By Oak, Ash, & Thorn Deanna J. Conway, 1995 Take one part of the world's oldest spiritual system (shamanism), mix in one part of one of the world's most popular spiritual cultures (the Celts), and bring it up to date by blending in modern forms of shamanism. The result is one of the most amazing books you'll ever use, D. J. Conway's By Oak, Ash, & Thorn. This book is filled with information that can start you on a lifetime of study, practice, and spirituality. First, you'll learn about ancient and modern forms of shamanism. You'll discover the secrets of the three shamanic worlds, and how you can travel through these mysterious realms. You'll be shown how to communicate and deal with the entities and allies you meet there. You'll also learn about the tools that a shaman uses. The thing that makes this book unique is that it comes from the viewpoint of Celtic shamanism, and not some generalized form. As a result, the worlds are specifically Celtic in nature. The tools come from Celtic myth and lore. The fifty entities you meet are named and defined as the Faery Folk and their kin from the Bean sidhe (banshee) to the Will o' the Wisp (a faery who appears at night in lonely places carrying a lantern to confuse travellers). Almost fifty more animal allies are listed and described. You will also learn the mysteries of the vision quest and how it applies and can be used by Celtic shamans. Before starting your journey you will take a test to determine your

strengths and weaknesses as a potential shaman. Other topics include: - Shamanic Healing - Soul Retrieval - Shape-shifting - Invisibility - Divination with stones, the omen stick and the Ogamalphabet - Pathworking through the three shamanic worlds - Different forms of Celtic magic - Herbs This only begins to hint at everything that you can learn from this book. The Cauldron and the Drum Rhonda McCrimmon,2024-01-09 Rhonda McCrimmon brings the ancient, healing wisdom of Celtic shamanism to life so we can break free from the chains of past traumas, hurts, and heartaches and live a whole, connected, and more meaningful life. Celtic shamanism is a spiritual tradition whose origins predate the arrival of Christianity in northern Europe. According to this ancient tradition, the root of a person's physical, spiritual, and emotional health comes from the balancing the body's three energy centers called the “three cauldrons,” the Cauldron of Warming, the Cauldron of Motion, and the Cauldron of Wisdom. The Celts believed a person must activate, nurture, and maintain all three cauldrons to live a whole, connected, meaningful life. Now, Rhonda McCrimmon—a beloved shamanic teacher— takes readers on a spiritual journey from the lowest of the three energetic cauldrons to the highest, sharing practices to cultivate each cauldron’s unique potential. The Cauldron of Warming, the wellspring of our innate knowledge, can be drained by past traumas, leaving us anxious and fearful. McCrimmon teaches you how to replenish this cauldron and restore your birthright of inner peace and security. The Cauldron of Motion is on its side at birth but fills as we experience deep grief or joy. It is the source of our capacity to love and nurture. Learn how to balance this cauldron, establish healthy boundaries, and protect yourself from emotional drain. The Cauldron of Wisdom is upside down at birth. When it is righted, we receive one of the most sublime gifts of Celtic spirituality—a profoundly felt connection with nature. In each chapter, McCrimmon provides self-reflections and other exercises designed to help readers: Activate and balance your inner cauldrons. Dispel fear by tapping into your innate wisdom. Work through past traumas, foster love, and nurture emotional resilience. Manifest creative potential through rituals and meditations. The book also explores the tradition of Celtic fire festivals and the sacred practice

of saining. Regardless of your ancestral roots, Rhonda McCrimmon invites you to explore this ancient wisdom and begin your journey down the shaman's path. The book includes a foreword by HeatherAsh Amara, author of Warrior Goddess Training.

Shamanic Journeys, Shamanic Stories Michael Berman,2011 A shamanic journey is one that generally takes place in a trance state to the sound of a drumbeat, through dancing, or by ingesting psychoactive drugs, in which aid is sought from beings in other realities, generally for healing purposes or for divination. A shamanic story has either been based on or inspired by a shamanic journey, or one that contains a number of the elements typical of such a journey. In this collection of fascinating journeys and stories, Michael Berman reveals the healing nature of shamanic practice.

The Shaman's Oracle John Matthews,2017-10-17 Before spoken language evolved, our ancestors communicated through images, drawn or carved onto the walls of caves. A vast proportion of the thousands of such images derive from the visionary insights of the first shamans, who either left them as reminders for themselves or as spiritual signposts for those who came after them. Created by practising shaman John Matthews and beautifully illustrated with evocative images of cave paintings by Wil Kinghan, this highly original deck contains 52 cards, which are divided into five groupings - Spirits, Ancestors, Hunters, Dancers and Shamans - each representing a different aspect of human experience. Two further cards - the Journeyer and the Helper - represent the person who is conducting the reading: the Seeker. As the cards are drawn, they reveal insights that will help to guide the Seeker on his or her quest for the answers to life's most vital questions. The images are not only beautiful, atmospheric and mysterious, but they also touch on the deepest memories we all possess - the unconscious archetypes that influence our thoughts, feelings and actions at the deepest level of being.
