Then he was free and it was time for his reward—full membership in the club, along with a party to celebrate. That's when he saw Becca Jones for the first time and set everything in motion. Before the night ended he'd violated his parole and stolen her away from everything she knew. Five years. It was five years ago that Puck destroyed Becca and saved her all in one night. She's been terrified of him ever since, but she's even more terrified of the monsters he still protects her from... But Becca refuses to let fear control her. She's living her life and moving forward, until she gets a phone call from the past she can't ignore. She has to go back, and there's only one man she can trust to go with her—the ex-con biker who rescued her once before. Puck will help her again, but this time it'll be on his terms. No more lies, no more tears, and no more holding back what he really wants... This edition only: A new Silver Valley story

New York Mon Amour Jacques Tardi, Benjamin Legrand, Dominique Grange, 2012 Many years ago, Jacques Tardi was introduced to American audiences with *Manhattan*, a grim and grimy story of depression, madness and suicide in New York City. Three decades later, *New York Mon Amour* collects *Manhattan* and three other tales of the Big Apple spectacular collection is this rendered by Tardi with just as much panache and you-are-there detail as his reworks set in Paris or the trenches of World War I. Aside from *Manhattan*, the centerpiece of the book is the graphic novel *Cockroach Killer*, written by Benjamin Legrand. This violent, surreal conspiracy thriller, starring a hapless exterminator named Walter, remains one of the cartoonist's most startling, confounding works. The volume is rounded out with two short tales, both written by Dominique Grange: *So Hard* (starring John Lennon - but not that John Lennon), and *The Killing of Hung* (a story of revenge and redemption).
