Simon Beecroft

Woodstock: Master of Disguise (PEANUTS AMP! Series Book 4) Charles M. Schulz, 2015-04-28 Woodstock might be the smallest of all the Peanuts gang, but he's got a lot to say, even if Snoopy is the only one who understands him. That's because Snoopy is Woodstock's "Friend of Friends," and together they write masterpieces, fly airplanes, find the perfect place to nap, and win over the hearts of readers all over the world. Whether he's falling in love with a snowflake or crash-landing on the tip of Snoopy's nose, Woodstock is the little yellow bird with a big personality. It takes more than a strong wind to ruffle Woodstock's feathers, although it's a good thing he has Snoopy to keep his little yellow feet on the ground. Don't miss out on the newest AMP! Peanuts collection featuring Woodstock, the most recognizable yellow bird in the world—even in disguise! Charles Schulz's Peanuts is one of the most timeless and beloved comic strips ever. Now AMP! is carrying on that legacy with new collections of Peanuts classics for middle-grade readers. First published in 1950, the classic Peanuts strip now appears in more than 2,200 newspapers in 75 countries in 25 languages. Phrases such as security blanket and good grief, which originated in the Peanuts world, are now part of the global vernacular, and images of Charles Schulz's classic characters-- Charlie Brown kicking the football, Lucy leaning over Schroeder's piano--are now universally recognized. Together these books will introduce a new generation of kids to the lovable cast in time for the new animated Peanuts movie, which hits theaters in 2015!

The Complete Peanuts Vol. 4 Charles Schulz, 2005-10-19 As the 1950s close down, Peanuts definitively enters its golden age. Linus, who had just learned to speak in the previous volume, becomes downright eloquent and even begins to fend off Lucy's bullying; even so, his security neurosis becomes more pronounced, including a harrowing two-week Lost Weekend sequence of blanketlessness. Charlie Brown cascades further down the hill to loserdom, with spectacularly lost kites, humiliating baseball losses (including one where he becomes the Goat and is driven from the field in a chorus of BAAAAHs); at least his newly acquired pencil pal affords him some comfort. Pig-Pen, Shermy, Violet, and Patty are also around, as is an increasingly Beethoven-fixated Schroeder. But the rising star is undoubtedly Snoopy. He's at the center of the most graphically dynamic and action-packed episodes (the ones in which he attempts to grab Linus's blanket at a dead run). He even tentatively tries to sleep on the crest of his doghouse roof once or twice, with mixed results. And his imitations continue apace, including penguins, anteaters, sea monsters, vultures and (much to her chagrin) Lucy. No wonder the beagle is the

cover star of this volume.

The Complete Peanuts Vol. 3 Charles Schulz,2005-04-20 The third volume in our acclaimed series takes us into the mid-1950s as Linus learns to talk, Snoopy begins to explore his eccentricities (including his hilarious first series of impressions), Lucy's unrequited crush on Schroeder takes final shape, and Charlie Brown becomes...well, even more Charlie Brown-ish! Over half of the strips in this volume have never been printed since their original appearance in newspapers a half-century ago! Even the most dedicated Peanuts collector/fan is sure to find many new treasures. The Complete Peanuts will run 25 volumes, collecting two years chronologically at a rate of two a year for twelve years. Each volume is designed by the award-winning cartoonist Seth (It's a Good Life If You Don't Weaken) and features impeccable production values; every single strip from Charles M. Schulz's 50-year American classic is reproduced better than ever before. This volume includes an introduction by Matt Groening (The Simpsons) as well as the popular Complete Peanuts index, a hit with librarians and collectors alike, and an epilogue by series editor Gary Groth. 2005 Eisner Award winner, Best Archival Collection/Project.

The Complete Peanuts Charles Monroe Schulz,2007 Collects all the Peanuts comic strips as originally published in newspapers, including both daily and Sunday strips.

Peanuts Vol. 2 Charles M. Schulz,Shane Houghton,2013-03-05 Snoopy and the Peanuts gang are back in lively and colorful new adventures with comics and graphic novels from KABOOM! The Peanuts gang returns to comic books for the first time since the 1960s! Charlie Brown, Snoopy, Woodstock, Lucy & Linus, and the rest of the gang are all together in this volume that is sure to please young and old alike. This collection brings the gang together in a series of heartwarming and hilarious stories.

The Complete Peanuts Vol. 6 Charles Schulz,2006-11-22 Launching into the 1960s, Schulz adds another new cast member. Two, in fact: The obnoxious Frieda of naturally curly hair fame, and her inert, seemingly boneless cat Faron. The rapidly maturing Sally, who was after all just born in the previous volume, is ready to start kindergarten and not at all happy about it. Lucy and Linus' war over the security blanket escalates, with Lucy burying it, cutting it apart, and, in the longest sequence of the book, turning it into a kite and allowing it to fly away. Aaugh! In fact, Linus' life is particularly turbulent in this volume, as he is forced to wear glasses, sees the unexpected return of his favorite teacher, Miss Othmar, and coaxes Sally into the cult of the Great Pumpkin (with regrettable results).

The Complete Peanuts, 1950-2000 Charles Schulz, 2016-11-03 While the 50-year run of the Peanuts newspaper strip is obviously the heart and soul of Charles Schulz's career, he also created a large amount of Peanuts material that didn't run in the strip. This bonus 26th volume of *The Complete Peanuts* collects all of Schulz's non-strip related Peanuts art: storybooks, comic book stories, single-panel gags, advertising art, book illustrations, photographs and even a recipe. With close to 1,000 Peanuts images included, all created by Schulz himself, no true Peanuts library would be complete without this final,

celebratory volume of *The Complete Peanuts*. As a fitting end to the volume - and the series - Schulz's widow, Jeannie Schulz, provides an emotional afterword to the volume, as well.
