Language Typology and Historical Contingency Balthasar Bickel,Lenore A. Grenoble,David A. Peterson,Alan

Timberlake,2013-12-15 What is the range of diversity in linguistic types, what are the geographical distributions for the attested types, and what explanations, based on shared history or universals, can account for these distributions? This collection of articles by prominent scholars in typology seeks to address these issues from a wide range of theoretical perspectives, utilizing cutting-edge typological methodology. The phenomena considered range from the phonological to the morphosyntactic, the areal coverage ranges in scale from micro-areal to worldwide, and the types of historical contingency range from contact-based to genealogical in nature. Together, the papers argue strongly for a view in which, although they use distinct methodologies, linguistic typology and historical linguistics are one and the same enterprise directed at discovering how languages came to be the way they are and how linguistic types came to be distributed geographically as they are.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a

wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
