Amy Tan Edelma D. Huntley,2002-09-30 The first full-length critical study of Asian American novelist Amy Tan.

Amy Tan Mary Ellen Snodgrass,2015-01-24 In the mid-1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan's work--once pigeonholed as ethnic literature--resonates with universal themes that cross cultural and ideological boundaries, and prove wildly successful with readers of all stripes. Tender, sincere, complex, honest and uncompromising in its portrayal of Chinese culture and its affect on women, Amy Tan's work earned her both praise and excoriation from critics, adoration from fans, and a place as one of America's most notable modern writers. This reference work introduces and summarizes Amy Tan's life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures and events, allusions, motifs and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan's family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan's work; a glossary of foreign terms found in her writing; and a list of related writing and research topics. An extensive bibliography and a comprehensive index accompany the text.

Reading and Interpreting the Works of Amy Tan Audrey Borus,2016-07-15 Amy Tan was born to Chinese immigrants who worked hard to fulfill their own version of the American Dream. After tragedy befell her family when she was a teenager, a tumultuous period followed in which Tan and her mother often clashed. This text reveals how biographical elements like these largely influenced the recurring themes in many of her novels. Tan's unique view on the Chinese-American experience and mother-daughter relationships, along with her use of setting, point of view, and a unique writing style are closely examined through excerpts from the books as well as critical analysis. Quotations from Tan herself help readers gain a better understanding and appreciation for this critically acclaimed author.

Toni Morrison Missy Kubitschek,1998-09-08 This study analyzes in turn each of her novels. It also provides the reader with a complete bibliography of her writings, as well as a list of selected reviews and criticism. The discussion of each novel features sections on plot and character development, narrative structure, thematic issues, and an alternative critical approach from which to read the novel.

Anne Tyler Paul Bail,2002-09-30 An insightful study of the novels of Anne Tyler, ideal for students and readers of the novelist.

Alice Walker Gerri Bates,2005-10-30 While attending both Spelman and Sarah Lawrence Colleges, Alice Walker began to draw on both her personal tragedies and those of her community to write poetry, essays, short stories, and novels. This book analyzes literary works such as: *Meridian*, *The Color Purple*, *The Temple of My Familiar*, *Possessing the Secret of Joy*, and more.

Anne Tyler Paul Bail,1998-10-15 In this study Paul Bail shows us how Tyler constructs the complex reality of life through character, narrative point of view, theme, and literary devices. With the exception of Tyler's earliest two novels, which she prefers to forget, a chapter is devoted to each of the other novels she has written. Following a biographical chapter that relates Tyler's life to her work, Bail discusses the novels within the literary tradition of Southern regional literature, women's literature, and popular culture. He also explores the influence of religion on her writing. Bail also offers an alternate critical approach from which to read the novel, such as feminist or multicultural criticism. This study is ideal for students and readers of Anne Tyler and will enrich the reading and appreciation of her novels.

Maxine Hong Kingston E. D. Huntley,2002-09-30 Examines the fiction and role in introducing the Asian American experience to mainstream readers through Maxine Hong Kinston and her three narrative works.

Amy Tan Harold Bloom,Sterling Professor of Humanities Harold Bloom,2014-05-14 Presents a collection of critical essays about the works of Amy Tan.

Terry McMillan Paulette Richards,1999-11-30 Presents critical analyses of each of Terry McMillan's novels, including *Mama*, *Disappearing Acts*, *Waiting to Exhale*, and *How Stella Got Her Groove Back*; and includes biographical information about the author.

Maya Angelou Mary Jane Lupton,2002-09-30 An illuminating study of the African American autobiographer Maya Angelou.

Terry McMillan Paulette Richards,2002-09-01 This insightful analysis explores the tremendous cross-over appeal of Terry McMillan's novels and movie adaptations.
