EDITORIAL BOARD

Rapidex English Speaking Course (Telugu) EDITORIAL BOARD,2015-01-09 A legendary language learning course undoubtedly! Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well aware of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line. This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness. Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi, Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. A must for every Indian home.

Hindi-English Expert Translator Hindi se English Translation Mai Step-By-Step Purn Dakshta Ke Liye SC

Gupta,2018-04-20 The book offers a simple yet effective way to learn English as well as to translate from Hindi to English. It contains several common hindi sentences that have been translated into English that allow a learner to easily understand day-to-day words and how to use them in sentences when writing or speaking in English. By learning how typical Hindi sentences, when translated into english can be used in everyday life, one can improve his or her grasp about using both the language. Besides the author, a good bi-linguist, has even detailed the grammatical aspects about each topic given in the book, which offer self improvising problems with easy solutions to them. Different sections have been created so as to improve the reader's basic grammar, which includes Nouns, Pronouns, Tenses, Sentence making, etc. Each section comes with a separate practice set that lets the readers test English reading, writing and speaking skills as well as the translation

ability that one has been able to learn. There is even a separate vocabulary section to help readers learn more new words and how to use them effectively while communicating. With step-by-step guidelines, one can surely bring fluency in their English language usage over a few months.

Rapidex English Speaking Course (Assame) (with CD) Editorial Board,2009-08 Youth means being full of energy, vitality and youthful spirit. But thanks to the present-day lifestyle, people are aging faster than ever before. Stress-ridden lives, junk food, long working hours, lack of leisure activities, environmental pollution and toxic Family and Relationships--all are taking a toll on the body and mind, causing irreparable harm to one's health. However, the good news is that one can have a good enough control over many of these factors. Can one remain youthful forever? Why not? Holistic health includes physical, mental, and spiritual well-being and once you have attained holistic health, you could easily retain a

youthful personality. This book shows you the way to a youthful living -- providing an insight into the factors that can help you maintain a youthful life by keeping you fit and healthy. This is a book meant for everyone. It is not just for the middle aged. It is meant for people in their twenties and thirties, as well. In fact, caring for the body should begin even as we are in our twenties. It is never too early to start respecting our bodies. From the types of exercises including Yoga and Meditation for different age groups, Diet and Nutritional precautions and the role of balanced Diet and Nutrition and anti-stress activities like meditation and breathing exercises, it offers a complete guide to the anti-aging formulas. #v&spublishers

Out of Syllabus V. Rajesh, 2012 It is easy to skip a question during an exam if it is 'Out of Syllabus' but what do you do if you are faced with a situation in life for which you were not given any inputs? Can you run away from the situation using the 'Out of Syllabus' excuse? Career is one area where one is expected to know and manage situations. After all a person is paid a salary to be able to handle things and deliver results. The reality is that most people get a lot of academic and conceptual inputs relating to one's career choice but very little practical inputs on how to effectively use the academic learning. 'Out of Syllabus' outlines the various such gaps in your learning with regard to career success and also gives specific and precise inputs that can be actioned with ease. The book defines the career of a person in phases and details the crucial elements that need to go into each of these phases. The end result is a holistic, balanced orientation which would help the individual work towards success in their careers. And more importantly, these inputs can also enable personal effectiveness and success.

Fluent Forever Gabriel Wyner, 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.
