusivity led to each developing its own language. Translation, he believes, is at the very heart of human communication, and thus at the heart of human nature. From our everyday perception of the world around us, to creativity and the uninhibited imagination, to the often inexplicable poignancy of poetry, we are constantly translating—even from our native language.

Satan Yehudah Berg.2010 They say that the greatest trick the Devil ever pulled was convincing us that he doesn't exist. In this book, Yehuda Berg uses the device of an as told to autobiography to explain the concept of The Adversary, which plays a major role in Kabbalistic wisdom. Readers learn that Satan exists within everyone, manifesting as a recurrent little voice of uncertainty and negativity, and that that is how havoc is wreaked throughout the world. By doing the spiritual work that Kabbalah teaches, readers banish doubt and evil influences from their lives and eliminate chaos from the world. Although author Berg takes creative license with the narrative, he presents a truthful representation of Kabbalah's view on the force of evil in the physical universe.
